Summary

Although aimed at Christians - as an attempt to convince them that Masonry is incompatible with Christianity - this work does a whole lot more.

As yet another exposition of Jewish Power (this time from the vantage point of secret societies) and how it functions in the world, it is an invaluable resource for anyone wishing to study Masonry and wanting to understand why the world works the way it does today.

Conclusion 185

Acknowledgments

This book could never have been written without the help of these students of Freemasonry (some of whom were high ranking Masons themselves): Martin L. Wagner and his Freemasonry - An Interpretation; Samuel Roth - Jews Must Live; Msgr. George Dillon - Grand Orient Freemasonry Unmasked; Nesta Webster - Secret Societies And Subversive Movements; Rev. E. Cahill - Freemasonry and The Anti-Christian Movement; Dr. Shepherd, a former high ranking Mason; Rev. Jim Shaw of Silver Springs, Florida, a former high ranking Mason; Ed Decker, from Free The Masons Ministries, and my good friend and critic, Harry E. Werner, Jr., who has been a tremendous help and blessing to me.

This book is not original thought as far as I'm concerned. It is merely the compilation of many facts and documents - dealing with Freemasonry - which have been put into book form to help my readers understand the subversive forces behind Freemasonry, which are seeking to enslave and destroy the white Christian world. If in writing this, the facts contained herein set some Mason free from the satanic influence of the Lodge, we will give God the credit and glory.

Jack Mohr
Lt. Col. AUS Ret.

Chapter 1:

What is Freemasonry?

(A Grand Chaplain Speaks Out)

The following letter was written November 25, 1984 by Rev. Harmon R. Taylor, Grand Chaplain of the Grand Lodge Free and Accepted Masons of the State of New York (1983-1984).

Dear Servant of God:

Knowing that you desire to serve the Lord with all your heart, I share this letter with you. Perhaps you have been struggling with the same situation. On Nov. 22nd, I sent the facts contained in this letter to all masonic bodies of which I am a member. I invite you to prayerfully read it. It will explain why I, as a Grand Chaplain of the Grand Lodge of Free and Accepted Masons of the State of New York, am requesting a demit from all bodies of the masonic fraternity. There is much more that I could share with you. I would be happy to share more if it will help you in the Lord's service.

Many have asked me if Freemasonry is a religion. I have always responded, "No." Others have told me it is a religion. Study has revealed the fact that learned writers in the fraternity say Masonry is a religion. The Lord Jesus Christ said: "Whosoever shall confess me before men, I will confess him before my Father which is in heaven: and whosoever shall deny me, I will deny him before my Father which is in heaven. Whosoever shall confess me before men, I will confess him before my Father which is in heaven: and whosoever shall deny me, I will deny him before my Father which is in heaven." (Matt. 10:32-33). In order to be brief, I will quote only four Masonic authorities that Masonry is a religion.

Albert Mackey, one of the best known masonic authorities, wrote in *A Lexicon of Freemasonry* (pg. 402): "The religion, then, masonry, is pure theism."

Albert Pike, the most important of all American masonic

authorities, wrote in *Morals and Dogma* (pg. 213-214):

Every masonic lodge is a temple of religion, and its teachings are instructions in religion . . . this is true religion revealed to the ancient patriarchs, which masonry has taught for centuries, and which it will continue to teach as long as time endures.

J. S. M. Ward, a masonic authority who has written several important books on masonry, wrote in his book: *Freemasonry: It's Aims & Ideals*. (pg. 185): "I consider freemasonry is a significant organized school of mysticism to be entitled to be called a religion." He continues on page 187: "Freemasonry . . . taught that each man can, by himself, work out his own conception of god and thereby achieve salvation." It holds that there are many paths that lead to the throne of the all-loving Father which all start from a common source. Freemasonry believes, according to Ward, "that though these paths appear to branch off in various directions, yet they all reach the same ultimate goal, and that to some men one path is better and to others, another."

Frank C. Higgins, a high mason, wrote in *Ancient Freemasonry* (pg. 10): "fit is true the freemasonry is the parent of all religion."

These masonic witnesses all agree in their doctrine that masonry is, indeed, a religion. It is necessary now to ascertain whether masonry is a true religion or a false religion. In an article entitled, *How to Recognize a False Religion* ("Faith for the Family," Nov/Dec 1974), a prominent Christian leader wrote:

All false religions . . . have some things in common. Here are the three simplest tests by which any religion should be judged;

First, what is its attitude towards the Bible?

Second, any religious teaching should be judged by this question: "What is its attitude towards Jesus Christ?"

Finally, in judging any religious system, we should ask: "What is its attitude toward the blood of Jesus Christ?"

According to these three tests, masonry is a false religion manifesting a satanic attitude towards the Bible, the Deity of Jesus Christ, and the blood atonement of Jesus Christ. In order to establish this charge, keep in mind the word of Christ, "In the mouth of two or three witnesses every word shall be established." Please consider now the testimony of masonic authorities which reveals masonry's satanic attitude towards the Bible, the Deity of Jesus Christ, and the vicarious atonement for the sins of mankind by the shedding of Christ's blood on the cross.

Joseph Ford Newton, a famous masonic authority and writer, in an article entitled: "The Bible And Freemasonry," wrote:

The Bible so rich in symbolism is itself a symbol . . . thus, by the very honor which masonry pays the Bible, it teaches us to revere every book of faith in which men find help for today and hope for tomorrow, joining hands with the Hindu, as he makes covenant with God upon the book that he loves best.

Albert Pike, in *Morals and Dogma*, (pg. 718) wrote: "Masonry propagates no creed except it's own simple sublime one, that of universal religion, taught by nature and reason."

One who has been truly "born-again" (born from above), can see that the above statement from masonry totally rejects the crucial doctrine of an infallible, God-breathed, inerrant Bible.

According to the second test, masonry is a false religion because it totally rejects the crucial doctrine of the Deity of the Lord Jesus Christ.

J. D. Buck, M.D., another masonic writer of importance, in his book *Symbolism Of Mystic Masonry*, wrote (pg. 57): "In the early church as in the secret doctrine, there was not one Christ for the world but a potential Christ in every man. Theologians first made a fetish of the impersonal, omnipresent divinity, and then

tore the 'Christ is God' from the hearts of all humanity in order to Deify Jesus; that they might have a God-Man particularly their own."

According to the third test, masonry is a false religion because masonry dogmatically refuses the doctrine of salvation from the penalty of sin by faith in the vicarious atonement of Christ's shed blood on the cross.

Thomas Milton Stewart, another masonic author, in his book *Symbolic Teaching On Masonry And Its Message* to support his doctrine, quoted favorably an apostate Episcopal minister on pg. 177:

Did Jesus count Himself conceive of Himself as a proprietary sacrifice and of His work an expiation? The only answer possible is clearly, He did not . . . He does not call Himself the world's priest, or the world's victim.

Salvation by faith in the vicarious atonement are not "ignorant perversions of the original doctrines" as masonry teaches, but are vital ingredients of the glorious Gospel of Christ, which is the power of God unto salvation to everyone who believes. Therefore, masonry fails all three tests! It manifests a satanic attitude towards the Bible, the Deity of Christ, and the vicarious atonement. In addition to failing these tests, there is much more proof that masonry is a false religion.

For instance, Henry C. Clausen, 33^o, Sovereign Grand Commander of the Supreme Council 33^o, Mother Council of the World, in the *NEW AGE*, November, 1970 (pg. 4) wrote regarding masonry: "It is dedicated to bringing about the Fatherhood of God, the Brotherhood of Man, and making better men in a better world."

The doctrine of the Fatherhood of God and the Brotherhood of Man is not found in the Bible. It is a doctrine taught consistently by apostates. Also, the Bible makes it crystal clear that no organization, masonry included, can make better men. Only god can make better men!

According to a masonic creed, found in the Masonic bible, masonry teaches that "character determines destiny."

The teaching that character determines destiny is a false doctrine of the Arch Deceiver of men's souls. The Bible says: "There is none that doeth good," and "For by grace are ye saved through faith and that not of your selves; it is a gift of God, not of works, lest any man should boast" (Eph. 2:8).

Masonry is anti-Christian in its teachings. For example, J. M. Ward, in *Freemasonry - Its Aims and Ideals*, wrote on (pg. 187): "I boldly aver that freemasonry is a religion, yet it no way conflicts with any other religion, unless that religion holds that no one outside its portals can be saved." Ward in his statement, reveals the fact that masonry has no conflict with any apostate religion on the face of the earth, but that it is in conflict with Christianity. The Bible says: "Neither is there salvation in any other, for there is none other name under heaven, given among men, whereby we must be saved" (Acts 4:12). The Bible makes it clear that there is no other way to salvation except through Jesus Christ.

A prominent college president said of masonry: "It is a Luciferean religion. We are fully aware of its diabolical origin and purpose. I believe that any born-again Christian, when the facts from the lips of masonic writers themselves are presented showing that masonry is a religion and is the worship of Satan, will immediately withdraw." To this I must add my hearty agreement!

The God and Father of the Lord Jesus Christ, the only True and Living God, has clearly commanded Christians: "Be ye not unequally yoked together with unbelievers, and swear not at all, and have no fellowship with the unfruitful works of darkness, but rather reprove them" (2 Cor. 6:14).

Charles Finney, the famed evangelist who God used to bring revival to America in the 1930's, in his book, *Freemasonry* (pg. 115) wrote: "Surely, if masons really understood what Masonry is, as it is delineated in these books, no Christian Mason would think himself to remain at liberty another day as a member of the

fraternity. It is as plain as possible that a man knowing what it is, and embracing it in his heart, cannot be a Christian man. To say he is is to disbelieve the very nature of Christianity."

For me, the signs of the time compared with prophetic Scripture, make it apparent that we are living in the last days prior to the Rapture of the Church. (Here is another apparently sincere man, who has been taken in by Jewish propaganda concerning the Rapture - ED). Satan is hard at work trying to hinder believer's spiritual growth, as well as trying to keep the unsaved from entering God's family. Freemasonry, I have come to believe, is one of Satan's master deceptions. Many ministers, elders, deacons, trustees, and Sunday School teachers belong to this cult. Today, my membership ends! Today a new ministry begins! There is a tremendous need to scrutinize the cultic nature of Freemasonry in view of the massive infiltration of its effects on the working body of the church. It should be exposed to the True Light - Jesus Christ.

Love in Christ,

Signed - Howard R. Taylor.

Chapter 2:

Masonic Youth Orders

The following information comes from an article titled: Through The Fires Of Molech, by William J. Schnoebelen. For further information contact: Free The Masons Ministries, P.O. Box 1077, Issaquah, WA 98027.

An earnest question is asked of us who minister to the Masons. "So if Masonry is un-Christian, what about the youth orders of Masonry? Are they so bad?" In this increasingly carnal world order, are there good places one can send their son or daughter for fun and fellowship with the assurance that they will only be exposed to wholesome influences?

What about the Masonic orders for youth - The Order of Demolay? The Rainbow Girls? Job's Daughters? Are these innocent enough? This assumption neglects central principles found in the Holy Bible - the very Bible which is found reposing on the alters of Masonry.

The first question is one of spiritual authority. Surely no Christian parents needs to be reminded of the responsibility they have for the precious young souls God has entrusted to them. The Bible is full of admonitions to carefully train one's child.

"And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou riseth up" (Deut. 11:19).

"And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord" (Eph. 6:4).

Conversely, there are dire spiritual warnings for those who either fail to teach their children or who lead them in error-filled

teachings:

"But whoso shall offend one of these little ones which believe in me (Christ), it is better for him that a millstone were hanged about his neck, and that he be drowned in the depths of the sea" (Matt. 18:6).

Thus God has given Christian parents ultimate spiritual authority, or headship over their children. Even if the child has not yet received eternal life, he or she is protected under the covenant of the parent's commitment to Jesus Christ to an incredible extent. The Lord has placed a strong hedge of protection around Christian families.

"Hast thou (God) not made a hedge about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land" (Job 1:10).

What does all this have to do with Masonic youth orders? It is the same question of leadership. Masonry is a false religious system, and its god is not the Biblical God. Therefore, temples of Freemasonry are temples of a false god; and Freemasons are, knowingly or not, priests of a false, Baalish system.

Please bear in mind that this is a spiritual principle and that it has little to do with the appearances or even the philosophies of these youth groups. None of these groups are allowed to meet without the presence of a Master Mason. They function solely under the charter of Masonic authority! They are also designed to draw young people into the adult orders, which means that upon being initiated the young man or woman is spiritually "adopted" into the Masonic family, even though they are not actually Masons.

Even the Christian youth, who has been adopted into God's family (Rom. 8:15-17) comes under this spiritual authority of Masonry as well when he joins the order. This cannot help but make them "double-minded" (James 1:5-8) at an already difficult phase of their lives.

No matter how apparently "innocent" the ceremonies and teachings of these youth orders are, they function under the

shadow of an anti-Christian spiritual power which the Master Mason brings with him.

No parent would knowingly permit their son or daughter to attend a coven of witches; and yet the same spiritual principality (Eph. 6:12) which presides over witchcraft, ALSO presides over Masonic ceremonies - the false god of magic and ancient pagan fertility cults from which Masonry proudly claims descent!

Fueling the Fires?

Thus the youth is walking innocently into a spiritual minefield, without warning, when they enter a Masonic youth order. They stand in Satan's territory and have opened a doorway in their lives to him to begin to corrode their very souls. They have broken down the hedge which God has placed around them! (Eccl. 19:8).

Not only that! At the very age when powerful emotional drives are running at peak, they are surrendering themselves to a spiritual power which is engineered to provoke lust! The very elements and symbols of Masonry, even as in witchcraft, are sexual in spiritual content. A young person who is receiving sound instruction at home would be having it subtly undermined by submitting to the headship of Masonic authority!

Masonry exalts human sexuality in a disguised way. The square and compass symbols actually represent the male and female reproductive organs. The "point within the circle" and the twin pillars are disguised forms of ancient talismans of paganism designed to invoke lust.

Thus, while teaching pious principles on the surface, these orders only serve to pour fuel on the already smoldering fires of adolescent emotion, and the God-given rights of the Christian parents are diluted by the very real authority of a strange god who appeals to all that is carnal in a young person.

Where Is Christ?

The desire to be "something special," and to "Lord it over others" is enhanced by these groups, which bestows impressive, high

sounding titles upon the officers ("Honored Queen," etc.) and dress them up in all the pomp of royalty! Crowns and scepters, satin robes and chains of office: these all serve to glorify the egos of the young people instead of conforming them to the humble image of Christ (See Phil. 2:5-9; Rom. 12:1,2).

Certainly these orders make a show of teaching "religion," but religion is not what our youth need. They need the Gospel of Grace! Subtly but completely, a doctrine of salvation by works and labor is taught in these orders, contrary to Scripture. The secrecy and elitism of these groups is both uncharitable and forbidden by Jesus Christ Himself, who forbade the taking of oaths (Matt. 5:34-37). True Christian love does not exclude, but rather embraces "whosoever will may come."

There Are Deeper Concerns!

Listen to the Prophet Jeremiah: "And they built the high places of Baal, which are the valley of the son of Himnon, to cause their sons and daughters to pass through the fire unto Molech; which I commanded them not, neither came it into my mind that they should do this abomination, to cause Judah to sin" (Jer. 32:35).

Elsewhere God specifically commands: "Thou shalt not let any of thy seed pass through the fire to Molech, neither shalt thou profane the name of thy God. I am the Lord" (Lev. 18:22; 20:1-5).

Now what is being spoken of was a particularly vile form of child sacrifice. Molech was a god of the Ammorites, an idol made of metal and heated up by flames from within. The child was placed in the idol's red-hot arms and one hesitates to even imagine the results. The Hebrews were forbidden by God to do this.

Yet, unthinkable as it sounds, the Israelites persistently fell into this precise sort of idolatry. They were so beguiled by the exquisite sounding promises of the priests of Baal and Molech that they willingly passed their sweet children through the fires; in spite of the repeated warnings of the prophets. Even the wise Solomon, one of the patron saints of Masonry, built an altar to

this god (1 Kings 11:1-8).

Horrifying as this may seem, in Masonry the same thing is happening to the young person on a spiritual level! The fires of Molech only consumed the bodies of those innocent children; the spiritual fires of the Masonic order corrodes the very souls of our youth! The "intention rites" which they put these young people through are unhallowed conflagrations which sear their consciences with a red-hot iron.

In our society today, there are enough "fires" through which our children must walk: drugs, sex, occult movies, and heavy metal music. Most of these the child chooses for himself, however, unknowingly.

But in the Masonic youth orders, the young person is often urged to join with the blessings of the parents. The very virtuous appearance of these Orders is what makes them the more dangerous. These teens are drinking spiritual poison in unlabeled bottles! They are coming under an un-Christian spiritual power which conflicts with the power of God and can only cause confusion to the teen.

Solomon wrote that "He that troubleth his own house, shall inherit the wind" (Prov. 11:29); and his life was tragic proof of that. His idolatry fractured the kingdom of Israel, and he did indeed "inherit the wind."

We are troubling our own house when we offer our children these pagan societies. We are creating subtle discord in their young hearts when we let them sit, week after week, under the shadow of Masonry, and yet expect them to be upright.

What Can Be Done?

Let us remember the "curse of the millstone," which Jesus said in Matthew 18:6, should be tied around the necks of those who lead children astray and try to pass our adolescents through more fires than our culture already subjects them to.

It is the unseen trap which is the most deadly, and their very souls are at stake. If you are allowing your young people to

partake in these societies, you need to get them out immediately! If you, yourself, are involved, you need to renounce them and repent before God! Only then will you have full victory which Jesus can bring.

It is important to remember, that as you draw your children from these "fires," they will also need to repent in prayer for their involvement. They can do this by asking a loving Savior to wash them clean with His blood and take the spiritual debris out of their lives! He is indeed "faithful and just to forgive us and to cleanse us from all unrighteousness" (1 John 1:19).

Chapter 3:

Introduction to the Problem

In John 7:4 we read: "For there is no man that doeth anything in secret, and he himself seeketh to be known openly. If though doest these things, show thyself to the world."

In Luke 8:17 we read: "For nothing is secret, that shall not be made manifest (rendered apparent or made known); neither anything hid, that shall not be known and come abroad."

The subject which we are about to discuss in detail is one which I have avoided for a long time. But because of the seriousness of its nature and the profound danger it presents to white Christians in particular, it is something I MUST face even though its revelation may bring personal danger and many may be offended.

I am praying that this book will engender more "light" than it does "heat." I do not ask that you agree with my conclusions, some of which will be rather startling in nature. I do ask that you are fair enough with yourself, to read this book to the end, before you consign it to the waste basket. Please do not be one of those smug persons who say by their actions: "Don't bother me with the truth, I have already made up my mind!" It is very possible, that before I have finished with this subject of Freemasonry, I will have to say with the Apostle Paul: "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16).

What is this "super-sensitive" issue we will discuss, that might cause this adverse reaction? No, we will not be discussing Judaism, although this has also become a "No! No!" in modern life. In the pages which follow, I will attempt to describe a dangerous phenomenon known as Freemasonry! We will look

into what it is, how it began, discuss its major purposes and then see the startling story of who is behind it!

To gain these answers, we will go to a number of sources, including writers who have been high ranking Masons who, when they learned the truth and found out the nature of the organization they had joined, had the courage to get out and expose it!

We will examine statements made by both the Lodge and its opponents. I ask that God will give us enlightenment, through His Word, the Bible, so that we may learn the truth, not what men would like to believe.

In Ecclesiastes 12:1, we read: "For God shall bring every work into judgment, with EVERY SECRET THING, whether it be good or evil."

A great American educator of an earlier day once said: "It must be a bad issue which cannot bear discussion. Truth always seeks the light."

Jesus said in John 3:19 - "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, BECAUSE THEIR DEEDS ARE EVIL."

There you have it!

It would seem from this, that most things which are done in secret are evil. In Ephesians 5:12 we read: "For it is a shame to speak of those things which are done of them in secret."

We are going to probe deeply into one of the most secret of all secrets - a secret which has and still does involve millions of men and which exerts untold control over the lives of all Americans.

What is this hidden force called Freemasonry?

To millions of members, in what is sometimes called the Blue Lodge, which makes up the lower ranks of Freemasonry, Freemasonry is a philanthropic, benevolent, fraternal order of men, who have banded together under the Christian banner of "world-brotherhood" for a common cause.

Often, however, hidden orders in society, have had ulterior

motives, not known to the "rank and file" members. Only the "elite" in the "upper echelons" are allowed to see the secret plans.

It may interest you to know that most of the lower orders of Freemasonry, do not realize there is a close connection between Masonry and anti-Christ Zionism, but this is an established fact of history which I will seek to prove to you.

The Talmudic (Jewish holy book) formulas employed by Freemasonry; the Jewish traditions which run through masonic ceremonies, all point to a Jewish origin, or to the work of Jewish connivers in the lodge. Behind the Zionists' urge to rebuild Solomon's temple, lies a virulent hatred of Christ and all things Christian and is found in the depths of Jewish secret societies.

We should remember, that the people of the Bible, in both the Old and New Testament eras, those who most translations of the Bible call Jews, should actually be called Judeans, since there were no people in the world known as Jews, until about 742 B.C., nearly 1200 years after the time of Abraham, where we find them fighting against Israel.

Since the term Jew, in the Bible, has no religious connotation and simply refers to those people who were living in the area of Palestine called Judea and which were made up of many races, and religions, therefore they should be properly referred to as Judahites or Judeans, rather than Jews.

The religion of the modern people we call Jews, was not the Hebrewism of Moses and the Old Testament prophets, but was a new, Cabalistic (occult) religion the Judeans brought back with them when a few returned from Babylonian captivity about 536 B.C. Today, this religion is more accurately known as Talmudic Judaism. At the time of Christ, the Talmudic scholars were called Pharisees. Many of these were Edomites who were related to Abraham through his grandson Esau (see John 8:33). While these sat in "Moses' seat" of authority (Matt. 23:2), they had already overthrown the true Hebrew religion, by what Jesus called "the traditions of men" (Matt. 15:6, 9).

These were the enemies of God and God's true Israel and were the ones with whom our Lord had a constant running battle while

He was here on earth. These were the ones who ultimately persuaded the Israelite people to kill their own Messiah (John 1:11).

One of the tenets of their plot was to return to Jerusalem from Babylon, rebuild Solomon's temple and from there establish control of the world. The above was taken from a discourse by Msg. George Dillion, given in Edinburgh, Scotland, in October 1884. The object of his message was to give a clear outline of the secret, atheistic organization, that was to aid the Judeans in their worldwide plot.

In spite of the fact that God had given repeated warnings to the Hebrew people through His prophets, they constantly refuse to follow His plans. God permitted them to kill His Son, Jesus Christ, and thus restore the hope of salvation to mankind "For by His (Christ's) stripes are we healed" (Isa. 53:5). When the Judahites turned their backs on God, the Kingdom was taken away from them and given to another nation (Israel), (see Matt. 21:43).

On account of their racial pride, the people who called themselves Jews, refused to accept the idea of a kingdom higher than their national life and refused to believe that anyone but they could enter this kingdom. When Christ was murdered on Mt. Calvary, at the instigation of the national leaders, they determined to work against God and His purpose and impose their rule on all peoples everywhere. This has been their purpose ever since and they make very little attempt to hide it.

Following the narrow, national outlook dictated by national pride, the modern people who call themselves Jews have continued on this road for centuries (Read Malachi 1:2-4, to get a better picture of what is happening now and what will be the end result.)

Over and over again, since Christ's atoning death on the cross, the Christian church has faced the persistent opposition of those who "say they are Jews and are not; but are of the synagogue of Satan" (Rev. 2:9; 3:9. Not my words but those of the risen Christ).

That the Jews eventually plan to rule the world is made adequately by their national leaders down through history! A letter from the Chief Rabbi of Palestine, appeared in The Irish Independent newspaper, Dublin, Ireland, Jan. 6, 1948, in which Rabbi Hertzob stated concerning the establishment of the Israeli nation in Palestine:

"Eventually it will lead to the inauguration of the true union of nations through which will be fulfilled the eternal messages to mankind of our immortal prophets."

The thinking of these New Age Messianic Jews, contains a two-fold corruption of all Christian nations. First by opposing the coming of our Lord, they oppose the only means by which mankind can come into a right relationship with God. Jesus said: "No man cometh to the Father, but by me" (John 14:6). 1 John 2:23 says: "He that denieth the Son, the same hath not the Father."

Secondly, Judaism seeks to impose their national ideals on all other nations. Thus the people whose religion is found in TalmudISM place themselves in direct opposition to the world order proclaimed by Jesus Christ.

In his book, Freemasonry In The 16th Century, William Walsh states:

It is no longer debatable that, if the false leaders of the Jews did not originate the secret societies to cover their own anti-Christian activities, they had a great deal to do with the business. The degrees and rites of Freemasonry are shot through with Jewish symbolism. The candidate goes towards the east, towards Jerusalem, he is going to rebuild the temple (destroyed in fulfillment of Jesus' prophecy) . . . The Grand Orient and Scottish Rites, sources of so many revolutions, are more militant and open and apparently more virulent than some of the others whom they are leading into a single, one-world organization by gradual steps.

It is certain there were Cabalistic Jews at the cradle of

Freemasonry, as proven by some of the rites they have preserved. According to Rabbi Stephen Wise, a leading Zionist of a generation ago: "When the Jews returned from Babylon, that was the end of Hebrewism and the beginning of Judaism."

Walsh goes on to state that Jews were in the confidence of Adam Weishaupt, the Bavarian Jew who organized the Illuminati Conspiracy in 1776, who recruited many members from Freemasonry. The lodges organized by Martinez de Pasqualis, a Jew of Portuguese origin, were "mystical," while others of Freemasonry were "naturalistic." (Rationalist - the doctrine that knowledge comes only from pure reason, without any aid from the senses. It is pure intellectualism, the doctrine which rejects all revelation and the supernatural.)

The Apostle Paul, speaking of men such as these said: "Professing themselves to be wise, they became fools" (Romans 1:22).

Freemasonry was in operation in Europe as early as 1527, where it was set up by Judaism as a secret society, or group of societies, in which its naturalism and anti-supernaturalism was kept secret and camouflaged. This contrasted with Judaism which openly proclaimed its hostility towards Christianity.

Both the "naturalists," and the Freemasons do not accept by faith, those truths which are made known to man through revelation. The fundamental error of Freemasonry can be found in its "naturalism."

In his book, *The X-Rays In Freemasonry* Jewish author A. Cowen, writes on page 6:

The Jews swarmed into it (Freemasonry) from the earliest times and controlled it through the higher grades and councils. They have controlled the ancient and accepted Scottish Rite since the beginning of the Nineteenth Century.

Chapter 4:

From the Horse's Mouth

This chapter appeared as a pamphlet titled Freemasonry - What Is It? It appeared in print in November 1980, and was authorized by the Most Worshipful Grand Lodge of A.F. & A.M. of the Commonwealth of Virginia. It has subsequent printings in 1982, 1984, and 1986 and was accepted by the Supreme Council, 33^o Ancient and Accepted Scottish Rite, Southern Jurisdiction, USA (Mother Supreme Council of the World).

On other words, what you are about to read, comes right "from the horse's mouth." In this chapter, you will discover what Masons say about themselves. In following chapters, we will discover what Masonry is really all about.

Freemasonry - What Is It?

Freemasonry means many things to many people. This is true not only of the person who is not a Mason, but applies to Masons themselves. Some of those who have been members of the Masonic Craft for many years are afraid to mention even the things which almost everyone knows about the fraternity. Others among us are convinced that Freemasonry is a secret society and that they, as members, are forbidden to talk about it to others whom they do not know to be Masons. Most of this is far from the truth and a word of explanation concerning this Fraternal organization may not be amiss. Freemasonry is a fraternity. (Keep in mind that this is what Freemasonic leaders say Masonry is all about).

Freemasonry is the oldest, and by far, the largest fraternal order in the world. Its lodges stretch around the globe and, like the

British Empire, it might well be said that the sun never sets on the Masonic Lodge. Fraternity means an association of friends and brothers, and that is exactly what Freemasonry is - a society of friends and brothers. It is not a benefit society in the sense that one becomes a member of it because of the insurance benefits which he may receive or which may insure to his family at his death. It is not an eleemosynary institution (a charitable institution), founded to collect and disburse charity or founded on the giving of alms.

It is not a secret society in that its Temples are openly marked and almost everyone in the community knows where they are located. The Grand Lodge publishes a list of the members of every lodge in Virginia. Many of the lodges have individual bulletins which carry the names of officers and of members as well. Thus it is, in the strictest sense of the world, a society with secrets and these are limited to its obligation, its modes of recognition, and is the Tiller which guards the Lodge from intrusion.

Freemasonry's Membership

Membership, because it is a fraternity, is limited to men. He who would become a member must meet certain recognized requirements - high standards of character and reputation. It does not require that its members subscribe to any particular creed, or belong to any particular church. Church membership does not keep one out of or secure him admission into any Masonic Lodge. The profession of a belief in God and in a future life are the sole religious requirements.

No one is excluded because of his membership in a particular church. There are, however, a few denominations which do not allow their members to become Masons, in some instances the mistaken impression had gone abroad that Freemasonry refuses admission to those who are members of certain denominations. It is the the church, rather than Freemasonry, that denies that membership.

How Does One Become a Freemason?

Many men do not understand the process of acquiring membership in a Masonic Lodge. No one is ever invited to become a Mason or to join a Lodge. Though all morally good men would be welcomed in any Masonic Lodge, the man himself must first ask some Mason about becoming a member. Once he has done so, the requested Mason will secure an application blank, called by our Lodges a petition, and he has taken the first step. He must have two Masons who know him to sign his petition, vouching for his character and his qualifications. He must also receive the unanimous ballot of the members of the Lodge to which he applies for the degrees, who are present when his petition is voted on.

Having passed this ballot, the candidate receives his first of three degrees which make up the symbolism of the Craft Lodge. This is designated The Degrees of Entered Apprentice. The second degree is designated The Degree of Fellow Craft, and the third degree is the Degree of Master Mason. Each degree is a separate entity and one is always an Entered Apprentice when he sits in a lodge on the First Degree of Masonry, no matter what his Masonic status may be. Each of these degrees has certain rights and privileges but all of the rights and privileges are attained only after the degree is received.

After he has received each of the degrees, the candidate must commit to memory a catechism covering the degree received. He must be examined in open Lodge and prove his right to be advanced thereby. This serves a useful purpose, for it assures the Fraternity that each will know himself to be a Mason and be able to recognize others of the Craft by their manner of speaking. He will be enabled by such knowledge to visit other Lodges where he is not known and must be examined to prove his right to be admitted.

Freemasonry's Origin

Freemasonry is ancient, having existed in some form for so long that many serious students have differed as to the time and place of its origin. There is evidence of a basic type of craft association

which antedate the Christian era. It survived various transitions which took place. during the Middle Ages. It was during this period that the word FREE was prefixed to the word Mason, because these builders were one of the very few classes of persons allowed to travel from country to country and to practice the builder's art wheresoever they went. It was these companies of Masons who constructed the beautiful cathedrals and other stately structures which dot the plains of Europe and the English countryside. These men differed in the main from others of the working crafts because they, possessing knowledge and skills not found elsewhere, were free men rather than bond servants.

Until the Sixteenth Century Masons were strictly an operative craft, bound together by the close ties found in the constructive guilds of the day. Early in the Seventeenth Century, men of prominence were admitted, not as craftsmen, for they were not skilled in the builders art, but rather as patrons. Gradually these men came to be known as "Accepted Masons." Thus, by the time the Seventeenth Century came to its end these Accepted or Speculative Masons were predominate in many of the older Lodges of Freemasonry. Today the Masonic Lodge is termed Speculative because its emphasis is on the moral philosophy which is its foundation, rather than the operative art of the Sixteenth and earlier centuries. The tools of the stonemason are used to symbolize moral virtues rather than build cathedrals.

The Grand Lodge System

On June 24, 1717, St. John the Baptist Day, the members of four old Lodges in London, met together in Grand assembly to form the grand lodge of England. That this was a Speculative Lodge is evidenced by the election of one styled Anthony Sayer, Gentleman as Grand Master. All modern Freemasonry traces its beginning under the Grand Lodge system of Government.

Freemasons came to America about the third decade of the Eighteenth Century when Lodges were established in New York, Pennsylvania, Massachusetts, Virginia, South Carolina and Georgia. American Freemasons can take pride in the part which members of this Fraternity have played in the history of this

country.

Many of the signers of the Declaration of Independence were Masons and the same statement is true of those who signed the Constitution of the United States. Famous men such as George Washington, Benjamin Franklin, Paul Revere, Lafayette, James Monroe and others whose names awaken memories of the founders of our country. Since our country's beginning, thirteen Presidents have been Masons.

Masons have also won laurels in other fields of endeavor and we find them prominent in government, in science, in sports, in entertainment, and finally in man's newest field, that of space exploration with Wally Schirra, Gordon Cooper, Virgil Grissom, and "Buzz" Aldrin, all bound by the mystic tie of Freemasonry.

Freemasonry - What Is It? Redux

It has a different connotation in different situations. Someone has written that Freemasonry is honesty in business; that it is fairness in work; courtesy in society; compassion for the sick and unfortunate; forgiveness for the penitent; love for our fellow man and reverence for God.

Yes it is all of these, but it is more, for Freemasonry is a philosophy to live by, the shadow of a mighty rock in a weary land.

We have seen what Freemasonic leaders say about Freemasonry, now let's take a close look at what it really is. Then you be the judge as to whether it is good for America or not!

Chapter 5:

A Former High-Ranking Mason Looks at Masonic Symbolism

From here on, we will get into the heart of Freemasonry, and there will be many of the Masonic members of the lower orders who will be furious by what they will believe to be a senseless expose of their Lodge and a revelation of its secrets. But the high ranking Mason who reads this, although he will be furious over it, will recognize the truth, even though he refuses to admit it. If I reach only one member of Freemasonry with the truth, the effort taken to write this book will be worth it. It is not written as a means of hurting any good person, but to expose a very present danger to those of us who are White Christians who love our country. This chapter will come from a brochure I received from J. Edward Decker, Jr., who works with an organization called Free The Masons Ministries. You can contact him at P.O. Box 1077, Issaquah, WA 98027. He would be most interested in corresponding with members of the Masonic Lodge, who may be concerned with what they have seen happen within their Lodge.

The question of the Christian stand regarding Freemasonry seems to confront our ministry at every turn lately, because I have seen the exact parallels of the Masonic legends and rituals carried throughout the "mysteries" of Mormonism and have studied deeply into Masonic origins, purposes and doctrines.

In doing so, I have had to come to grips with the sad fact that the esoteric doctrines of Freemasonry separate it, just as unequivocally as do those of Mormonism, from the Christian theology. This holds true of every branch of Masonry, from the

Shriners to the Blue Lodge, the Eastern Star, the Demolay, Job's Daughters and the Rainbow Girls! It holds true for the Scottish rite or the York rite!

I realize this will cause offense to many Masons, and for that I am truly sorry. But I would rather that the Masons be offended at me and then be restored to true fellowship with Jesus Christ than to remain silent any longer.

This word of warning is not to the Masonic Fraternity at large, but to those Masons who claim to be both Masons and Christians.

A recent newspaper insert, called Freemasonry - A WAY OF LIFE! appeared in many metropolitan areas. It pictured Freemasonry as a family-centered, fraternal, benevolent organization, as "American as apple pie!"

Not only does this article demonstrate the strength of Freemasonry among our political leaders (Both past and present), but makes much of its use of the Holy Bible and its foundational belief in God. Masonry has a strong representation in Christian denominations throughout the world. In many churches we visit, we find Masons involved as deacons, elders, board members, and even pastors.

Their claim and the claim of every Mason to the outside world is that Masonry and Christianity are totally compatible. They tell me that religion is the experience of relating to God, and Masonry the experience of relating to mankind. While separate, they can and do naturally coexist.

The article mentioned above explains its "religious" position this way. Masonry is NOT a religion in any sense of the word, yet it is religious. Church membership is not a requirement, yet membership in ANY is no bar to admission. There is nothing in the requirements of Masonry to prevent a Catholic, a Mohammedan, a Jew, a Buddhist, a Protestant, a Mormon, or any member of any religion from becoming a member.

On the surface, this might seem quite reasonable. I find no offense in being involved in social, civic and benevolent

activities with people of other religious backgrounds

But when it comes to my own personal worship of God, and His revelation to me of His Word, there are some very clear guidelines.

If Freemasonry is truly what it professes publicly, then "Bravo!" It is a welcomed 'fellowship! If it is being deceptive, then it should be exposed. It is that simple.

Let's see what Masonry TRULY teaches within its closed doors, through its own published documents. No "anti-Masonic" publications will be cited in explaining the TRUE Masonic theological position.

The key document from which I quote is the most readily available and universally approved doctrinal book of Freemasonry, *Morals And Dogma Of The Ancient And Accepted Scottish Rite Of Freemasonry*, by Albert Pike, Grand Commander (1859-1891). Its title page states that it was prepared for the "Supreme Council of the 33^o and Published by its Authority." Originally published in 1871, I will use the 1966 edition. Except where other sources are noted, I cite page numbers only when using this work. Emphasis within parenthesis are my own.

Masonry Described - The Custodian of Truth

[Masonry is] "The custodial and depository (since Enoch) of the great philosophical and religious truths, unknown to the world at large, and handed down from age to age by an unbroken current of tradition, embodied in symbols, emblems and allegories" (pg. 210). (This seems almost identical to what Talmudic Judaism teaches and what Jesus criticized the Pharisees of when He accused them of "Making the commandments of God of none effect by their traditions" [Matt. 15:6] -ED).

"Masonry is, in every sense of the word, except one, and that its least philosophical, an eminently religious institution - that it is indebted solely to the religious element which it contains for its origin and for its continued existence and that without this religious element it would scarcely be worth cultivation by the

wise and good."

"Freemasonry is NOT Christianity nor a substitute for it ... But the religion of Masonry is not sectarian. It admits men of every creed within its hospitable bosom, rejecting none and approving none for his particular faith... Masonry, then, is, indeed, a religious institution; and on this ground mainly, if not alone, should the religious Mason defend it."

The Foundation of Religion

"It (Masonry) is the universal, eternal, immutable religion, such as God planted in the heart of universal humanity. No creed has ever been long-lived that was not built on this foundation. It is the base and they are the superstructure" (pg. 219).

Temple of Religion

"Every Masonic Temple is a Temple of Religion, and its teachings are instruction in religion" (pg. 213).

Buddha The First Legislator

"The first Masonic legislator whose memory is preserved for us by history, was Buddha, who, about a thousand years before the Christian era, reformed the religion of Manous" (pg. 277).

Reverences All Reformers

"It (Masonry) reverences all the great reformers. It sees in Moses, the lawgiver of the Jews (there were no people called Jews until 750 years after the time of Moses, see 2 Kings 16:6), where they first appeared in Scripture - ED.), in Confucius and Zoroaster, in Jesus of Nazareth, and in the Arabian Iconoclast, great teachers of morality and eminent reformers if no more; and allows every brother of the order to assign to each such higher and even divine characteristics as his creed and truth requires" (pg. 525).

Not Creed-Bound

"The true Mason is not creed-bound. He realizes with the divine illumination of his lodge that as a Mason his religion must be

universal: Christ, Buddha, or Mohammed, the name means little, for he recognizes only the light and not the bearer. ("No man cometh unto the Father but by me," Jesus said, and we read in 1 John 2:23 - "Whosoever denieth the Son (Jesus) hath not the Father..." -ED.) He worships at every shrine, bows before every altar, whether in temple, mosque or cathedral, realizing with his truer understanding the oneness of all spiritual truth."

The Baalim

"Masonry, around whose altars the Christian, Hebrew, the Moslem, the Brahmin, the followers of Confucius and Zoroaster, can assemble as brethren and unite in prayer to one God who is above ALL the Baalim, leaves it to each of its initiates to look for the foundation of his faith and hope to the written scriptures of his own religion" (pg. 226).

The word "Baalim" is simply defined as "false god or idol." The Masonic author has included the God of the Christian in this category.

The Surface Of All Good

"Everything good in nature comes from Osiris -order, harmony, and the favorable temperature of the seasons and celestial periods" (pg. 476).

Osiris was the ancient Egyptian god whose annual death and resurrection personified the self-renewing vitality and fertility of nature. "The All Seeing Eye" is a Masonic representation of Osiris.

Masonry Conceals Its Truths

Masonry, like all the religions, all the Mysteries, hermeticism and Alchemy, CONCEALS its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misrepresentations of its symbols to mislead those who deserve to be misled; to conceal Truth, which it call Light, from them, and to draw them away from it. (Compare this statement, with the one made previously by the Masonic authority who stated,

Masonry is not secret - ED.)

Truth is not for those who are unworthy, or unable to receive it, or would pervert it; (pp. 105-106).

Lower Initiates To Be Deceived!

"The Blue Lodge Degrees are but the outer court of the Temple. Part of the symbols are displayed to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended that he shall imagine he understands them" (pg. 819).

(Remember now, this information comes from one of the most famous Masonic Leaders of modern times and is a plain admission that the Lodge deliberately misleads the men who are in the lower orders - ED.)

Worshipful Master - The Source Of Light

"Worshipful Master: The Head and Chief of the Lodge, the Source of Light, of Knowledge and the instruction in Masonry. He personifies the Sublime Art of Masonry and is the Spokesman thereof."

Obedience - The First Rule

"The first duty of every Mason is to obey the Mandate of the Master ... The order must at once be obeyed; its character and its consequences may be matters of subsequent inquiry. The Masonic rule of obedience is like the nautical, imperative 'Obey order, even if you break owners.'"

The Incomprehensible Bible!

"The teachers, even of Christianity, are, in general, the most ignorant of the true meaning of that which they teach. There is no book of which so little is known as the Bible. To most who read it, it is as incomprehensible as the Sohar" (pg. 105).

The Incomplete Bible

"All truly dogmatic religions have issued from the Kabalah and return to it. (Jewish books on the occult - ED.) Everything scientific and grand in the religious dreams of the Illuminati, Jacob Boehme, Swedenborg, Saint-Martin, and others, is borrowed from the Kabalah; all the Masonic associations owe to it their secrets and their symbols."

"The Kabalah alone consecrates the Alliance of the Universal Reason and the Divine Word."

"The Bible with all the allegories it contains, expresses, in an incomplete and veiled manner only, the religious science of the Hebrews. The doctrine of Moses and the Prophets, identical at bottom with that of the ancient Egyptians, also had its outward meaning and veils."

"The Hebrew books were written only to recall to memory the traditions; and they were written in symbols unintelligent to the profane ... thus was a second Bible born, unknown to, or rather uncomprehended by, the Christians; a collection, they say, of monstrous absurdities."

"One is filled with admiration, on penetrating into the Sanctuary of the Kabalah, at seeing the doctrine so logical, so simple and at the same time so absolute" (pp. 744 -745). (The "KABALAH" is a book of ancient Jewish mysticism and magic.)

Deities Of Masonry (The Energies Of Lucifer)

"When the Mason learns that the Key to the warrior on the block is the proper application of the dynamo of living power, he has learned the Mystery of his Craft. The seething energies of LUCIFER are in his hands and before he may step onward and upward, he must prove his ability to properly apply (this) energy."

Lucifer Is God!

"That which we must say to the crowd is - We worship a god, but it is the god that one adores without superstition."

"To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st, and 30th^o - The Masonic Religion should be, by all of us initiates of the high degrees, maintained in the purity of the LUCIFERIAN DOCTRINE."

"If Lucifer were not God, would Adonay (the God of the Christians) whose deeds prove his cruelty, perfidy and hatred of man, barbarism and repulsion of science, would Adonay and His priests, calumniate him?"

"Yes, LUCIFER IS GOD, and unfortunately, ADONAY is also God. For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods: darkness is necessary for light to serve as its foil as the pedestal is necessary to the statute, and the brake to the locomotive."

"Thus, the doctrine of SATANISM is heresy; and the true and pure philosophical religion is the belief in LUCIFER, the equal of ADONAY (Christ); but LUCIFER, GOD OF LIGHT and GOD OF GOOD, is struggling for humanity against ADONAY, the God of Darkness and Evil."

The Word of God, the Bible, clearly puts LUCIFER in his proper place and gives God's reasons:

Isaiah 14:12 - 15

12 How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which did weaken the nations!

13 For thou hast said in thine heart, I will exalt my throne above the stars of God; I will sit also upon the mount of the congregation, in the sides of the north;

14 I will ascend above the heights of the clouds; I will be like the most High.

15 Yet thou shalt be brought down to hell, to the sides of the pit.

Masonic ritual is connected with the recovery of the "Lost Word," presumed to be the name of God - supposedly lost

through the murder of the architect, Hiram Abiff, during the building of Solomon's Temple. This quest is attained during the ritual of the Royal Arch Degree. It is here that the Sacred Name Of The Deity Of Masonry is revealed. That name is JAOBULON, JAO is the Greek word for JEHOVAH, BUL is a rendering of the name, BAAL, ON is the term used in the Babylonian mysteries to call upon the deity Osiris.

The secret ritual of the craft prints the letters J.B.O. It states: "We three do meet and agree-in peace, love and unity-the Sacred Word to keep-and never to divulge the same-until we three, or three such as we, do meet and agree." Thus, no Royal Arch Mason can pronounce the whole sacred name by himself!

What you see represented, then as the god of Freemasonry, is a three-headed monster so remote from the Christian Trinity and so blasphemous as to damn the eternal soul of anyone who would dare to pronounce its name in a ritual of worship!

God Of The Mystic Shrine

The candidates for this ritual kneel at the alter of obligation with arms bound, leaning upon the top, heads bowed. There they are required to "assume a most powerful and binding oath, inseparably uniting yourself with us, and once taken, it can never be retracted or departed from."

This oath is curse enough, being four pages in length. Its penalty includes "Having my eyeball pierced in the center with a three-edged blade."

The revelation of truth is in the candidates sealing of the oath, revealing the true nature of the masonic god of the Mystic Shrine. "...and may ALLAH the god of Arab, Moslem and Mohammedan, the God Of Our Fathers, support me to the entire fulfillment of the same, Amen, Amen, Amen."

I Am That I Am

During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked: "Brother Inspector, what are you?" and he replies: "I AM THAT I AM." Can you imagine that? When

Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you" (Exodus 3:14).

Tell me how a Christian can take to himself the Biblical name of God of Israel? The God of the Christian faith said:

Isaiah 44:

8 "Ye are even my witnesses! Is there a God beside me? Yea, I know not any!

9 They that make a graven image are ALL of them vanity; and their delectable things shall not profit; and they are their own witnesses; they see not, nor know; that they may be ashamed."

The Master Mason - A God In The Making

"Man, is a god in the making, and as in the mystic myths of Egypt, on the potter's wheel he is being molded. When His light shines out to lift and preserve all things, he receives the triple crown of godhood and joins that throng of Master Masons who, in their robes of blue and gold, are seeking to dispel the darkness of night with the triple light of the Masonic Lodge."

"The glorious privileges of a Master Mason are in keeping with his greater knowledge and wisdom ... For him the heavens have opened and the Great Light has bathed him in its radiance."

"The Prodigal Son, so long a wanderer in the regions of darkness, has returned to his Father's house. The voice speaks from the Heavens, its power thrilling the Master until his own being seems filled with its divinity, saying, 'This is my beloved Son, (the Master Mason) in truth becomes the spokesman of the Most High. He stands between the glowing fire of light and the world. Through him passes Hydra, the great snake, and from its mouth pours to man the light of God.'"

Friend, there is only One for whom the Father uttered those words and He wasn't a Master Mason ... nor in whom I am well pleased.' He will it ever be so. Jesus Christ is God's only

mediator for me and you. Do not let any MAN ever tell you that he is, or that you may become, the spokesman for the Most High. Further, if you believe that God speaks through Hydra, the great snake, then your god comes right out of the pit itself!

Other Teachings And Practices

Masons usurp the priesthood of Jesus Christ. In the 19th level of the Scottish Rite Freemasonry, the initiate receives the degree of Grand Pontiff. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as to those of the Supreme Council of the 33rd^o. . . ."

At this time the "Thrice Puissant" anoints him with oil on the crown of his head and says: "Be thou a priest forever, after the order of Melchizedek."

After receiving the password (Emmanuel) and the sacred word (Alleluia), he is dressed in a robe of white linen and given a cordon (ribbon or sash of honor worn across the breast) of crimson color, with 12 stars representing the 12 gates of the "new city," and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel, and the twelve Apostles.

It must be pointed out that what has taken place here, is the Masonic priesthood taking upon itself the Holy Priesthood of Jesus Christ. That is a Priesthood that can be held by only One person and that one person is clearly defined in Scripture as Jesus Christ.

In chapters seven and eight of the book of Hebrews, we are told that it was ANOTHER Priest who would be raised up, not a group of priests! This Priest would be our HIGH PRIEST and would be able to save to the uttermost! He would have "endless life!" The holder of this Priesthood would be "holy, harmless, undefiled, separate from sinners, and made higher than the heavens" (Heb. 7:26). This is Jesus Christ, our Holy Lord and God!

This Masonic ritual takes Christ's Holy Priesthood from Him, and the Grand Pontiff boldly puts it upon his own breast. Even the use of Biblical words fails to cover up the adding in of the "signs of the Zodiac," a direct alliance with the powers of darkness and a demonstration of disobedience to God's Word. (See Deut. 18:19-12). Here it says that he who "useth divination" (consulting the signs of the Zodiac to tell the future), or is an observer of times (which is an ancient description of the astrologer who deals with the Zodiac) "is an abomination unto the Lord."

Here again we see the image of biblical truth. The Priesthood of Jesus Christ is given to the deceiver, Lucifer, the true god of Masonry, who hides behind its mystery, ritual and allegory to snare its prey.

Washed In Their Own Blood

In the seventeenth degree, or Knights Of The East And West, after the candidates have completed the initiation and after revealing the password (Jubulum) and the Sacred Word (Abaddon), the Senior Warden conducts the candidate to the elevated vacant canopy at the right of the "All Puissant."

This is suppose to represent the end of the world when all good Masons receive their reward by being conducted to a throne at the right hand of the All Puissant, having been purified by washing their robes in their own blood.

In the lecture which follows between the All Puissant and the Senior Warden, the Book with Seven Seals -which none but one can open (Rev. 5:5) - is twisted to represent "A Lodge or Council of Masons which the All Puissant alone has the right to convene or open."

The Fourth Seal is represented by a skull or "death's head," and Masons are told it "is the image of a brother who is excluded from a Lodge or Council." The Fifth Seal is represented by a "cloth stained with blood." The All Puissant identifies this as a symbol "that we should not hesitate to spill ours for the good of Masonry."

What a gross misrepresentation of God's Holy Word. First and foremost, it is Christ and He alone who "Hath prevailed to open the book and loose the seven seals thereof" (Rev. 5:5). To presume that honor and power is to deny Christ, or yet in deeper perversity, to replace His power and authority with that of the "All Puissant," even in the representation of the power to save and to enthrone. This is the very spirit of "anti-Christ!"

Again, another clue to the true identity of the Masonic Deity is revealed in the Sacred Word of the ritual, Abaddon. In Rev. 9:11 we learn that "they (the demons and workers from hell) had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon."

Masonic Blood Oaths Are Not Of Christ!

Throughout rituals of the Blue Lodges, and through the 33^o 's of Freemasonry the candidates are sworn to secrecy by blood oaths. Such as is the oath sworn by the Entered Apprentice or First Degree:

. . . binding myself under no less penalty than that of having my throat cut across, my tongue torn out by its roots, and my body buried in the rough sands of the sea at low-water mark.

The Master Mason swears:

. . . under no less penalty than that of having my body severed in two, my bowels taken from thence and burned to ashes, the ashes scattered before the four winds of heaven.

Raising The Dead

It is in this final Blue Lodge degree that the candidate is laid out "in death" and is raised from the dead by the Worshipful Master of the Lodge, who represents King Solomon and using the "strong grip" (or Lion's paw) of the Master Mason.

Let no Mason deceive you! We are facing again this replacement

of our Savior by the power and authority of Lucifer. Paul said that if anyone should preach any other gospel "than that which we have preached unto you, let him be accursed" (Gal. 1:8, 9).

The simplicity of the Gospel is this:

1 Moreover, brethren, I declare unto you the gospel which I have preached unto you, which also ye have received, and wherein ye stand;

2 By which also ye are saved, if ye keep in memory what I have preached unto you, unless ye have believed in vain.

3 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the Scriptures;

4 And that He was buried, and that He rose again the third day according to the Scriptures.

The infinite power of Jesus Christ was confirmed by Him when he said: "ALL power is given unto ME in heaven and in earth" (Matt. 28:28). This power belongs to Him alone! "For if by one man's offense death reigned by one; much more they that received abundance of grace and the gift of righteousness shall reign in life by one, Jesus Christ" (Rom. 5:17).

Jesus Christ was the one who rose from the dead. Jesus Christ is the only One who has the power to raise from the dead. Jesus Christ is the only One who can free us from the sting of death!

How can a Mason who calls himself Christian, allow himself to partake of a ritual resurrection by the power of Lucifer? This is Satanic! He stands, having been born again and raised from the dead as a Master Mason, through the power of the Masonic god, whom the God of Israel cast into the pit!

Masonic Oaths Above The Law

On the "five points of fellowship," he and his "savior" pass the sacred word: MAH-HAH-BONE!

Also, while in this position, the new Master Mason solemnly vows: "3rd, Breast to Breast: that you will ever keep in your breast a brother's secrets, when communicated to you and receive such, murder and treason excepted."

Pagan Communion - Eating The Dead!

Question: What is to us (Masons) the chief symbol of man's ultimate redemption and regeneration?

Answer: The fraternal supper, of bread which nourishes, and of wine which refreshes and exhilarates, symbolic of the time which is to come, when all mankind shall be one great harmonious brotherhood; and teaching us these great lessons: that as matter changes ever, but no single atom is annihilated, it is not rational to suppose that the far nobler soul does not continue to exist beyond the grave: that many thousands who have died might claim to be joint owners with ourselves of the particles which compose our physical bodies; for matter ever forms new combinations; and the bodies of the ancient dead, the patriarchs before and since the flood, the kings and the common people of all ages, resolve into their constituent elements, are carried upon the wind over all continents, and continually enter into and form part of the habitation of new souls, creating new bonds of sympathy and brotherhood between each man that lives and all his race. And thus, in the bread we eat, and the wine we drink tonight may we enter into and from of us part of us the identical particles of matter that once formed the material bodies called Moses, Confucius, Plato, Socrates, and Jesus of Nazareth. In the truest sense, we eat and drink the bodies of the dead; and cannot say that there is a single atom of our blood or body, the ownership of which some other soul might not dispute with us.

Come Out From Among Them!

If you are a Christian and a Mason, I exhort you in the name of your Savior, Jesus Christ, to:

"Come out from among them and be ye separate, saith the LORD, and touch not the unclean thing; and I will receive you" (2 Cor. 6:17).

"This is the stone which was set at nought of you builders, which is become the head of the corner. Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved" (Acts 4:11, 12).

"According to the peace of God which is given unto me, as a wise masterbuilder, I have laid the foundation and another buildeth thereon. But let every man take heed how he buildeth thereon. For other foundation can no man lay than that is laid, which is Jesus Christ" (1 Cor. 3:10-11).

"Whereupon God also hath highly exalted Him (Jesus Christ) and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; and that ever tongue should confess that Jesus Christ is LORD, to the glory of God the Father" (Phil. 2:9-11).

Choose One Or The Other

As Elijah called out to Israel in 1 Kings 18:18, 21:

Ye have forsaken the commandments of the Lord and thou hast followed Baal. How long will ye halt between two opinions? if the Lord be God, then follow Him. But if Baal, then follow him.

There is no other choice for you my Masonic friend. If you are a Mason and profess Christ as Savior, either renounce your Christian faith and follow Lucifer or renounce Masonry. There is no way you can cling to both!

Every Blue Lodge member who reads this book and especially this chapter, can no longer maintain his defense by claiming

ignorance. Today, Masonry stands revealed in all its Satanic deceitfulness. Today, you must make your choice.

Chapter 6:

Freemasonry - Satan's Door to America

This chapter, like Chapter Four, was written by J Edward Decker, of the Free The Mason Ministries. I believe you will find it an eye-opener.

When the average American thinks of Masonry, the thoughts are of Children's Burn Centers and Hospitals, and the Shrine Circus, where handicapped children are often carried to the front row seats in the strong arms of weeping men who are wearing the red Fezes of their fraternity. Rarely do we see a parade without these same Shriners driving up and down the parade route in their little cars and motorcycles, dressed in clothes out of the Arabian nights, bringing laughter to the children lined up along the way.

On more serious occasions, such as the laying of public building cornerstones, or at a funeral service of a Lodge members, these same men, dressed in somber attire, wearing their ornate sashes, medallioned chains of office and ceremonial aprons, will perform with solemn dignity the rites handed down through the centuries of their secret ritual - "Good men," they say, "becoming better!"

Yet, once you get past the good-old-boy fraternal act, the funny hats of the Shriners and the sheltered reputation of the local Blue Lodge Masonic groups, there is something beyond the colorful mask, an aura of mystery, power and intrigue, complete with under oaths of false gods, blood oaths, conspiracy and back room politics.

The Fez itself, is an example of the double meaning behind most of Freemasonry's facade. Worn and even carried to the grave with pompous dignity, the history of the Fez is barbaric and anti-

Christian. In the early 8th Century, Muslim hordes overran the Moroccan city of Fez, shouting: "There is no God but Allah and Mohammed is his prophet." There they butchered almost 50,000 Christian men, women and children, all in the name of Allah, the same demon god to whom the Shriners bow in worship (and proclaim him the god of their fathers) in the Shrine initiation ceremony.

The Shriner's blood oath and confession of Allah as God is found in the secret ritual book, *The Mystic Shrine: An Illustrated Ritual Of The Ancient Arabic Order Of Nobles Of The Shrine* (pp. 20-22).

One must realize that Allah is not just another name for God. Allah is the name of another god and in usual occult fashion, the initiate swears that he will be inseparably obligated to this "most powerful and binding oath," in advance, and that he may never retract or depart from it.

During the butchering of the people of Fez, the streets literally ran red with blood of the martyred Christians. The Muslim murderers dipped their caps in the blood of their victims as testimony to Allah. These blood stained caps eventually were called Fezes and became the Muslim badge of honor. The Shriners wear that same Fez today. The greatest tragedy is that the Fez is often worn by men who profess to be Christians themselves. It must cause God to weep.

A curious piece of the Masonic conspiracy puzzle in the founding of America is the actual layout for the Capital City of Washington, D.C. Actually it's as much the audacity of the thing as the conspiratorial nature of it. You see, the city was laid out in the form of key Masonic symbols, the "Square," the "Compass," the "Rule," and the "Pentagram."

Take any good street map of downtown Washington and find the Capital Building. Facing the Capital from the Mall and using the Capital as the head or top of the compass, the left leg is represented by Pennsylvania Avenue and the right leg by Maryland Avenue. The square is found in the usual Masonic position with the intersection of Canal Street and Louisiana

Avenue. The left leg of the compass stands on the White House and the right leg stands on the Jefferson Memorial. The circle drive and short streets behind the Capital form the head and ears of what Satanists call the Goat Of Mendes, or the Goat's Head!

On top of the White House is an inverted 5 pointed star, or Pentagram. The point is facing south in true occult fashion. It sits within the intersections of Connecticut and Vermont Avenues, north to Dupont and Logan Circles, with Rhode Island and Massachusetts going to Washington Circle to the West and Mt. Vernon Square to the East.

The center of the pentagram is 16th Street where, thirteen blocks due north of the very center of the White House, one finds the Masonic House of the Temple, which sits at the top of this occult iceberg.

The Washington Monument stands in perfect line to the intersecting point of the form of the Masonic Square, stretching from the House of the Temple to the Capital Building. Within the hypotenuse of that right triangle sit many of the headquarter buildings for the most powerful departments of government, such as the Justice Department, U.S. Senate, and the Internal Revenue Service.

It would be great to know that your nation's Capital is bathed in continual prayer and to believe that its building and monuments have been dedicated in prayer, but do you realize that every key Federal building from the White House to the Capital has had a cornerstone laid in a Masonic ritual and has specific Masonic paraphernalia placed in each one. Again, wonderful if we were talking about our one true God in all this, but such is not the case. The cornerstone of all these buildings have been laid in Masonic ritual, dedicated to the demonic god of Freemasonry, JAO-BUL-ON That is the secret name of the Masonic god, the Lost Word in the rite of the Royal Arch Degree. JAO is the Greek name for the god of the Gnostics "Iadabaoth or lao;" BUL is a rendering of the name "Ba'al" and ON is the Babylonian name for the Egyptian god "Osiris."

What we see represented in this name of the Masonic deity is a

three-headed pagan deity so remote from the Christian faith as to damn the eternal soul of anyone who would dare to pronounce its name in worship.

The Washington Monument actually represents the Phallic Principle upon which Speculative Masonry is based. From above, the monument and its circular drive, form the esoteric Masonic "Point within a circle." The Reflecting Pool bears its shadow image, with the illusion duplicated in the Lincoln Memorial.

Strange? Not if you understand the occult principles involved. The respected Masonic author and authority, Albert Mackey, states in Mackey's *Masonic Ritualist*; (pp. 62-63):

The point within a circle is an interesting and important symbol in Freemasonry. . . . The symbol is a beautiful but somewhat obtuse allusion to . . . sun-worship and introduces us for the first time to that modification among the ancients as the worship of the PHALLUS. The Phallus was an imitation of the male generative organ. It was represented usually by a column, which was surrounded by a circle at its base, intended for the cteis, or female generative organ. This union of the Phallus and the Cteis, which is well represented by the point within the circle, was intended by the ancients as a type of the prolific powers of nature, which they worshipped under the united form of the activity or male principle and the passive or female principle.

Winding about the streets of Washington, D.C. are hundreds of such applications of The Principle. They are there by design and we can barely touch the simplest. Our nation and leaders have been deeply effected by this occult power.

The news rocked the Nation, when *Astrology In The White House*, ran in *People's Magazine*, May 23, 1988. Nancy Reagan was manipulating the President's schedule based on astrological charts drawn up by a San Francisco soothsayer named Joan Quigley. It wasn't the first time the resident of the White House was doing a balancing act with stargazers. Teddy Roosevelt kept his own astrological chart, but it was usually the women in the

White House who consulted the mediums. First ladies Florence Harding and Edith Wilson, regularly consulted one Madame Marcia Champney and Mary Lincoln held seances in the White House. Those are just the ones who openly practiced the art of divination.

Whatever the reasons, we do know that the Bible strongly speaks about the fall of any nation whose leader defies the Word of God and consults mediums. The Satanic pentagram under which the White House sits is an open door through which Satan has access to the White House.

The Pentagram, or five-pointed star is, of course, both a Masonic symbol and an ancient symbol of witchcraft. With its point facing down (or south), it is especially found in Satanism. Satanists can be seen wearing the inverted pentagram; and it appears in many black magic books, including The Satanic Bible. It is also the signet of the Eastern Star, the lady's Masonic organization.

the pentagram is inverted and facing south, and its lowest point does rest upon the White House! What would this mean to someone with a Masonic or magical frame of mind? Bill Schnoebelen, a former Mason and Satanist, is now a Christian worker on the Staff of Saints Alive. He pointed out that such a deidth is a spiritual door to the occult, a planned invasion by the powers of darkness against this Christian nation. "We have been under siege from the first day our President walked into the Oval Office," he said.

Bill added that Albert Pike, the giant of Masonic philosophy who is entombed just 13 blocks from the White House in the House of the Temple, has identified the pentagram (or Pentalpha) as the blazing star which is at the heart of every Masonic lodge and which represents the star Sirius. Sirius has been known for 5,000 years as the great evil.

Bill emphasized that to the magician, the inverted pentagram has one use only, and that is to call up the power of Satan and bring the Kingdom of the Devil into manifestation on earth. Yet this very symbol straddles the corridors of our nation's power and is

aimed right at the White House.

This pentagram is found constantly at sites of ritual murders; and in the notebooks of teens who have become involved in Satanism and have ended up killing themselves. In the Arizona Republic, 11/27/88; Section B, an article by Bill Donovan and Mark Shaffer, talks about three teenage suicides. The authors quote a school administrator: "All you have to do to know we have a large problem on our hands is drive down the street. There are pentagrams everywhere, on stop signs, buildings, trash dumpsters, even one that's on the post office. Pentagrams are five pointed stars used as a symbol by practicing Satanists."

It is evident that death, destruction and carnage follow this symbol everywhere. It is a key that opens the door to hell; at least according to sorcerers. What does the Bible say about it?

This star, which has been identified in the Bible as the accursed "tabernacle of Molech, and the Star of your god, Remphan, figures which ye made to worship them . . ." (Acts 7:43, cf. Amos 5:25-27). This "star" is an idolatrous image sullied by untold centuries of debauched worship; and yet it is carefully placed right upon our nations capital.

Every bit as staggering is the fact that the central symbol of the Congressional Medal Of Honor, this nation's highest military award for bravery, is the pentagram. The five pointed inverted star, within a circle is the highest form of Satanic expression, representing Baphomet, The Goat Of Mendes, or the embodiment of Lucifer as god!

Of course, nearby the main part of Washington, D.C. is one of the famous and distinctly shaped buildings in America, the Pentagon. Although most recognize the Pentagon as the nerve center of our nation's defense establishment; few realize that the Pentagon itself is a geometric design used in magic and witchcraft as well.

The Pentagon, through its use of the number 5 is associated profoundly with the planet Mars and the ancient god of war, called variously ARIES, HORUS, or MARS. This is because Mars is the fifth planet on the magical diagram, the Tree of Life;

among other reasons.

The Pentagon is also one of the two secret symbols of the highest levels of Freemasonry, the ANCIENT AND ILLUMINATED SEERS OF BAVARIA (aka the Illuminati) - the other being the Pentagram. It may be observed that every pentagram has a pentagon within it; and that every proper pentagram can fit perfectly point-to-point within a pentagon.

Thus, the magician sees the Pentagon as a gigantic talisman of war or battle. Bill Schnoebelen points out that throughout the witchcraft underground in the U.S. there has been circulated a rumor that a demonic war-god is imprisoned inside the Pentagon and that he is what keeps causing wars. During the anti-war movement of the Vietnam era, in the midst of a demonstration at the Pentagon, some "witches for peace" were actually present and actually attempted to levitate the Pentagon and "exorcise" the demon god YOG SOTHOTH from within. Needless to say, the building remained unlevitated.

Freemasonry boasts 16 Presidents, including Ronald Reagan, 41 Federal Judges, 60 Congressmen, 14 members of the Judiciary Committee and 18 Senators. One can only guess at the numbers involved within the many governmental departments. There is no doubt that Masonic conspirators plotted against this nation from its very inception to the present hour. Thank God that there have been that many real Christians praying for this country and its leaders, to keep a righteous God from bringing deserved judgment against this nation.

Is it any wonder that the battle seems so difficult? How have such evils like greed and conspiracy within our nation's leadership been able to rock this nation? How has the Federal Judicial system become such a power cult that it is able to violate our inalienable rights with total freedom? How have such Biblical opposed acts as abortion and homosexuality become accepted and even welcomed practices? When did our people give up the right of freedom OF (and not FROM) Religion? When did we say it was OK for the practice of Witchcraft and Satanism in our government and schools. When did humanism

and the New Age philosophies replace Christianity as the Rock upon which this nation was built?

It began, when we allowed the soothsayers and worshipers of JAO-BUL-ON to lay out the National Capital as a giant, Satanic Talisman, an open door to the demonic world of darkness. IT'S TIME WE TOOK THIS NATION BACK!

Christian brothers and sisters, WE have the authority and power of the believer. WE have the Biblical promise and examples of the power of prayer, the miracle of intercession. WE have the need and the right to go to our knees in private and in our congregations to break the power of these demonic abominations in our Nation, Church, and families. LET US DO BATTLE IN SPIRITUAL PLACES (Eph. 6). LET'S CLOSE THAT NO-LONGER-SECRET door of the enemy in our NATIONAL CAPITAL!

To those of you may read this and make light of this urgent message, the Bible speaks directly of this national sin:

2 Corinthians 6.

14 Be ye not unequally yoked together with unbelievers; for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness?

15 And what concord (agreement) hath Christ with Belial? Or what part hath he that believeth with an infidel?

Then verse 17 says:

17 "Come out from among them and be ye separate, saith the Lord, and touch not the unclean thing; and I (God) will receive you."

Even Elijah called out to his ancient people:

1 Kings 18:18

18 "Ye have forsaken the commandments of the LORD and thou

hast followed Baal!"

1 Kings 18:21

21 I cry out, How long halt ye between two opinions? If the LORD be God, follow Him: But if Baal (be your god), then follow Him.

If you are a member of a Masonic Lodge, I charge you to choose Jesus Christ and the church, or the Lodge and Lucifer, but stop playing games with God, your family and your own soul. There is a good reason why Masons do not allow Lodge prayers to include the name of Jesus. It's not His temple you worship in, but that of JABULON, or Lucifer! You are not bound by these blood oaths! RENOUNCE JAO-BUL-ON AND HIS OATHS AND BE SET FREE!

* * * * *

I pray that you will choose Jesus Christ, repent and be set free from this wicked power unto whom you have submitted your soul. If this is your desire, remember we have this promise in 1 John 1:9 - "If we CONFESS our sins, He (Jesus Christ) is faithful and just to forgive us our sins and to cleanse us from ALL UNRIGHTEOUSNESS."

This is something your Lodge and your Lodge affiliations can never and will never do. If you have a desire to know more about this true freedom in Jesus Christ, write to: FREE THE MASONS MINISTRY, P.O. Box 1077, Issaquah, WA 98027.

* * * * *

It has been truthfully said that aliens control our country by controlling Congress. We have not had a truly American Government in Washington, D.C. for well over fifty years, no matter whether Republicans or Democrats have been in power. This alien control is seen when we take into account that there is very little change in government policies, when we see a change of Administration from one major party to the other. They are all controlled from the same international sources. Strangely enough, the majority of this pressure comes from a group of people we know as Ashkenazi Jews. This group, working with

the Esau-Edom population of the United States, makes up about 95% of the present world Jewish population. We have been led to believe by Jewish statistics that this number is around 15 million, although, personally, I have reason to believe it is much higher. The Esau-Edomite Jews have been a parasitic people who have never been able to exist on their own, so we find them interbreeding with anyone who will help them. They have made tremendous inroads into the royal families of Europe and have contaminated the royal blood line of King David until it is difficult to tell the difference between the Jew and the Israelite.

On pg. 76, of Rabbi Jack Moline's *Growing Up Jewish*, we read:

For years, anti-Semites have accused Jews of controlling Congress, and for years it has been denied. Ironically, as of 1984, the Jews do control Congress. A recent survey of the 435 representatives, shows that for all practical purposes, 219 are practicing Jews. Interestingly, twelve members of the Black Congressional Caucus are Ethiopian Jews. On the Senate side, an astounding 62 out of 100 Senators identify themselves as Jews. (What he means by this I am not sure; possibly that they are Christian Zionists who vote the straight Zionist ticket every time - ED.)

Appropriations to the State of Israeli are so high, because all 62 Senators have responded to the United Jewish Appeals with the cliché: "I gave at the office." Then suddenly they realize it was a matter of public record.

What we are going to seek to ascertain in the remainder of this book, is how this Talmudic Jewish influence has permeated Freemasonry and further increased the dictatorial control over the Christian world.

Chapter 7:

The Talmudic and Masonic Zoo

Before we get into our in-depth discussion of the Masonic Lodge and its connection with Zionist Talmudism, I believe it would be beneficial for us to look at some of the multitude of symbols which are used in worldwide Freemasonry and discuss their implication.

A great deal of the information in this chapter comes from Dr. Shepherd, a Mason for many years, who rose to a high degree before he became a Christian and saw the desperate need of exposing the Lodge. Dr. Shepherd is one of those rare, brave men, to whom God and country mean more than popularity and personal safety. He has literally put his life on the line in order to expose this evil which has crept into our midst, in the "guise of sheep's clothing."

What I will share with you in this chapter, is a series of letters he wrote to me regarding Freemasonry and their ZIONIST CONNECTIONS. These letters may seem to be somewhat disconnected, but if you read them all, I believe you will see the underlying message.

Both TalmudISM and Freemasonry are awash in animal symbolism. Each has its place in the ritual worship of the Talmudic and Masonic god.

First Letter:

"The Masonic Lodge is the Jew-lodge and every lodge is - no matter what name they use, Masonic or Jew. The fact which deceives so many, is that various names, titles, and lodges are given, but when you get to their roots you will see; First that a

Jew started it; second, a Jew will be its Supreme Commander, or Grand Dragon as the Jews call them. Jacobites, Rosicrucians, Knights Templar, Eastern Star, Shriners, are for all intents and purposes all Freemasons. These have fought my attempts to expose them and four attempts have been made against my life. Why? Because I know too much about them and try and alert others. In this first letter, I intend to show you who the Great Beast of Revelation 13 is and when I point this out, you will probably say: 'Why didn't I see this. before?'"

Revelation 13:1 and 2

And I stood upon the sand of the sea, and saw a beast rise up out of the sea ... and the beast which I saw was like unto a leopard, and his feet were the feet of a bear, and his mouth the mouth of a lion.

The word Cush is used many times in the Bible to represent peoples from Africa and means Leopard to many people. When Jacob prophesied concerning his family in Genesis 49:9, he said of Judah:

Judah is a lion's whelp: from the prey, my son thou art gone up; he stooped down, he couched as a lion, and as an old lion; who shall rouse him up?

The modern Ethiopians called themselves Cushites, or Leopards In Revelation 11:8, we read about "that great city, which spiritually is called Sodom and EGYPT." The Great image of the SPHINX is found in Egypt, near Cairo and is known in that part of the world as The Great Cat! In the Egyptian Book of the Dead the great god Toth says: "I am RE, the MAUMAU" MAU and Leopard have the same meaning!

In Genesis 4:7, when God spoke to Cain, after Cain became angry because God did not accept his offering, God said: "... sin lieth at the door." The Jews who translated this deliberately changed the meaning of this verse, for the Chaldean word for SIN, as used here is CHATTAH or CHEETAH or Leopard. The word "lieth" should be "couches," and is the act of the female cat

as she prepares to breed. In other words, this verse should have read: "The leopardess couches before you."

When the question arises as to who was Cain's wife, the answer of course was she was the Leopardess, not the animal cat, but a human witch.

Note how closely the HolyCAT (CATHolic) is bound up in these verses. Don't say: "That's Rome," since Rome is only a small part of it. All seven churches in the book of Revelation claim to be catholic. The Apostle's Creed in its original form read: "I believe in the holy catholic (universal) church." Catholic goes back to the Garden of Eden and Genesis 3. In Numbers 26:44, we read about the JESUITS Have you ever heard that name before? Of course you have! The JESUITS are the HOLY-CATS (CATHolics) Old Cain was a CATHolic who sacrificed the EU-CHRIST.

A close perusal of Albert Pike's monumental work on Masonry, Morals And Dogma, takes the Masonic Lodge back to Cain.

Second Letter:

Surprising enough, I begin my discussion of Freemasonry with Genesis 3:1. This serpent was not a snake. The Hebrew word under here is NAHASH The Navajo Indians still use this word today, it is pronounced NAH-GAH-OSHEE and means: "witch doctor; guru; voodoo; sorcerer." That's what Cain was!

In Genesis 3, the Creator said to the "serpent," "on thy belly you shall go." But it should have read: "On all fours shall you go." A cat travels on all fours doesn't it? Since nahash is a witch, and a cat is always associated with witches and witchcraft, I believe the serpent was a cat.

For further proof - What did Adam and Eve do when they disobeyed God by eating of the forbidden fruit? The Bible says they hid themselves among the trees of the garden, this is a characteristic of the cat.

The Leopard, LEO (Lion), PAN (PANther) all come from the same word. Here are words with a similar meaning: pard; panther; panthera; (PANTHERA is "female"); MAU; PUMA; CHATTAH; CHEETAH; Cush; Nimrod. Each of these were

HOLY CATS and were worshiped in their area and today, the cat is worshiped worldwide. In Central and South America it is the JAGUAR. But note carefully that the cat is named after Cush. This is what the Jews call "transmigration of the soul." The cat, according to them, is actually Cush living in the cat. This is why many Africans call themselves Cushites.

(Author's note: When I was a Game Warden in Ethiopia, 1958-62, I was impressed by the reverence the animist [worshippers of the spirits of nature] natives had for the Hyena, called "fisi," which is one of the most horrible of the animals God created. In this part of the country, when a man or woman becomes too old to work, or benefit the family, they are often left outside the village fence and become living prey for the hyenas. The natives themselves, will not kill these horrible animals, although they prey on both human and cattle, because they believe the spirits of their ancestors, who the hyenas have devoured, live on in the animal.)

The big cat is the LION. The mouth of the LION is its most dangerous part and the MOUTH of the ancient family was called the PATRIARCH.

This opens a fact which has been hidden for thousands of years. We know that Catholics literally worship ST. PETER, he his called PATRA-arch, which means ANCIENT STONE.

It is interesting to note that the word HAM is HA'MER or STONE. The PATRA-arch of the family is the ANCIENT STONE of the family. Since the head of the family, HAM was called the LION, therefore the church calls itself CATHolic.

If you will look closely at any picture of the Great CATHedral of Babylon, some call it the TEMPLE you will notice on each side of the entrance, a large stone lion with a man's head. The word "HEDRA," from which the last part of the word CAT-HEDRAL comes, means "head," or in most cases "cat's head." This does not refer to leopards or cheetah's but to the King of Beasts, the LION. Thus the head of the ROMAN CATHOLIC CHURCH, St. Peter, is known in Egypt as PTAH, which means "Ancient Stone."

In the Egyptian Book of the Dead, the word mouth is the LION. PTAH was Egypt's great god. The Bible tells us that Egypt is the land of HAM. You make the connection.

In CHALDEAN the Word BAB also means "mouth." Thus again "the LION'S MOUTH." The Leopard also has a mouth like a LION and the native word for him is pard. What is a pard? It is a PANTHER LION-Leopard the mouth or religion. In the U.S. the religion of the Beast is LIONISM or HAMISM or more commonly known as BABYLONIANISM Revelation 11:8 refers to "That great city Babylon in Egypt." It is symbolic, since there was no great city in Egypt called BABYLON

It is interesting to note, that when you travel to Egypt and see the great SPHINX, you see a cat body with a human head, the same as in the doorway of the BABYLONIAN TEMPLE.

Many Jews carry a "cat's paw." Twelve LIONS stood on the six steps leading to Solomon's throne and Jacob said that JUDAH, representative of the Jews was a "crouching lion," (Gen. 49:9).

The cat represents a witch, witchcraft and the word "cat" in the ancient tongue meant "whore." This is where the term "cat house" came from. The cat is also called a "Pussy," which is the vulgar term used for a woman's sexual parts. These things, unknown to most Christians, had their beginnings from the time of Cain.

Third Letter:

Eve's penalty for eating the "forbidden fruit" was "death." (Gen. 2:17). When Cain offered his sacrifice to God, it was refused, not because it was a vegetable sacrifice, as some preachers say, but because it was "devil's bread."

The root word for CAIN, or CANA, is "black" and this takes us to the root of Freemasonry The Masonic password is TU-BAL-CAIN (See Gen. 4:20-22). It is CAIN, or the devil himself who admits one into the Masonic Lodge. If you don't want to take my word for it, then take the word of a strict Jew-Mason, who was converted to Christianity and had his life completely changed, the Apostle Paul. In Philippians 3:2 he says: "beware of DOGS,

beware of EVIL WORKERS, BEWARE OF THE CONCISSION." (The Greek word for "conciession" is "karatome" which means: "to mutilate." Like in "circumcision.") Masons call themselves DOGS.

In Isaiah 56:10 we read about ". . . dumb dogs that cannot (or will not) bark; sleeping, lying down, loving to slumber. Yea, they are greedy DOGS which can never have enough (are never satisfied) . . ." In John 8:44 they are called: "Of their father the devil," an apt description for Masons and Jews alike.

The MAFIA, KGB, CIA, MOSSAD, the spies of Masonry are the DOGS or DEVILS of Freemasonry. There is not a place on earth which is free from their spies. On every continent, in every country, city and town, these spies are present.

Albert Pike, the chief "guru" of Masonry, says that Masons call their god The Great Architect. If you read Genesis 4:17, you will find the name of the first Mason, CAIN, the builder, the architect.

Archaeologists do not know who built the Great Pyramids of Egypt, the greatest building project the world has ever known. They do not know who erected the mammoth images on Easter Island or the monoliths of Stonehenge, or the pyramids in Mexico on this continent.

Could CAIN have been called The Great Architect, because he built the first recorded city? Could the builder of the Egyptian pyramids have been called The Great Architect? Do you doubt that Masons are builders? Jesus hints at this when He spoke to the Jew-Masons in Matthew 21:42 and told them: "... The stone which the builders (masons) rejected, the same is become the head of the corner."

If Masons worship Lucifer, as Albert Pike affirms, then The Great Architect Of The Universe must of necessity be the devil - the Black Dog.

No one has ever been able to figure how the mammoth stones of the Great Pyramid, many weighing a hundred tons or more, were lifted 490 feet to be fitted in place. We have no modern

machinery that can accomplish this. Could it have been done by demonic power?

(Author's note: When I was in Ethiopia, I became acquainted with a Coptic priest who was a graduate of Cambridge University. He showed me the massive obelisk at Axum, the ancient capital of the Queen of Sheba's Empire. This huge stone is 97 feet tall, by 24 feet at the base and is estimated to weigh about 2700 tons. It is hewn from a solid piece of black granite, the closest quarries of which are in Yemen, across 400 miles of land and the Red Sea. This monument, which is over 5,000 years old, was erected on a mountain plateau, about 7,000 feet elevation, which means this huge stone would have had to be moved up an almost perpendicular cliff, some 2,000 feet from the valley below. Again, modern engineers marvel at how this was done. This Coptic priest told me that the ancients had the power of "levitation." They were able to overcome gravity, he told me, through "spirit power." Is this how the Great Pyramid at Giza, Egypt was erected?)

Could it have been demonic power that made these feats possible? The Apostle Paul tells us in 2 Thes. 2:9 about one whose coming would be "after the working of Satan, with All Power . . ." Does Satan have the power to move huge stones?

There is an authentic account of a scientist who was in the Amazon in 1987 and watched as natives erected a pyramid, moving huge stones into position through "spirit power." No, my skeptical friends, there is little doubt that Satan can lift huge stones and that the builder of the Great Pyramid was the Great Architect.

Fourth Letter: The City Of Devils

1 - In Arabic, the word CAIN, or CANA means "devil." In Revelation 18:2, we are told that great BABYLON has "become the habitation (dwelling place) of devils, and the hold of every foul spirit . . ." The first city, built by CAIN, was a "city of devils."

2 - ENOS, or ENOCH, after whom this first city was named, was the son of CAIN. This city was utterly depraved.

3 - LAMECH - the great-great-great (I think I have this right) grandson of CAIN married a woman whose name was ADAH. It is interesting to note that in India today, ADA or ADAH, is one of their most feared goddesses. She can cast deadly diseases on persons, they believe, on animals and even fish and crops and has been known to have her adherents burn the houses of those who refuse to sacrifice to her. ZILLAH, LAMECH'S second wife, means "shade," "ghost," or "demon." The question might be asked: "Is it possible for a man to live with a demon in a woman's form?" I believe it is and that demons can take any form they desire. There are documented reports of men who had lived with demons in human form. (Unfortunately, Dr. Shepherd does not give us this documentation -ED.)

4 - GIANTS - Genesis 6:4. The word used here for GIANTS is GIGANTE which does not refer to men of great size but to "demon possessed men." Could this be the meaning of verse 5 which says:

And God saw the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

In other words, these men were "devils; witches; swamies; Masons."

5 - HAM was the founder of the city of SODOM after the Flood. Would you call this a "city of devils?"

6 - The TOWER OF BABEL (Gen. 11:1-5) was built by Cush the "Great Cat," and Nimrod, the "hunter of men." Would you call this tower an evil place? All these places mentioned, were built by the Masonic god, The Great Architect.

7 - The PYRAMIDS were probably built by the same god.

8 - SOLOMON'S TEMPLE, which many people believe was built for the glory of God, was a "temple of the devil.." It was erected for the worship of Lucifer, the Masonic god and this is why it is so important in Masonry.

9 - JEZEBEL -this evil woman, who led her husband, the king of Israel and the Israel people into idolatry, was a witch. We see her

mentioned in the "end times" as seducing the church at Thyatira (see Rev. 2:20).

10 - JERUSALEM - Many false religious prophets have taught that this was the "holy city." Not so! There is no letter "3" in the Hebrew language, so the name of this city in Palestine is GURU-SALEM "OU" means "black," "RU" means "stones." Why do the Jews and Masons want that place in Palestine? Because it was and is the BABYLONIAN SYSTEM. In Isaiah 57:3, 6 we read:

But draw near hither, ye sons of the sorcerers (witches)
among the smooth stones of the stream is thy portion . .

The "smooth stones" represent the high gurus, witches, sorcerers, and officials of Judaism and Freemasonry.

11- MYSTERY BABYLON - Called in Revelation 18:2 "the home of devils . . ."

Masonry, my dear brothers, is of the devil. It is the city of the devil. It is:

- a. -The "great hypocrisy."
- b. -The "great conspiracy."
- c. -The "great beast."
- d. -The "great whore."
- e. -The "great sorceress."

Fifth Letter:

When Adam and Eve sinned, God made them coats of skin. Our pastors have told us these were sheep skins. I believe they were the skins of the lion and leopard and this is the reason why heathen high priests still use these skins as a sign of their high office.

In their KABALLAH, the Jewish Talmud-MISHNA, the Jewish rabbis say: "Ham smuggled and hid the coat of Adam in the ark and used it after the Flood to gain power." Could this have been the same garment that Achan took at Jericho (Joshua 7:21), some believe it was. The Talmud says that Nimrod had received this garment which gave him great power and that this was stolen by

ESAU, when he assassinated Nimrod. This is the reason, they claim, that Esau was so exhausted the day he sold his birthright to his brother Jacob (see Gen. 25:30-32). The story goes that he had been fleeing from Nimrod'S MEN, after he had killed their king.

The NEW AGE of Freemasonry is nothing new. It is the same old demonism, Satanism and voodooism which has been practiced worldwide since the Garden of Eden.

The god that Masons demand their "proselytes," or initiates worship is Satan or Lucifer (see Matt. 23:15). This is confirmed by Albert Pike in his *Morals and Dogma*. Masons believe there are two gods - brothers, if you will. There is Lucifer, the "good guy," whom they worship, and Adonay-Jesus Christ, who is the "bad guy." A constant warfare is going on between these forces of "good" and "evil." But of this you can be sure, The Great Architect Of Masonry is not the God of the Bible, or Christianity. Their symbol worldwide is that of the cat.

It is interesting also to note that God calls Pharaoh, the king of Egypt, "the great dragon," (Ezek. 29:3). This is the same term used in Rev. 12:9. It does not refer to a man. You no doubt have heard Egypt called the "land of the Pharaohs?" But in all actuality, it should be called "the land of the devil."

Ignorance of facts is the destruction of our white, Christian people. Hosea 4:6 tells us that "My people are destroyed for lack of knowledge." Not "lack of education," but "lack of knowledge."

* * * * *

I would like to thank Dr, Shepherd for his contribution. Many of you, no doubt will not agree with him and if you would like to contact him, please let me know.

* * * * *

In the next few pages, we will look at some of the occult symbols and advertisements which appear daily in American newspapers and magazines. Our country has literally been taken over by Satanism and the occult and both Judaism and Freemasonry has

given their consent.

Chapter 8:

Jewish Influence on Freemasonry

Beginning with this chapter we will get into an in-depth discussion of Freemasonry and the "Hidden Power" which makes it operate and successful.

Much has been said about the Jewish, or maybe it would be more accurate to say the Zionist, interests which influence Freemasonry. Few members of the lower orders know the significance of this, or its importance to them, This is especially true if they are Christians.

There is no doubt that the Zionist question MUST be linked with the Masonic question. At present, as in the past, Zionist world leaders, and men in high positions with the Masonic organization, have worked "hand in glove" for a universal world revolution, which will bring in the One-World Church and a One-World Government. Many Masonic Lodges are exclusively Jewish, as are the B'nai B'rith Lodges, the mother of the infamous and very dangerous Anti-Defamation League, which is an unregistered agent of a foreign government (Israeli) which has been allowed by our government to operate unhindered on American soil. Although this Jewish organization is totally illegal, such is the strength of both the Masonic and Zionist Lobby in Washington, D.C., that the Government refuses to do anything to curb their power or control their operations on American soil, often at the expense of American citizens.

Wherever you look, you will find Freemasonry upholding and defending Zionist interests, even to the detriment of the safety of this country. This in itself should give you a good idea of the

entwining interests of the two which can be seen in the seventy U.S. Senators who are Zionist controlled and vote a "straight Zionist ticket" when the interests of Zionism come to the fore. These men in Washington, who have taken an oath to defend this country and its Constitution from all enemies, both foreign and domestic, will vote for Israeli interests, even when they are contrary to the well being of this country. For all intents and purposes, these men are TRAITORS. in the Constitution, ARTICLE III, Section 3, gives a definition of TREASON, which is so clear that even a Fifth Grader can understand it. It says: "Treason shall consist only in levying war against them (the US.) adhering to their enemies; giving them aid and comfort." If what has been done for the Israelis in recent years, has not been "giving aid and comfort to our enemies," then I fail to understand the meaning of the English language.

For all intents and purposes, the A.D.L. has become an unofficial part of the U.S. Justice Department, giving them periodic biased reports on "terrorism and anti-Semitism" in the U.S., which is "extremely prejudicial" to Christian patriots. Every effort to investigate the power of the A.D.L. has been thwarted by establishment lawyers in high places, almost all of whom are either Jews and/or Masons.

There are two theories regarding the Talmudic influence in Freemasonry:

- 1.- That the Jewish leadership, worldwide, created Masonry in order to corrupt the nations of Christendom and propagate the final world domination for Zionism. In other words, this idea says that Freemasonry is merely a tool of world Jewry.

This idea is supported by an article written by Dr. Isaac M. Wise, a Jew, and published in The Israelite of America, Aug. 3, 1866. He said:

"Masonry is a Jewish institution, whose history, degrees, charges, passwords and explanations are Jewish from end to end."

One can easily believe this, if they compare the oaths of Freemasonry with those of the Talmud, which is the "life blood" of modern Judaism.

2.- Second, is the idea that Freemasonry was a good, sound institution in principle, but that revolutionary agitators, principally Jewish, took advantage of its organization as a secret society and penetrated it little by little until they gained control of it. These Zionists, they say, corrupted Masonry and turned it from its moral and philanthropic aim, to employ it for revolutionary purposes.

In support of this contention, we have the writings of such men as the Jew Bernard Lazare in his book *Antisemitism: Its History and Causes*, in which he states:

What were the relations between the Jews and the secret societies? That is not easy to elucidate, for we lack reliable evidence . . . they are not necessarily in the head, the soul, the Grand Masters of Masonry. It is certain, however, that there were Jews at the very cradle of Masonry, kabalistic Jews, as some of their rites prove.

Chapter 9:

Jewish Influence on Masonry Demonstrated

By Reason: These arguments can be summed up as:

- a.- Freemasonry is a secret society
- b.- Freemasonry is directed by an international minority, and,
- c. -Freemasonry has sworn implacable hatred for Christianity.

These are some of the same characteristics which can be found in international Judaism and which could prove Jewish influence in the Lodge. Jews have more to gain from Freemasonry than anyone else.

Note Carefully:

- 1.- Many of the external trappings of Freemasonry, such as its ritual, symbols, terminology, legends, etc., are of Jewish origin.
- 2.- The philosophy or religion of esoteric Freemasonry (that understood only by the inner circle) is practically identical to that of the Jewish Cabala.
- 3.- Certain small groups of Jews, of immense influence and wealth, are leading Freemasons, and;
- 4.- A larger group of very influential Jews, pursue the same goals as Freemasonry, using similar means and are in close alliance with them.

I believe it would only be honest to say here, that although the Jewish element in Freemasonry is of greatest importance, and

that Jewish Masonic leaders often exploit the Lodge for their own nefarious purposes, it is unjust to accuse all Jews, or all Masons of being involved in this scheme for world control. Many of the "Lesser Jews," the ones which you and I are most apt to rub shoulders with, just as many members of the Masonic Blue Lodge, know very little about this international scheme for world control, and are innocent dupes of a power that is over them. Many of these people are against One-World government, without realizing that their leaders are pushing them into it. These are the ones who must be reached with the truth. We know that it will be next to impossible to reach those in high positions, as their mind is already "set in cement," but we hope to reach those who have been "hoodwinked" into a society they really know very little about and which many of them would repudiate if they knew the truth.

The Jewish people have suffered, are suffering, and will suffer severely in the future, because of wicked, unscrupulous atrocities committed by the ruling Jewish-Masonic junta.

Chapter 10:

Modern Judaism

It is necessary for you to have at least a "nodding acquaintance" with the Babylonian Talmud, which is the heart blood of modern Judaism, in order for you to understand the influence it exerts on Freemasonry.

Modern Judaism, according to Jewish sources, is modern Pharisaism. Rabbi Louis Finkelstein, head of the Jewish Theological Seminary of America, in the foreword to his first edition of *The Pharisees, The Sociological Background Of Their Faith*, says on p.21:

. . . Judaism . . . Pharisaism . . . Talmudism became Medieval Rabbinism; Medieval Rabbinism became Modern Rabbinism. But throughout all the changes in name; the spirit of the ancient Pharisees survives unaltered.

Rabbi Michael Rondkinson, in his book *The History of the Talmud*, writes:

The source from which Jesus of Nazareth drew His teachings, which enabled Him to revolutionize the world . . . is the Talmud . . . the written form of that which, in the times of Jesus, was called the "Traditions of the Elders."

The falsity of this statement can easily be seen, when one does some research into this religious book of the Jews and then looks at the statements made by Jesus Christ in regard to them in both Matt. 15:9 and Mark 7:7, 13. In this latter Scripture, speaking directly to the Pharisees, He said:

You make the word of God of none effect through your tradition, which ye have delivered; and many such things do ye.

The Talmud is so filthy and absurd, that it is blasphemy to say that Jesus drew the teachings of Christianity from this religious cesspool.

The second major source of Judaism is the Cabala, sometimes spelled Kabbala. This is the mystic, corrupt, occult teachings that apostate Judeans brought home with them when they returned from seventy years of Babylonian captivity. The Talmud was begun about 500 B.C. and was finally completed, in its written form, about 500 A.D. at the great Jewish center in Alexandria, Egypt. It contains the arguments of leading Jewish Rabbis as they argue over points in the Jewish religion. Today, the vast majority of religious Jews look to the Talmud as their guide in religious and civil matters and it has rightly been called by them, the "heart blood of modern Judaism." In the minds of most Jews, it has replaced the ancient TORAH. Even in the time of Jesus, the Pharisees bragged about how they followed the teachings of Moses and were repudiated by Christ when He told them: "Had you believed Moses, you would have believed me; for he wrote of me." (John 5:46). In another place (Matt. 23:2)

The scribes and Pharisees sit in Moses' seat (in other words they had usurped the authority of Moses); All therefore whatsoever they bid you observe, that observe and do; but do not do after their works; for they say, and do not.

In other plainer words, they were "hypocrites" and this is what He called them to their face (See Matt. 23:15) - "Woe, unto you, scribes and Pharisees, hypocrites! for you compass (go over) sea and land to make one proselyte (convert), and when he is made, you make him two-fold more a child of hell than yourself."

Pretty plain talk, isn't it?

The Jewish apologist, Bernard Lazare refers to the Talmud as "the creator of the Jewish nation, and the mould of the Jewish

soul" (Antisemitism, p.293).

The Talmud is impregnated with hatred for Jesus Christ and the Christian church, although some of the more virulent passages have been removed from the English translations and are unknown to many liberal and non-religious Jews. They are still taught in the Jewish seminaries.

The Cabala was originally used to indicate that portion of the Mosaic law which was handed down by tradition. Since about the Thirteenth Century, however, it has come to refer to the esoteric (understood only by the upper elite) and occult doctrines of Judaism, which were learned in Babylon and are woven into the tapestry of Freemasonry. The most authoritative work on the Jewish Cabala can be found in the ZOHAR or Sepherla-Zohar, Which Is Part Of The 63 Volume Talmud.

These books contain the mystical, occult teachings of modern Judaism and Freemasonry and are often tied in closely with mystic occult teachings from the Far East. This system of occultism is sometimes called "hermeticism," named after the god Hermes, who was the Greek god of wisdom, corresponding to the Roman god Mercury. (We see his symbol in many areas of modern life, such as the telegraph service.)

This belief takes in "Theosophism," which means the "physical appearance of God to man." Christian Science, Neo-Platonism, Judaism and Jewish heathen Cabalism. It is actually part of the revival of the Gnostic heresies which played such havoc in the First century Christian church and which provided the Christian world of Constantine, with an acceptable substitute for Christianity. Their adherents are still attempting to do this in Freemasonry.

The major connection between Judaism and Freemasonry can be seen in the Cabala, where there is a very close association between the secret teachings and doctrines of Judaism and Freemasonry.

One school of thought is that Freemasonry was brought into existence by the Jews, for the destruction of Christianity. This view, of course, is accepted by acknowledged anti-Jewish

writers. However, it does not come into accord with established facts, since the Jews were excluded from many of the early English and French Lodges of the 18th Century.

The second school of thought is that Jewish Cabalistic tradition is one of the principle means through which Eastern occultism has been transmitted to the Christian world. This can be seen most clearly in the NEW AGE MOVEMENT, which has swept like wildfire through the Christian world in recent months. When men begin to lean on their own understanding, rather than the Word of God, and seek to "do their own thing," instead of obeying His law, they are easy prey for philosophies such as the NEW AGE.

Most of the leaders in Illuminism and Communism were initiated into the secrets by Jewish cabalists, as were early Masonic leaders such as Albert Pike. They drew their inspiration from secret Jewish writings. This can be clearly seen by an honest perusal of Pike's *Morals and Dogma*. (It can also be seen by reading Nesta Webster's *Secret Societies And Subversive Movements*, Chapters 7, 8 and 9.

Many of the Jewish cabalists were MARRANOS a name given to them in Spain, where they supposedly converted to Catholicism in order to avoid the persecution of the Inquisition. During the day, they were Catholics, sometimes even priests and Cardinals, but at night they would revert back to Judaism and in their secret enclaves, they followed the occult practices of ancient Babylon, even including human sacrifices. When war between England and Spain became a reality, many of these Marannos threw off their protective cloak of Christianity and openly reverted to Judaism and were welcomed by the English.

To see how these secret Jews operate, it is only necessary to look at the controversial book *The Protocols Of The Learned Elders Of Zion*. (Many who have read this far, will state: "But those have been proven to be counterfeit." This was disapproved in a Swiss court of law. But be that as it may, I would use the same argument used by Henry Ford, Sr., in 1926, when he said concerning the PROTOCOLS words to the effect that whether they are counterfeit or not, didn't really matter, because it was an

established fact that world Jewry was using them as a "blueprint" and were following them to the letter.)

I do not have time here to go into a discussion of this much maligned document, except to say that it follows very closely a much simpler blueprint of a similar document which printed in 1889, by James de Rothschild and was a copy of a document which was sent out to European Jews in 1289, by Rabbi Chemor, head Rabbi of France.

Chemor wrote to the Grand Sanhedrin of France: The advice of the Grand Satraps (world governors of the Jews) and Rabbis is as follows:

- 1.- Make your sons merchants, that little by little they may despoil Christians of their possessions.
- 2.- Make of your sons doctors and apothecaries, that they may take away Christian lives.
- 3.- Make of your sons, canons and clerics (clergies), that they may destroy Christianity from within. (There is hardly a Christian Seminary in America, which is not infiltrated by Jewish professors on their faculty).
- 4.- Arrange for your sons to become advocates and lawyers, and see that they mix themselves up with the affairs of the State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them.

- SIGNED: V. S. S. V. F. F. Prince of the Jews.

It is not difficult to see how international Judaism, especially Zionism, has followed this Protocol and how they have been helped into positions of world power by Freemasonry.

There is no question, among those who have studied the Illuminati and their plan for world conquest, that their leadership was composed almost entirely of Jewish Masons. Mirabeau, a French Jew, in his *Memoirs De Mirabeau*, vol.III, p.60, stated that the program of the Illuminati which involved him, came about because of his intimate involvement in the inner circle of Freemasonry. He was a member of the Lodge of St. Theodore, to

which Adam Weishaupt, the founder of the Illuminati, belonged. There is much evidence available that the program for revolution which was carried out in France, was formulated in the Lodges of German Freemasons, who formed the nucleus of the Illuminati in 1776.

(Although Weishaupt used Freemasonry as a step towards more power, he hated it and was its enemy.)

Arthur Pruess, an American author, in his book *A Study In Freemasonry*, shows the close connection between Masonry and the Jewish Cabal. He sums up his arguments from the celebrated Masonic leader, Albert Pike:

"All true dogmatic (stating an opinion without proof) religions come from the Kabbala and lead back to it; all that is scientific and great in the religious dream Of all the illuminated such as Bachme, Swedenborg, St. Martin, and others similar, is borrowed from the Kabbalah. All the Masonic associations owe their secrets and symbols to it."

In 1901, a German Mason by the name of Findel wrote:

It is less a question of a struggle for the interests of humanity, than a struggle for the interests and domination of Judaism. In this struggle, Judaism reveals itself as the dominant power to which Freemasonry must submit. Indeed, we should not be astonished by this, for in a hidden and carefully disguised manner, Judaism is already the dominate power in many lodges in Europe.

"So far as Germany is concerned, it must not be forgotten that it (Judaism) is the master of the financial and commercial markets, master of the press, both political and Masonic, and that millions of Germans are financially its (Judaism's) debtors."

It might be of interest to note that at this time, International Judaism was preparing the takeover of the world by the destruction of two great Christian nations in Europe. They knew that both Russia and Germany stood in their path of world aggression, so as early as 1900, the Jewish Cabal had a war chest

of some \$2-billion, laid aside specifically for the destruction of Christian Germany. This was long before a little Austrian "paperhanger" by the name of Adolf Hitler came on the scene.

The International Jewish Cabal, planned in its long range scheme of things, the ultimate destruction of Canada and the United States, in order to control the Western Hemisphere. Those of us who have been a student of the Jewish question, have seen this assault in operation in this country for over fifty years. (For those who would like more information on this phase of the conspiracy, I would suggest you write for my book *The Great Conspiracy*).

Nahmanides, Solomon ibn Adret, Joseph Caro, Moses Isserles, and Elijah b. Solomon of Wilna were not only supporters of the Cabala, but even contributed largely to its development. As these men were the actual representatives of true Talmudic Judaism, there must have been something in the Cabala that attracted them. It can not have been its metaphysics; for Talmudic Judaism was not greatly interested in such speculations. It must be, then, that the psychology of the Cabala, in which a very high position is assigned to man, appealed to the Jewish mind. - from: *The Jewish Encyclopedia*, Vol. III, "CABALA" pg. 478 (1903).

Chapter 11:

Early Records of Jewish Infiltration

The leaders of Freemasonry love to boast about their leadership in the French Revolution. So do the Jews! "When the Bastille fell," said Bonnet, the speaker at the Grand Orient Assembly in 1904, "Freemasonry had the supreme honor of giving humanity the chart which it had lovingly elaborated."

On August 15, 1789, the Constitutional Assembly of France, of which more than 300 members were Masons, adopted almost word for word, the form determined in the Lodges, which became known as the "Declaration of the Rights of Man." It was a simple denunciation of the Kingship of Jesus Christ, and membership in His body, the church. The French State openly declared in this Masonic prepared document, that they no longer acknowledged any duty towards God or Jesus Christ and that they no longer recognized the dignity of membership in the Christian church. It organized a vicious attack against Jesus Christ and His Kingdom, which has been carried on relentlessly until the present day.

That was their first step. The subservience of Freemasonry to Judaism soon showed itself. When the question of Jewish emancipation came up in the Constitutional Assembly (1789-1791), it was Masonic deputy Mirabeau, who linked up with the Jews of Berlin and A. DuPont, who rendered the first secret service of Judaism by Freemasonry. There were many more such acts to follow

By 1789, the French State had completely ostracized

Christianity, while admitting Jews to full membership. This accounted for the domination of state after state in Europe by the Jews. During successive Masonic revolutions from 1789 to the Spanish Revolution in 1931, the world had heard of the enlightening reforms which separated church from state.

With these reforms came a proliferation of divorce, secularization of education, the suppression of Christianity, the neutralization of private property and the unrestrained license of the press for the glorification of world Zionism and Masonry.

As early as 1922, the Assembly of the Grand Lodge of France began to work towards the formation of a United States of Europe, as the forerunner of their Federation of the World.

In North America - Canada and the United States - Masonry and Zionism worked hand in hand, as they invited these two Christian nations to give up their sovereignty and enter a world Federation which would be controlled by Masonic Jews. But we had enough patriotic Congressmen in Washington at that time, that their dream was disrupted and our entrance into the League of Nations was voted down.

In April of 1919, Mr. Outerdyke, the Dutch minister to Russia at St. Petersburg, wrote in a British "white paper:"

Unless Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world. It is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends, the existing order of things.

His warning went unheeded, in England particular

In G. K. WEEKLY, Feb. 4, 1937, renowned writer Hilliare Belloc wrote:

As for any who does not know that the present revolutionary movement in Russia is Jewish, I can only say that he must be a man who is taken in by the suppression of our deplorable press.

All branches of Freemasonry at their highest levels are essentially opposed to Christianity. As a rule, Freemasons admit the existence of God, but they themselves openly confess that they do not adhere to this truth. They allow their members the greatest license on this point, as they are at liberty to believe that God exists, or that He does not.

The recognition by the Grand Lodges of the article relating to the GRAND ARCHITECT OF THE UNIVERSE, does not signify that this branch of Freemasonry accepts the supremacy of Jesus Christ. Like all sections of Masonry, which put Buddha and Confucius on the same level as Jesus Christ, they deny Christ's role as mediator between God and man. Many of the English Lodges are made up completely of Jews, who of course deny the divinity of Jesus Christ.

The formation of Masonic "toleration of all religions," is actually a positive hatred of the Divine plan for man's salvation, through the death and resurrection of Jesus Christ.

Some Masons believe that their association goes back to Adam and we have seen in Dr. Shepherd's explanation, that he believes it goes back to CAIN at least. Other Masons try and trace its foundation back to Abraham, Moses, or David and Solomon.

The modern version of Freemasonry had its roots in Europe during the rapid rise of atheism and anti-Christianity. By the beginning of the Nineteenth Century, the Reformation Movement had about run its course. The principles of the Reformation, which had allowed private interpretation of the Scriptures and which had been introduced with the best of intentions as the pure worship of Jesus Christ, had ended, as men's efforts often do, by leaving no part of Christ's teaching unchallenged. Men began to attack His divinity, His resurrection and His very existence. These were men who called themselves Christian.

It was during this time, about 150 years ago, that a German Jewish philosopher named Ludwig Feurbach declaimed: "Man will finally be truly free, when he realizes there is no god of man, but man himself" This idea became so deeply implanted in the diseased brain of a young Jewish radical named Karl Mordec

Marx, that it became the foundation of both Illuminism and Communism.

A LEAGUE was begun in Germany by a man named Socinus, which bound groups of Polish and German Protestants into a League, or Lodge, if you will, where the only requirement was an undying hatred and opposition to the Roman Catholic Church.

A man by the name of Boyle threw doubt on everything which had been taught by Christianity, while Spinoza destroyed what little respect was left for the Deity. Both deists and pantheists (the doctrine that God is not a personality but that all forces are t, wnifestation of the self-existing universe and are therefore gods). This theory made so much headway in Europe and England in the early 1800's as to almost destroy Christianity.

What had once been Protestantism, often turned into what was popular called "Free Thinking." France owed its evil pre-eminence in a great degree to a man named Voltaire. He was an extraordinary man and was possibly the greatest disciple of atheism and "Free Thinking" the world has ever known. Abetted and aided by Judaism, he set out to destroy the Christian world. He once bragged that what Christ and His disciples had taken almost 2,000 years to develop, he would destroy in one generation. He was the son of ardent Roman Catholic parents, with excellent schooling and had been trained by the Jesuits. (It may be of interest to note here that the Jesuits were controlled by Jews who had infiltrated the order begun by Fr. Ignatis Loyola in 1534).

Voltaire had been trained to be a lawyer and apparently learned all the guile and trickery for which the Jesuits were noted. At this time, the courts of Europe were rotten to the core. Many of their leaders, often professing to be Christian, were libertarians of the worst sort, showing very little Christian fruit in their lives.

The court of Catherine the Great, in Russia, for instance, was noted for its unabashed lewdness, while the court of Frederick the Great of Prussia was so corrupt that it cannot even be described by decent language. The Regent of Orleans and Louis XV of France, had carried sexual license to such an extent that

the Court at Versailles was in utter confusion. Vice became the order of the day and as a consequence, the libertines hated anyone who took exception to their excesses.

Voltaire, appearing in the midst of this scene was a witty, sarcastic, vicarious fellow who found himself at home with the voluptuaries who filled Paris.

His conduct was so bad however, and his habit of ridiculing royalty so open, that he landed in the Bastille at the age of 27. He was liberated in 1727, on the condition that he leave France and never return. He crossed the English Channel and lived in England for half a century in what was described as: "the most perfect incarnation of Satan the world had ever seen."

At this time, the society of Freemasonry was just beginning to gain a foothold in London, and Voltaire became an enthusiastic member of one of the Lodges. He returned to the continent during the years 1726-1728, where he became an adept, not only for Freemasonry, but also of infidelity. His hatred of the monarchical government of France, which had imprisoned him, was almost beyond human understanding.

He was a master of French prose and his writings against morality and Christianity were received with great favor by the corrupt, reading public of his day. He was adept at the use of ridicule and blasphemy, which he used against anything that smacked of Christianity.

Nothing was sacred to him and he viciously attacked Joan D'Arc, the "Maid of Orleans," with as little scruples as he attacked Christianity. His teaching was that a reign of terror would spread over the world and that it would continue as long as there was a vestige of Christianity left. His teaching was actually the forerunner of Communist terror today.

He was an adept liar and wrote to his disciple Theriot: "lying is a vice when it does evil. It is a great virtue when it does good. Be therefore more virtuous than ever. It is necessary to lie like a devil, not timidly, and for a time, but boldly and forever."

He was a profound hypocrite who used religion when it became

necessary for his evil purposes. Writing to a man named Damilaville, he said: "The Christian religion is an infamous religion, an abominable hydra which must be destroyed by a hundred invisible hands. It is necessary that philosophers course through the streets to destroy it. Let us crush the wretch!"

At one point in his life when he had an accident and broke a blood vessel, he thought he was about to die and called a priest to whom he made confession and even signed a written confession in which he decried his evil life and asked God to forgive him. He went so far as to have this retraction printed in the newspapers. But as soon as he had recovered, he commenced his war against God with a new fury and died screaming imprecations against God and Christianity.

Freemasonry spread the ideas taught by Voltaire. The first Lodge established in France was in 1727 under English obedience. Its founder was a celebrated Jacobite named Lord Derwentwater. It was accepted almost immediately by the degenerate nobility who clamored for membership. In a short time, Freemasons had lodges in every city of size in Europe and England. Noted Christian leaders of the Eighteenth century realized that the real secret of Freemasonry was their disbelief in the divinity of Jesus Christ and a determination to replace this truth with the doctrine of "Naturalism" and "rationalism." There are some authorities who believe that Oliver Cromwell was a follower of Socinus and that he introduced Masonry into England, calling them Freemasons for the first time and inventing the allegory of Solomon's Temple, now so much used by Freemasons everywhere. This temple, which was destroyed by the Roman General Titus, in 70 A.D., in fulfillment of Christ's prophecy in Matt. 24:2 and Luke 19:43, 44 and in the Old Testament in Jeremiah 26:18 and Micah 3:12, was to be rebuilt by Freemasons.

Freemasons planned to restore this temple after Christianity had been obliterated by the conspiratorial revolution. The statue of Nature, was the Hiram, whose murder Freemasonry was supposed to avenge, and which previously, having removed Christ, was to resurrect Hiram by rebuilding the temple as it was

before.

The Talmudic-Cabalistic mind for centuries previous to the Reformation, had formed secret societies for their own protection and for the destruction of Christianity.

As early as 1290, Edward I of England had banished the Jews, not because of their religion itself, but because of the grave offenses on the part of the Jews, which endangered his realm. These acts were enacted against the Jews by His Parliament in 1290, with the House of Commons playing a prominent role.

In 1255, about 40 years after the Magna Charta was signed, Henry III ordered a trial in the murder of St. Hugh of Lincoln, who had been killed by "Jewish ritualistic murder." Eighteen Jews were executed by the crown, after being proven guilty of this heinous crime.

In 1275, Parliament passed the "Statute of Jewry," which confined the Jews to certain areas of the country, forbid them from practicing usury, or to own land, and required, them to wear yellow identification badges.

In 1290, Edward I, banished all Jews from England. The Baptist evangelist and author Hal Lindsay says this was done because the Jews "were God's Chosen people and Satan hated them." This seems to contradict the words of Jesus Himself, when He said to their leaders in John 8:44 -

Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him .

Then in John 10:26, He told these same leaders: "Ye believe not, Because Ye Are Not Of My Sheep . . ."

This statement seems mighty clear to me! Even "brainwashed" Judeo-Christians should be able to understand the significance of these words.

Without the Jewish conspiracy gnawing at their vitals, England prospered for a time. Then in 1657, Oliver Cromwell, financed

by the Jew Moses Caraja, came into power and the Jewish parasites were allowed to return. It has been "downhill" for England ever since.

In 1689, Amsterdam Jews financed the rebellion against James II. The chief of these was Solomon Medina, who was also a high ranking member of Freemasonry.

In 1694, the Bank of England was set up under International Jewish control and the National Debt was instituted, securing for Jewish money lenders a first chance on the taxes of the English people, who paid for the interest on their loans. Sometimes this interest reached the exorbitant rate of 250%. The right of the Crown to print money was transferred to the Bank of England, in much the same manner that this right was taken away from the American Congress and given to the Jewish owned Federal Reserve System in 1913.

In 1707, economic and political union was forced on Scotland, against the vote of the Scottish people in every borough of the land and the National Debt of England became the National Debt of Scotland also. It was during this same period that the Jews took over economic control of Europe and Freemasonry began to thrive under their leadership.

M. Gaugenot-Demousseaux, in his book, *The Jew. Judaism. And The Judaization Of The Christian People* (Paris, 1896) wrote:

Masonry, that immense association, the rare initiates of which, that is to say, the real chiefs of which, whom we must be careful not to confound with the nominal chiefs of the Blue Lodge, live in a strict and intimate alliance with the militant members of Judaism ... For that elite of the order - these real chiefs whom so few of the initiated know, are employed in the profitable and secret dependence of the cabalistic Jews. This phenomenon is accomplished, thanks to the habits of rigorous discretion to which they subject themselves by oaths and terrible menaces, thanks also to the majority of Jewish members which the mysterious constitution of Freemasonry seats in its sovereign council.

What we are actually seeing in Freemasonry, is something like what has happened in the governments of England, Canada and the United States, and other nations of Christendom. In these countries, due to the "terrible power of the purse," International Jewry now controls the economic life and politics of most of the Israelite nations. (These, I believe, are the Anglo-Saxon, Germanic, Scandinavian and related peoples who make up that part of the world we call Christendom).

It has been estimated by respected members of the U.S. Senate, that at least 70 members of that august body vote "Zionist first and America second" vote. In spite of the fact many claim to be Christians, they are to all intents and purposes a "bastard combination" called Christian-Zionists or Judeo-Christians, which is like saying something can be "hot-cold" or "wet-dry." A great majority of them, by their actions, have proven to be "duel loyalists," and strangely enough, most of them are members of the Masonic Lodge.

Voltaire learned that Masonry, which he had joined while living in London, was a capital means of spreading his doctrines among courtiers, men of letters, and the general public of both England and France. His major successes were in France. Operating under the guise of philanthropy and religion, few of the lower order members of Freemasonry knew that it was anything more than a fraternal organization which helped them in business and where they could obtain fellowship.

A man named Ashmale, introduced the Bible into Freemasonry along with the "square and compass." These became important accouterments of Masonry, which witnessed to the world that Masons believed in a god, whom they called The Great Architect Of The Universe. This insignia featured an "open eye," which they were told represented the "all seeing eye of Providence". This eye, they were told, made it impossible for a Mason to escape his fate, if he ever revealed any secrets of the society or failed to obey orders he was selected to carry out. (It was on this basis alone, that I refused membership. I could not bring myself to pledge such allegiance to any man, or group of men.)

In its secret conclaves and ascending degrees, it had means to tell the victim that the ARCHITECT meant a "circle of nothing!" That the open Bible represented the "universe;" that the "Square and Compass" were simply the fitness of things - the means to make all men, "fraternal, equal and free!" But like George Orwell's Animal Farm they were not told that in Masonry, "some pigs were more equal than others," and that the top Masons "lord it over" the Blue Lodge members and control not only their thinking, but their actions.

In the recesses of the Lodge, the political conspirators found men and the means to carry out their nefarious purposes in relative secrecy and security. Those who were interested in public office, found in the lodges, the means for their advancement. The ribald humor of the Seventeenth Century "libertarians," was master in their lodges, as banquets, ribald jests, song, reveling and sin, constituted a leading part of Masonic life. Things haven't changed all that much in the Twentieth Century Lodge.

These attractive centers of protected sin, spread over Europe with great rapidity. The scoundrels of society found employment in them and within a few years, the lodges of the Freemasons had become a formidable power throughout the civilized world.

Freemasonry, in particular, spread rapidly among the higher class of society. It soon began to capitalize on the power of union and propaganda. A brother in one, was a brother in all.

A Portuguese Jew named Martinez Pasqualis, introduced ILLUMINISM into the French lodges and his system was noted for its immorality, anarchy, atheism and blood shed!

Adam Weishaupt, the founder of ILLUMINISM in 1776, told his initiates in Freemasonry:

If in the order to destroy all Christianity and religion, remember that the end justifies the means. (This was a special axiom of the Jesuit Order of the Roman Catholic church, which were also closely tied in with Judaism). Those we have taken to deliver the human race from religion, are nothing else but a pious fraud which we will some day unveil.

Now that you have learned a brief background of Freemasonry and its Jewish connections, we need to take a closer look at the "beast" itself.

Chapter 12:

A Closer Look at Freemasonry

In the preface of his book *Freemasonry - An Interpretation*, Pastor Martin Wagner, Pastor of the St. John's Evangelical Lutheran church in Dayton, Ohio (1912) says:

Real Freemasonry is something beside and beneath the ritualistic forms and monitorial lectures. It is something which comparatively few Masons understand. Modern Masonry has never possessed the true key for the interpretation of the secret doctrines. This institution is esoteric. (Which means that its "secrets" are intended to be understood only by a few at the top). Masonic authorities, as well as the Masonic ritual, declares that secret doctrine which constitutes the very essence of Freemasonry and which is veiled under terms and imagery of the builder's craft.

The essence of Freemasonry is that it's peculiar religious ideas and doctrines, have survived from the periods of remotest antiquity, until the present time ... crushed in one form, it will rise in another. Outlawed, or exposed in one institution, it evades detection by taking refuge under a different name, ritual, or symbolism.

In its modern form and organization, Freemasonry has had a checkered career. So long as there is an unregenerate human nature on this earth, so long will organizations such as the Freemasons find fertile ground in which to take root. Exposure

may check it for a while and induce its adherents to repudiate it for a time. This was the case in 1826, when William Morgan, a Master Mason, published his exposure of the Masonic Lodge. For this he was condemned by a Masonic enclave and sentenced to death. When his murder was exposed by police investigation, over 45,000 Masons in the United States left the Lodge, because they believed what Morgan had written, on the basis of what happened to him. But Morgan had only divulged the form, the clothing if you will, the cloak under which the real doctrine was concealed and veiled. Freemasonry on the European continent was scarcely effected by the Morgan affair.

Exposure means little, unless one understands the key to Freemasonry. Most exposures by seceding Masons, exhibit only the trappings, the veneer, under which the true essence of Freemasonry is concealed. Not one Mason in ten thousand ever suspects what lies under the cloak of secrecy in which his lodge operates, for the real secrets of the Lodge are not taught in the Lodge.

The majority of Masons see only the outward trappings of the Lodge and the less the Mason knows about them, the more he admires and believes. The same is true with the Judeo-Christian church, where the vast majority of its members seldom if ever study the Scriptures on their own, preferring to be guided instead, by a pastor who has been as "brainwashed" as they. The same is true with Freemasonry, for when broken down to its common denominator, it is a religion. Religion is its mystical tie! Religion has been from time immemorial, one of the most powerful factors in the activities of mankind. It has been the "motor" which has controlled vast armies and founded world empires. It has been the force behind bloody revolutions and despotic governments. It has established despotic "priestcrafts" and enforced obedience through fear generated by its teachings.

Many times you will hear "atheists" and "humanists" accuse Christianity of being responsible for the bloody deaths of millions of people. This is not the case! True Christianity has never murdered innocent men, women and children! Religion has - churchianity has - but not true Christianity. A good example is

the present conflict which has been going on for years in Lebanon, where so-called Christian forces have been battling the Moslems. Yet these are Christian in name only and show none of the "fruits of the Spirit," which Scripture tells us are the mark of true Christians.

In the name of religion, men have been enslaved to build lavish, costly monuments to its power; call these churches or cathedrals. These are shrines for the gods of religion. Not to God Almighty! Religion has never changed any man or woman into a better human being. When the Communist leader Lenin stated that "Religion is the opiate of the people," he knew whereof he was speaking, for religion controls people and makes them slaves of the religious leaders.

On the other hand, true Christianity has been responsible for our finest art; our sweetest music. It has transformed human perverts from harden slave drivers to writers of Christian songs who could say: "Just as I am, without one plea, but that Thy blood was shed for me." It has turned human devils of lust, fury and crime, into saints fit for the Kingdom of God.

Christianity has given timid women and children the courage to face fear of being torn to bits by wild animals in a Roman arena. It has caused gentle women to withstand terrible torture for the sake of their beliefs. It has caused men to sing praises to God, as they were burned to death at the stake. (Read Fox's Book of Martyrs, and the 11th Chapter of Hebrews for an account of what Christianity has done for men and women).

Religion, on the other hand, has been the power behind political corruption; the power behind armies of evil kings and popes to destroy. Religion is the most powerful motor in mankind and religion is the driving engine in Freemasonry. We can see the modern application of the power of religion, in the upsurge of Moslem Fundamentalism, which could well sweep this world into World War III, as it comes up against the "secular religion" of the Zionists in Palestine.

The vital and essential elements in the religion of Freemasonry are not the spiritual facts and the spiritual mysteries. They are

carnal and physical, what some would call "the facts of life." These are the "mysteries" involved in "generation" and "reproduction," which Masons worship. The same "regenerative power" which has been worshipped for millennia by heathen people around the world. Because of their "earthy" nature, they appeal to the lustful spirit of unregenerate men.

These "mysteries" relate to the dominant passion of man to "procreate." They excite his passion, awaken his emotions, take first place in his mind and energize his deepest thoughts.

It is difficult to conceive of anything more exquisitely fitted to appeal to the "natural," the "animalistic" man of the evolutionists, than the teachings of Freemasonry. It is a religion which makes the mystery of procreation, the hidden force on which it rests.

Masonry conceives of the divine nature as residing in man, and this nature is best expressed through sexual passion. The gratification of this passion, therefore, is pleasing to the Masonic god and becomes his duty. Although he may claim to be a Christian - and many of its members do - he has given his allegiance to "another false Christ" who repudiates the New Testament teachings regarding "unlawful lust" and "illicit passion."

Our Lord's admonition to men in Matthew 5:28 - "But I say unto you, That whosoever looketh on a woman to lust after her, hath already committed adultery with her in his heart" . . . is looked on by the Mason as the height of utter stupidity!

Christians are further admonished in Galatians 5:16 - "Walk in the Spirit and ye shall not fulfill the lusts of the flesh." Again in James 1:14 - "But every man is tempted when he is drawn away of HIS OWN LUST, and enticed. Then when LUST has conceived, it bringeth forth sin (transgression of God's law, according to 1 John 3:4), and sin, when it is finished bringeth forth death." (Both physical and spiritual.) And finally in James 4:1 - "From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members?"

But the god of Freemasonry contradicts the Scriptural account and shouts: "NOT SO! It is your sacred duty to seek self-

gratification! It is your moral and religious duty to fulfill the lusts of the flesh!" This is one of the reasons so many men want to become Masons, it is a religion which caters to the sensuality of men. It does to men, what the Woman's Liberation Movement has done to women, when they tell their adherents : "Don't listen to those narrow-minded Christians. You've come a long way baby! No one can tell you what you can do with your own body!"

Freemasonry appeals to the unregenerate heart of men, because the "generation" of human beings is the great work of Masons and is what they call: "Building a temple for the indwelling of the GREAT ARCHITECT OF THE UNIVERSE," who is not the God of the Christian.

Today, as never before, a persistent war is being waged, either directly or indirectly against Christian principles which have been the strong foundation of our white, Christian civilization. These are the principles which have freed the slaves; have fed the hungry; have carried the Gospel of Jesus Christ around the world, and which have built Christian Constitutions on the Word of God. It is what has brought prosperity, freedom, and relative happiness to more people, in a shorter period of time, than any other principle which has ever been practiced on this earth.

As part of any attack against Christianity, there must be an attack against the Christian family and Masonry has followed this path. Many times governments refuse to see the indivisible, fundamental value of the Christian family and try and take over its prerogatives. This always leads to chaos, confusion and destruction to Christian values. Along with this attack, comes the attack on the right of the individual to own private property; the right of the individual to protect himself and his family; the right of freedom of speech, press, and religion. From time immemorial, our European ancestors have looked on these as the prime basis for their society.

Today, the natural organization of labor, which has been founded on the mutual need between capital and labor and which has been traditional in all periods of recorded history, has been upset. Now the worker is proclaimed to be equal in all respects with his

employer, while he is exempted from the duties and responsibilities of the employer. The result has been a senseless "class struggle" which has all but destroyed American industry and which was designed to do just that.

According to both English and European Freemason leaders, Masonry was defined as; "the peculiar system of morality, revealed in allegory and illustrated by symbols." The Universal Manual Of Freemasonry, describes Masonry as:

the activities of closely related men, who, employing symbolic forms borrowed principally from the builders art and from architecture, work for the welfare of mankind, striving morally to enable themselves and others to thereby bring about a universal league (One-World Government) of mankind . . .

Freemasonry is in the forefront of the One-World Movement. In the Christian concept of society, morals as well as social rights and duties must be based on man's revelation of God and his duty to obey God's law. In Masonry, the idea of human virtue and morality, is independent of God, and Divine law is ignored if it conflicts with the issues promulgated by Masonry. Essentially, Masonry is "naturalism" in action and is a modern form of "ancient paganism.

Because of the policy of deception practiced by Masonic leaders, it is difficult to analyze accurately the underlying essence of Freemasonry. Essentially, it is founded on Jewish "Pantheism," or the "deification and worship of unregenerate man, rather than God." It reflects the words of the German Jewish philosopher of the Eighteenth Century, Ludwig Feubrach, when he said:

Man will finally be truly free, when he realizes there is no god of man, but man himself.

This is the underlying belief of atheistic communism.

Most of Masonic symbolism, in its original and proper meaning, refers to "phallic worship." This fact is openly testified to by such Masonic leaders as Albert Pike, Mackey, Thomas, Webb

Smith, William Preston and Hutchins on.

Rogan, a Masonic author of some note states that the Masonic god is the god of the pyramids, thus identifying Masonry with the ancient Egyptian religions.

The first three degrees of the order - those of Apprentice, Fellow Craft (or Companion Mason), and Master Mason, are known as symbolic degrees. The candidate is admitted through a series of fantastic ceremonies ... the significance of which is not revealed to the initiate. He learns nothing but the symbols and sacred words. He is continually edified by allusions to God and the Bible, the hidden meanings of which are withheld from him until he reaches the higher degrees.

It is not until a member reaches the 33^o in the Ancient Scottish Rite, that of Sovereign Grand-Inspector, that the genuine mysteries of Freemasonry are explained.

In his first initiation stages he learns:

1. - That the rite of initiation for Apprentice Masons represents in dramatic fashion the origin or birth of Nature's god - the GREAT ALL. It signifies the non-existence of a super-natural person God, such as that of Christianity. It signifies that the two principles of "matter" and "form" "male" and "female," are always eternally "generating," (reproducing). It looks on God as a hermaphrodite, and creation as the beginning of the "generation process."

2. - The initiation rite into the Second Degree, represents the moral condition of nature's god, always in labor, always reproducing. Again it looks on God as hermaphroditic, and states that his name JEHOVAH, means "generation." Meaning to say, HE-SHE, the two sexes in one.

The dual principle of "male" and "female" is represented by the "square and compass." The "compass" represents OSIRIS, the male god of the Egyptians, while the "square" is the symbol representing ISIS, the female goddess of Egypt - both are sexual symbols.

3. - The initiation to the Third Degree or Master Mason Degree,

introduces the initiate to the story of Hiram Abiff, one of the architects of Solomon's Temple, as related in the TARGUM. (One of the several translations of Jewish scriptures, written in the vernacular (Aramaic) language of ancient Judea.)

Hiram is recorded as an allegorical being, symbolizing the Great Architect Of The Universe. (Mackey, pp. 13-99). In this rite, the process of "generation" is represented as being complete; God, and the name of God, which the candidates are supposed to be seeking, is discovered. The name of this deity, not the LORD GOD of the Old Testament, is MOA-BON. This was the name given to the child born of Lot, after he had an incestuous affair with one of his daughters. The story is told in Genesis 19:37. This is explained as the man-child coming into being through the union of the SUN, with his daughter, the EARTH. This deity is also known as MAC-BENEC, "Offspring of putrefaction," since death and decomposition must precede the beginning of life; the seed must die before the plant can live.

"This," says the Masonic expert Ragon, "is the important phenomenon, the ineffable mystery, the key to nature, which the ancient sages succeeded in discovering, and which they adopted as the basis of Masonic doctrine... It is the subject of Masonic legends. According to this interpretation, the revolting atrocities of SATURN, and the incestuous PHARAEDRA, (SATURN was the Roman god of agriculture, and PHARAEDRA was the Greek wife of Minos, who had an incestuous relationship with her own son) were considered interesting enigmas, which involve facts worth our notice." (See Ragon, pp. 218,219). Throughout his book on Freemasonry, Ragon dwells on the process of procreation, Isis, Egyptian gods and goddesses, etc.

I believe enough has been said to indicate the "earthy" nature of Freemasonry and their peculiar system of morality, which we will discuss later on. All this is in veiled allegory. The contrast between Scriptural morality and Masonic morality is that between "light and darkness;" between the "spirit of the anti-Christ" and the "spirit of God." It was Jesus who said: "... men loved darkness rather than light, because their deeds were evil," (John 3:19). He went on in verse 20 to say: "Everyone that doeth

evil, hateth the light, neither cometh to the light, lest his deeds should be reprov'd."

As fast as men are converted to Freemasonry, so do they repudiate the principles and claims of Christianity. They may call themselves Christian, but as Christ Himself said:

Matthew 6:24; Luke 16:13.

No man can serve two masters; for either he will hate the one and love the other; or else he will hold to the one and despise the other; ye cannot serve God and MAMMON.

Mammon is the love of fleshly, material things. In other words, "materialism," which is the very essence of Freemasonry

It should be noted that when dealing with Masons, their arguments must be interpreted in the light of the allegories or symbolism they use. According to Albert Pike, in his *Morals and Dogma*.

"Almost every one of the ancient Masonic symbols had four distinct meanings, one, as it were within the other - the moral, the political, the philosophical, and the spiritual meaning."

Thus, according to Pike; Hiram Abiff, Christ and MOLAY, are regarded as symbols representing "humanity." Since they are all apostles of "liberty, equality and fraternity." (These, by the way, were the watchword of the atheistic French Revolution). The cross in Freemasonry is by no means looked on as a specific Christian symbol, but is closely connected with a peculiar cult. The I.N.R.I. on the cross, to a Mason, does not refer to the passion of our Lord, but is Masonically read as "Igne Natura Rebovatur Integra," or "All nature is renewed by Masonic fire."

The picture of Christ dying on the cross for the sins of mankind becomes for the Masons, the "greatest among the apostles of humanity, braving Roman despotism, and the fanaticism and bigotry of the priesthood."

Reading from official Masonic documents, one can readily see that the vast majority of the Masonic Brotherhood, does not understand the trend or purpose of Masonic teachings and

activity.

They are instructed by slow degrees and are only admitted into the more secret of the degrees, as they have become morally attuned to Masonic teachings and thus become capable of understanding the higher degrees.

Albert Pike, in *Morals and Dogma*, p. 819 says:

Part of the symbols, are displayed ... to the initiated, but he is intentionally led astray by false interpretations . . . Masonry conceals its secrets from all except the Adepts (Highly skilled experts of Masonry), the Sages and the Elect; and uses false explanations for its symbols to mislead those deserving to be misled.

So you can see, from this top Masonic leader, that Masonry is a system of falsehood, which is used to fool even their own members.

The character of the inner workings of Freemasonry, is one of the reasons its secrets are hidden behind horrible oaths, which bind its votaries, especially in the higher degrees, through fear.

If the eminent Masonic authorities declare that few members understand the mysteries of Masonry, you should not consider it presumptuous if I say that very few Masons are ever brought to a true understanding of the organization they support. If they were decent men, and this is especially true of those who claim to be Christian, they would resign in disgust in spite of the horrible oaths they have taken.

Many Masons fail to see the truth because of the use of the Bible in their ceremonies. They see the garment of HIDDEN POWER - Masonry, but not what it conceals. They get little or no spiritual inspiration from the Lodge, but appear in its dress parades and feast at its banquets, thinking they are engaged in a harmless fraternity which is doing good in the community and is good for their business. But in most cases, in fact, in a large majority of cases, there is a vast difference between what Masonry teaches and what it believes.

Martin Wagner, in his book *Freemasonry- An Interpretation*, says

on pg. 153:

The peculiar theological and religious ideas that Freemasonry holds and aims to inculcate while positively non-Christian, are expressed in terms of Christian theology, not to express Christian ideas, or to show their harmony with Christian thought, but to give them a Christian coloring, the more effective to deceive, mislead and hoodwink the neophyte, the conscientious member, and the non-Mason into whose hands Masonic literature may come.

"Thus the Biblical and Christian appellations of God are employed to denote the Masonic deity, who is known as The Great Architect Of The Universe. It employs the terms of regeneration; illumination; resurrection; justification and other Christian ideas, under which hide Masonic religious operations. These terms have a peculiar and specific meaning to Masons, and in studying this institution, we must not permit ourselves to be misled by their use of Christian theological terms. Many a Mason has been misled to believe that Freemasonry is a Christian institution."

I see no reason for us to go further into a study of Masonic symbolism, other than to say that its own leaders indicate it is heathen in origin and is used for the purpose of misleading its own members.

Much that appears Christian is in fact nothing but theological development of certain ancient esoteric doctrines, which were incorporated into Christianity and contributed much to its development, and which are also found in Talmudic works and in Talmudic Judaism.

- from: The Jewish Encyclopedia, Vol. III,
"CABALA," pg. 478 (1903)

Chapter 13:

Oaths - The Binding Force in Freemasonry

The utter obedience and subservience of Masonic members is gained through the use of horrific oaths! The oath for the First Degree, for instance, contains the promise:

to hide, conceal and never reveal any part or parts of the secrets of Masonry which are already known to the candidate, or may in any way be learned by him at a future time.

Later, after his initiation, he is required to swear:

To obey all signs and summonses handed, sent, or thrown from a brother Master Mason, or from the body of a just and lawfully constituted Lodge of Master Masons.

The absolute subservience of the member to the Lodge is seen in promises such as:

to obey without hesitation, any order whatsoever it may be, of Masonic superiors ... to assist a Companion-Royal Arch Mason when he is engaged in any difficulty, and to espouse his cause, so far as to extricate him from the same, **WHETHER HE IS RIGHT OR WRONG.**

These and other promises are made under the following oath:

To have his throat cut from ear to ear, his tongue torn

out by the roots, and his body buried in the rough sand of the sea at the low-water mark, where the tide flows twice in the same twenty-four hours.

To have his skull severed in two and divided to the North and South, his bowels burned to ashes in the midst, and scattered to the four winds of the heavens.

To have his skull broke off, and his brains exposed to the scorching rays of the meridian sun, etc.

Chapter 14:

The Effects of Freemasonry on the First World

While many of those who read this book will understand the importance of politics and religion among the European members of the Israelite nations (the nations we now know as Christendom), most of them will want to focus their attention on the effects of Freemasonry on the English speaking world; the British Isles, Canada, the United States, South Africa, Australia and New Zealand. Most of our interests will be centered on Canada and the United States.

It may be difficult for the average Canadian or American to understand the tremendous influence exerted by Freemasonry on our respective countries. The vast majority of Masons in both countries are law abiding citizens; many of them are church members, active in the religious activities of their community; many are conspicuous in charitable efforts to help the unfortunate and are looked on as pillars of stability in the community. But we need to remember that most of these Masons have been "brainwashed," just as members of the Judeo-Christian churches have been. In the church, these Christians, both Masonic and Judeo-Christian, protect the very enemies which are seeking to destroy everything they say they believe in as Patriotic Christians.

Professor John Robinson, a high ranking English Mason, wrote a very revealing book -*Proofs Of A Conspiracy* (1798). He stated on pg. 466:

Not all secret societies are dangerous, but all societies

whose object is mysterious. The whole history of man is proof of this position. In no age of our country, has there ever appeared a mysterious association, which did not in time become a public nuisance.

Remember the quotation from Horace Mann to the effect that we should question the motives of any man or organization who seeks to hide their objectives from the public.

The Prime Minister of England, during the reign of Queen Victoria, when England was at the zenith of her power, was a converted Jew named Benjamin Disraeli. He stated that Jews were at the head of every important revolution which had taken place on the continent and in England, and that the Masonic lodges sought to carry out the aims of the Jewish revolutionaries.

Over and over again, one can find statements made by both Jewish and Masonic leaders, concerning their part in these revolutions. Marcus Eli Ravage, a well-known Jewish author, writing in Century Magazine, January 1928, stated:

We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history. We did it solely with the irresistible might of our spirit, with ideas and propaganda.

The Jewish author, Oscar Levy, in the Preface to his book *The World Significance Of The Russian Revolution*, said:

There is scarcely an event in modern Europe that cannot be traced back to Jews. We Jews today are nothing else but the world's seducers; it's destroyers; it's incendiaries; it's executioners.

Yet foolish Christians continue to call these barbarians "God's Chosen people." How stupid can we become?

These were and are the men who have controlled and now control Freemasonry. Secret orders within England today, such as the Star of the East, and the Order of the Round Table, for all practical purposes control England. They are associated with continental Masons who claim to be under the direct influence of

the Grand Masters, or the Great White Lodge, which is made up of Jewish cabalists.

The same is true of the Council on Foreign Relations in the United States, the Skull and Bones Club, the Trilateral Commission and other organizations which are seeking to bring this country under the international bondage of a One-World Jewish controlled government. Many of these men are high ranking Masons.

One of the most powerful, but little known orders of Masonry is the ROSICRUCIANS who pose as an "high and holy order for spiritual development and service to mankind." They are actually a pseudo-religious order of occultists who study "high magic."

In most of the modern revolutions in Europe, which were communist or socialist in origin, we find Jewish Freemasons, who are in positions of highest power.

Scattered and rendered virtually powerless for almost 2,000 years, Jews have always been bitter revolutionists. Everywhere you go, you will find a profound and bitter antagonism between Jew and non-Jew, in both racial and spiritual realms. The Apostle Paul said of them; "...they have persecuted us (Christians), and please not God, and are contrary to all men " (1 Thess. 2:15). This contrariness rises from their completely different concept of life.

While few Jews were visible in the French Revolution of 1798, Freemasons did the job for them and were a cloak of secrecy shrouding Jewish involvement. Often, where Freemasonry is active, the Jews who manipulate them will remain in the background. This caused the Jewish Prime Minister of England, Benjamin Disraeli (1868-1880) to say:

The world is governed by very different personages to what is imagined by those who are not behind the scenes... That mighty revolution which is now preparing in Germany, and which will be in fact, a second and greater Reformation, and of which so little is yet known in England, is developing under the auspices of the Jews.

He was not warning Englishmen of this fact, but like the Jew he was, in spite of claiming to be a Christian, he could not resist boasting of the conquests of his people over the hated "goyim."

It is interesting to note, that down through the ages of history, the so-called Chosen Race of Judaism, has been willing to walk "hand in hand" with the scum of society, if it would further their control. In 1919, when Leon Trotsky, with \$20-million donated by Jewish banker Jacob Schiff of New York, was on his way to Europe, he had with him 247 Jews who were the "dregs of society" from the alleys of New York City. The type of Jews, whom the Jews themselves refer to as "kikes." These were to become the top leaders in the Russian Revolution which killed Christians by the millions.

In Russia, where Freemasonry had been forbidden by law, the revolutionary effort was about 90% Jewish and many of these were Masons. The scum which followed them was eager for plunder. In Hungary, according to official Hungarian documents, the revolution was a Jewish-Masonic effort. When the Hungarian Soviet Republic was established on March 22, 1918, its top leaders were 100% Freemasons and Jews.

The Minister of Public Instruction, Brother Kunzi, was a Masonic Jew; the National Minister of Soviets, Brother Kaszi, the son of a Jewish millionaire from Budapest, who was also a Mason; and above all, we must never forget Brother Bela Kuhn, the Jewish-Masonic-Hungarian butcher of Christians, who was a criminal of the first order and who operated under the protection of his Masonic connections.

Of the Hungarian Commissariat, 26 in all, 18 were Masonic Jews, an unheard of proportion, considering the size of the Jewish community in Hungary. 76 men who had criminal indictments against them, a preponderance of whom were Masonic Jews, were placed in positions of leadership in this Christian country. Men with names such as Liebrenecht, Rosa Luxembourg, Kurt Eisner, and others.

When the Imperial Government of Germany fell at the end of World War I, Jews and Masons dominated the new government.

The eleven men who took power over Bavaria were Lowenberg, Dr. Kurt Rosenfeld, Caspar Wallheim, Max Rothschild, Karl Arnold, Konrad, Rosenheh, Bierbaum, Reis, and Kaiser. These, along with Kurt Eisner von Israelovich, were the head of the Revolutionary Tribunal. All were Jews, and all were Freemasons, belonging to Lodge #11 in Munich.

A strange phenomenon exists in Judaism, in that enormous amounts of labor and money have been expended to minimize the part played by Jews in the Bolshevik Revolution, while at the same time, world renowned Jewish leaders brag about the power they exert.

A few years ago, in 1935, Rabbi Stephen Wise, the top Jewish authority in the United States at that time, was asked to comment on Communism. He was reported to have said: "Some call it communism; I call it Judaism."

Contrary to what we have been told in the Jewish owned and controlled press of Canada and the United States, an entirely new breed of millionaires have risen in Russia. They are all Jews. They live in the lush resort areas of Kiev and Odessa and own their own factories, something unheard of in Russia. Many of these are prominent Freemasons. In Russian cities where the population of Jews exceeds 25%, they are allowed to have their own Yiddish law, Yiddish courts, Yiddish codes and Yiddish is their official language.

This is in a communist country, where we have been led to believe, by media propaganda, that the poor Jews are persecuted. Yet as late as 1983, when Andropov was Premier of the USSR, out of 23 members of the controlling Politburo, 17 were Jews. Virtually all the high ranking military commanders of Russia today are Jews, as are the party functionaries such as the Generals of Police, the Director General of the K.G.B., the Director of Foreign Operations, the Economic Planning Chief and the State Finance Officer. It is impossible, and probably improper, in this book to go into detail concerning the brutality of these Jewish-Masons towards the "bourgeoisie," especially those who are Christian.

In the city of Khorkaff, for example, in recent years, official documents state that a Masonic Jew named Sanko specialized in scalping his helpless victim. He would take the skin off their hands, peeling it off as one would take off a glove. At Kiev, victims were placed in a large chest, along with decomposed corpses and were buried underground until they passed out. They then were uncovered, revived and went through this torture again and again. Do you wonder why many of these people went mad?

Vicomte Leon de Poccus, in his remarkable book *The Secret Power Behind Revolution*, says on p.161:

Without us Aryans being conscious of it, the idealism pertaining to our race, that idealism which was all that is beautiful, throughout all ages, for all that was noble, for sincerity, became imperiled by the seductive concept of Jewry towards a cynical and unscrupulous materialism, which finds its political expression in the Judeo-Masonic universal atheist Republic.

The Jewish revolutionary influence has been felt in all the nations of Christendom, either directly, or indirectly through Freemasonry, or the Jewish nationals who have managed to insinuate themselves into positions of political influence. Probably one of the best examples of this in 1989, is the influence of the Jewish Democratic Senator from Ohio, Metzenbaum, who has been involved in almost every liberal effort against this country and is in the forefront of the drive to disarm patriotic Americans. Recently he made a public statement to the effect that we must fight to preserve America from the horrible fate of becoming a Christian nation.

I have previously mentioned *The Protocols Of The Learned Elders Of Zion*, which the Jews and their Christian stooges proclaim as counterfeit. But the indisputable fact remains, that from as early as 1789, this Machiavellian plan for world control has been used successfully around the world and Jews and Freemasons are following its plan like a "blueprint." One French Socialist leader stated:

"The nation is a great herd that only thinks of browsing, and with

good sheep dogs (police) and shepherds (political and religious leaders), can lead as they please ... Money and hope of plunder is an all-powerful force with the people."

This force can be seen in operation in America and Canada today, for wherever you find the \$ sign, no matter how evil the project may be, there you will find the vultures of International Jewry and Freemasonry. When we see what is happening in these two key countries, we can better understand what the Apostle Paul meant in 1 Timothy 6:10, when he stated: "The love Of money) is the root of all evil."

Our discussion of Freemasonry has taken us back to its beginning and to the revolutionary period in Europe. But what about now? Has it mellowed? Has its designs changed? We will delve into this and more in the following chapters.

Chapter 15:

Freemasonry Today

One of the fundamental errors expressed by those who write about Freemasonry, I believe, is that they feel that all Masons hold a common belief and purpose. The truth is, that Freemasonry is in a generic (applied to a class or group) way, simply a system of binding men together for a given purpose.

The allegories (description of one thing under the image of another), used in Freemasonry, are capable of various interpretations. The re-building of Solomon's Temple for instance, may refer to progress in any Masonic undertaking. The same is true about its "sacred traditions." This system of degrees, of initiations, of binding members to secrecy by fearful oaths, can be employed for any purpose, social, political, philanthropic, or religious. It can promote "good," or disseminate "evil." It can be used to "defend a concept," or "overthrow" it; it can "protect" or "destroy."

But unfortunately, in Grand Orient Masonry, we find that it is not only political in its aims, it is also subversive. Instead of a peaceful trilogy of "brotherly love, relief and truth," it has added from its beginning, the war cry of revolution: "Liberty, Equality and Fraternity," which can never come to pass on this earth as long as it is controlled by human beings.

The aim of Grand Orient Masonry, from its inception, has been to bring about "universal equality." In the matter of "liberty," they preach: "no man shall have a master" and echo the thoughts of the German Jew Feurbach who stated that: "Man will finally be free, when he realizes there is no god of man, but man himself" To believe this falsehood, a man must first divorce himself from any concept of Christianity which teaches that

Jesus is King!

The Grand Orient Lodge attacks all forms of religion. Its basis is "absolute liberty of conscience and the solidarity of all mankind." This kind of Freemasonry allows for "freedom of conscience" in the same sense that atheism does, since all its members must profess a belief in some form of higher power.

Chapter 16:

The Real Jewish Peril!

The religion of Judaism/Talmudism/Pharisaism whatever you wish to call it, does not take its stand on the Bible, or the Laws of Moses, as most Christians seem to think. Our LORD clearly taught this in John 5:46, 47, when He told the Jewish leaders:

46 "For had ye believed Moses, ye would have believed me; for he wrote of me.

47 But if ye believe not his writings, how shall ye believe my words?"

Michael Rodkinsom, the Jewish author and translator of the Talmud from Hebrew to English, in his preface to the translation says: "The modern Jew is a product of the Talmud."

Yet it is interesting to note that the Talmud relegates the TORAH (the teachings of Moses) to a second place in Jewish teaching. The Talmud is not a "law of righteousness" for all mankind, as the Bible is, but is a strict code which applies only to Jews. You will not find admonitions in it, such as those found in Micah 6:8 -"He (God) hath shown thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God."

In the Talmud the ideas of Justice, equity and charity towards one's neighbor, depend on whether you are a Jew or not. In fact, the Talmud expressly forbids a Jew to save a non-Jew from death, or to restore lost goods to him, or to have pity on him in any way. How can you deal justly with your neighbor, when your religion teaches you that he is a "goyim" (non-Jew animal)?

According to the Talmud volume Schulchan Aruch, Choszen Hamiszpat (238): "A Jew is permitted to rape, cheat and perjure

himself; but he must take care that he is not found out, so that his people suffer." This teaching is almost identical to the teachings of Freemasonry According to volume Sulchan Aruch, Choszen Hamispat (348):

"All property of other nations belongs to the Jews, who are consequently entitled to seize upon it without scruples. An orthodox Jew is not bound to observe principles of morality, if profitable to himself or to Jews in general."

Volume Baba Mechia (108b) and the Jewish Encyclopedia, both state: "Only Jews are men... Gentiles (non-Jews) are not classed as men but as barbarians or beasts."

In Volume Bab Khama IV, (3) we read: "if a Gentile sues a Jew the verdict is for the defendant; if the Jew is the plaintiff he obtains full damages." This is almost the same reaction we find when a Mason goes to court against a non-Mason.

In Volume Sanhedrin (954b) we learn that "Pederasty (sex relations between men and boys) with a child below the age of nine years is not deemed as pederasty with a child. If one commits sodomy with a child of lesser age, no guilt is incurred."

There are many more bestial and obscene comments, some of which cannot be placed in a book such as this. It is easy to see where the moral teachings of Freemasonry and Judaism come from. It is from this same devilish source.

In the CABALA, even more than in the Talmud, the Jewish dream of world domination reoccurs over and over again. Although Christian apologists for the Jews, laugh and scorn at the idea of a Jewish conspiracy to control the world, yet Jewish leaders talk about it constantly and brag about the progress they have made towards this goal. It is a constant theme in Jewish religious books.

This message of world conquest is not the message taught by the Israel prophets, who were not Jews, by the way, but Israelites.

The task of true Israelites is not to control the world, but, in the words of the Apostle Peter "to shew forth the praises of Him (Christ) who hath called you out of darkness into His marvelous

light." The task of "true Israel" is to be God's ambassadors, not some dictator, who like the Jew, desires to have 2,000 "goyim" slaves who wait on him hand and foot.

In the Talmud Volume Baba Batra (74b) and in at least three other volumes, the story is told of what will happen when the Jewish Messiah comes back to rule the world. It is completely different from the much more plausible story told in the Bible, regarding Christ's return. According to the Talmud version, the Jews will be entertained at a great banquet. They will be seated at golden tables and will be served wine from Adam's cellar. Their banquet meal will be made up of a roasted ox called BEHEMOTH which is so huge that it eats the grass off a thousand hills every day. There will also be a monster fish called LEVIATHAN which will be broiled and pickled. A gigantic fowl known as BAYUCHF will also be served. This bird is so large, that when one of its eggs fell out of a nest, it crushed 300 large cedar trees and the white from its broken shell, flooded sixty villages. (This sounds almost as fantastic as some of the stories Jews tell about the HOLOCAUST). The final course of this immense banquet will consist of dessert, including fruit from the 'tree of life,' and pomegranates from the Garden of Eden. (Again, this story sounds almost like some of the stories one hears in the Judeo-Christian churches regarding heaven.)

An 18th Century Jewish commentator named Stehlin states that, "foreigners (that's you and I, brother) will till the ground of the Jews in that day of their triumph; that we (foreigners) will build their houses and cities and plant their vineyards, all without pay, because it will be such an honor for us to work for them. The nations which survive the last 'holocaust' will offer the Jews all their wealth and Gentile princes and princesses will wait on Jews as their slaves, and be ready at the nod of a head, to do anything the Jew asks." That sounds like "Liberty, Equality, And Fraternity!" now doesn't it?

The hope of world domination - "world conspiracy," if you will, is as strong now in the Jewish mind as it has been for 2,000 years, and is being aided and abetted by Masons of high rank. The real dream of Jewish world power can be seen most clearly

in the Cabala.

About the only way the modern Jew relates to the Bible, is in his arrogant statements concerning the "Ten Commandments, which WE gave to mankind." It is this type of arrogance, which caused the translators of the New Testament to translate John 4:22, as having Jesus say: "salvation is of the Jews," when any clear thinking Christian knows that salvation does not come through any nation, or group of people, but only through God's Son, Jesus the Christ. It is this Jewish arrogance which caused them to change the original, which said: "For salvation cometh out of Judea." This makes sense, the KJV translation does not!

The fact that there were no people anywhere in the world known as Jews, when the Ten Commandments were given to Israel, means absolutely nothing to the Jews and their intellectually dishonest prostitutes in the Judeo-Christian churches of America. They deliberately choose to disregard what Jesus said about the Jewish Pharisees in John 10:26 - "But ye (Pharisees), believe not BECAUSE YE ARE NOT OF MY SHEEP..." (Emphasis mine). Instead of heeding what their Master said, they call His enemies, "God's Chosen people" and support the very ones who are attempting to destroy them. What fools men be!

The Jews have always bragged about their privileged status with God, knowing full well that they are the impostors who are spoken of in Malachi 1:2-4 and Revelation 2:9; 3:9. When people brag about their privileged status, they will always be met with resentment. That is one reason the Apostle Paul said they are "contrary to all men, " (1 Thess. 2:5).

To represent the Jewish people as a gentle, suffering people, the victims of gentile persecution, is to show an entire lack of both spiritual and historical understanding. In the ages past, Jews have over and over again showed their utter contempt for all mankind and that they are capable of the utmost cruelties towards those who disagree with them, especially if they are the hated Nazarites (Christians). Most of the cruelest persecutions in the Communist regimes, have been carried out under Jewish supervision. An estimated 140-million people have been murdered by these

minions of Judeo-Masonry. Today, the cruelty of Jews towards the Palestinians, whose land they have wrongfully usurped, goes far beyond anything that Hitler ever dreamed.

The Jewish historian, Josephus, in his monumental work titled *The Jewish Wars*, describes the pogroms carried out by the Jews in Palestine during the First Century A.D. The "Sicarii," were a band of Jewish terrorists, who were working with the approval of the Jewish authorities, much as the MOSSAD works today.

Many Christians do not know that the Jewish leaders Begin and Shamir, were leading terrorists in 1948. During the First Century, these terrorists wiped out a village called Engeddin, killing over 700 women and children. In 1948, Menachem Begin, another Jew terrorist, wiped out a Palestinian village of some 264 old men, women and children and bragged that he had killed Arab women with his own hands. Yet this terrorist became Prime Minister of Israeli.

It is intellectual dishonesty of the worst sort to state, as the prostitutes of Judaism do, from their pulpits, that the faults of the modern Jews are due to their persecution at the hands of Christians in the past. They have been persecuted, there is no doubt about that, but not because they were God's Chosen People, as the Baptist Zionist Jack Van Impe likes to shout. They were persecuted because of their crooked, immoral dealings in every country which gave them refuge. Today, that same resentment is building up in Canada and the United States, as we see them taking full advantage of Christian hospitality, while attempting to destroy everything we stand for as Christians. The day of reckoning will come here, as it has in other countries. It is inevitable, unless Jewish leaders come to their senses and put a "check rein" on their activists.

Some idea of why cruelty is the norm for these people can be seen in a mode of execution suggested by the Talmud. In the Volume Sanhedrin, a method of execution was to wrap a scarf around the neck of the victim, tightening it from both ends until his mouth was forced open. Then a lighted fuse was forced down his throat to burn out his entrails. This is very similar to some of the "blood thirsty" oaths which Masons are forced to take. It is

interesting in the light of these Talmudic teachings, to see that the liberal Jew is in the forefront of the fight against Capital Punishment, declaring it to be a "cruel and unusual punishment."

It is also interesting to note the number of Jewish women who are in the forefront of the Women's Liberation Movement, the Lesbian Movement, N.O.W., and Pro-Abortion. Yet the Talmudic religion is definitely "anti-woman." A good example of this is the daily Jewish prayer, where the Jewish man says: "Blessed by thou, O Lord our God, king of the Universe, that thou hast not made me a woman."

We must never forget, when we look at Judaism, that no matter what the Jewish Rabbis may say at Inter-Faith meetings, Rabbinical Judaism is the bitter enemy of Christianity. This is not just a matter of ancient history, but is true today. Ask yourself who is behind the effort to take prayer and Bible reading from the Public Schools? Who heads most of the abortion clinics in Canada and the U.S.? Who is behind the effort to remove Christian scenes from public places? In at least 95% of the cases, you will find these cases brought by the Jewish led American Civil Liberties Union, in the name of a Jew. Now there is a concerted move underway to remove the Gideon Bibles from motel rooms, because of the "prejudiced" words of Jesus Christ, when He dealt with the Jewish religion. Yet our stupid "goyim Christian sheep," still call these people, God's Chosen!

The feelings of the Jew, even those who profess Christianity, can be seen in the actions of a Jewish pastor of an Assembly of God Church in Lauderdale Lakes, Florida. Pastor Harvey Koelner, a Jew, claims to be a "born-again" Christian. Yet he has written several pamphlets, with the Assembly of God logo on them, which are distinctly anti-Christian. One is, Santa Claus, the Easter Bunny and Jesus. In this tract he says: "Now comes the hoax of all hoaxes (guess he never heard of the Jewish HOLOHOAX, the story of Jesus. There is absolutely no piece of physical evidence on earth that can prove that Jesus existed. There is no historical evidence that he existed." Yet this man, calls himself a Christian minister.

A Jewish group in Washington State, called the Abelardreuchlin Foundation, recently wrote to me: "There is solid proven documentation which proves that the story of Jesus is false. It was a fictional story created by Flavius Josephus and the Romans. The inner circle of Christian clergymen know this is true." (I was in this "inner circle" for many years and I never heard a breath of rumor about this Jewish fable.)

A Jewish writer in Hollywood by the name of Hecht, said: "The Jews made a mistake when they crucified Jesus. I would have sent him to Rome to be fed to the lions. The Christians would have a hard time making a Savior out of mincemeat."

Another Jewish leader said: "The Jewish religion is reserved for only people of quality and excellence, those of superior intelligence, who operate on a higher plane than other people. You must realize that most Jewish people are more intelligent, better educated, and more successful than Christians," With this kind of arrogance, you can readily understand why Jews are universally detested. If you are really interested in knowing more about Jewish moral quality, don't go by what they say, or what the Judeo-Christian "sheeple" say; go directly to their religious book the Talmud and see for yourself. But don't try it, unless you have a strong stomach! If you don't want to go to this effort, just take time to listen to Jewish comedians on TV or in the movies.

Could it be this national attitude that Jesus censured in Matthew 23:15, when He told the scribes and Pharisees:

Woe (deep sorrow) unto you, scribes and Pharisees,
hypocrites! for ye compass (go over) sea and land to
make one proselyte (convert), and when he is made, ye
make him two-fold more a child of hell than
yourselves.

Was our Lord being anti-Semitic when He made this clear statement of facts? No more scathing denunciation of the Jewish religion can be found anywhere, than this which came direct from the Son of God.

When Pastor Sheldon Emry, of the Lord's Covenant Church in

Phoenix, Arizona, died from cancer a few years ago; his assistant pastor, Ben Williams, received this letter from a Jew:

Dear Pastor Williams:

Congratulations on the death of Christian Nazi Sheldon Emry, We (Jews) prayed to the G-d of Israel (Jews) for a painful and agonizing death for this Nazi scum, and G-d answered our prayers. We applaud and rejoice to G-d for snuffing out the life of Nazi Emry, who was a cancer to the entire world.

G-d assured us that Nazi Emry will take his place in hell along with Adolf Hitler and Satan (notice nothing is said about Stalin, who the Jews placed in power), and that the same fate will befall all his followers.

Pastor Emry, like Hitler, led a sick, perverted life, dedicated to Jew-Hatred and anti-Semitism, and he was stamped out by the G-d of Israel (the Jews) like the cockroach he was. Excrement flowed from his mouth and every pore of his body, and G-d flushed him down the toilet to hell. All your prayers to the false Messiah Jesus, the bastard son of Satan, are for naught! You will all experience the same fate!

You, the Christian Nazi's of America, are to be cursed by G-d and deserve all the punishments He has planned for you. Your blasphemous Christianity is an abomination to G-d and man.

Signed-The Messanic Jews!

Anyone who knew Pastor Emry, and he was a close and valued friend of mine, knew him for a dedicated Christian Patriot, who was hated by the Zionists because he told the truth about them. He was not an anti-Semite and he certainly was not a purveyor of hate.

It is interesting to me, to note that it is the Jews who are in the forefront of every effort to enforce so-called "hate laws," in

Canada and the United States, yet they are also in the forefront of dispensing hate towards Christians. These laws, such as the ones now in existence in Canada, protect the Jews and minorities from hateful remarks, but cannot and will not be use to defend Christians.

In an anonymous letter from a Jewish woman, written on a paper napkin, she consigned me to hell, and prayed that my wife would turn into a hog, my son into a dog, and my daughter into a frog. She said in closing:

"I curse you and damn your soul in the name of Yeshuah Ha-Mashiah. Thou art Anathema Maranatha and resigned unto the lake of fire for eternity . Die you devil! May you burn in hell for eternity! May you be blind and your flesh melt in the fire of hell!"

- SIGNED (With some name written in Yiddish).

According to Judeo-Christian and Masonic leaders, letters such as these are not "hate mail." But a book, such as this one you are reading, which tells the truth about these enemies of God and Christianity, is considered to be authentic "hate literature."

Can you imagine the hue and cry that would take place in the media, or among Christian and Jewish circles, if a letter such as the two I have quoted, were to be sent to some Jewish leader? They would literally "froth at the mouth," and would plaster the front pages of the nation's news, and the airways of TV, with examples of Identity Christians hatred towards the poor misused Jews.

The sad thing is, this virulent hatred of everything that has to do with Jesus Christ, reaches into every organization which is touched by Judaism, including the Freemason Lodge and the Judeo-Christian church. Be honest with yourself and ask this question: "What is so awful about being anti-Jewish, when they openly brag of their hatred for our King and how they mean to destroy us?" Do you honestly believe these enemies of our Lord should be allowed to openly blaspheme His name and ridicule His church, and destroy our Christian beliefs, just because they have proclaimed themselves to be God's Chosen People?

In Malachi 1:4, we read these words from the LORD God JEHOVAH! - "Whereas Edom (the Jews) saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they (Israel) shall call them (the Jews), The Border of wickedness, and the people against whom the LORD bath indignation (anger) forever."

Line Of Reasoning Used By Jews Against Christianity

There are three major lines of reasoning used by Judaism in their fight against Christ and Christianity.

- 1.- The argument that Christ never existed; that He was nothing but the figment of someone's over-active imagination. This idea will not stand up under the search light of recorded history.
- 2.- That Christ was nothing more than a great teacher and that He should be classified alongside Buddha, Mohammed, Confucius, etc.
- 3.- That Christ was a crazy fanatic, who was carried away by his visions of being the prophesied Messiah. (See the Jewish Encyclopedia and Hatelsmann's book WAR JESUS EKSTATIKER. The later book states: "there must have been an abnormal mental process involved in the utterances and behavior of Jesus." The Talmud openly calls Him "crazy." Some liberals say He was a homosexual, because most of His time on this earth was spent in the company of twelve men. While others, such as the writer of the movie, The Last Temptation Of Christ, pictured Him as not only crazy, but a lecher.

In reality, down through the ages, true Christianity has been the greatest protector of the Jews. I do not refer to "churchianity" here, since there is a great deal of difference. In Canada and the U.S., the "Jews are the Chosen People Myth" has become so deeply embedded in most evangelical and fundamental churches,

that the pastors and people believe God's promises made to Abraham in Genesis 12:3 - "I will bless them that blesses thee, and curse him that curseth thee," can be applied to the people we know as Jews today.

Yet the modern Jew is the perfect example of the anti-Christ defined very clearly in 1 John 2:22,23. In spite of this, the "brainwashed" Christians of the Judeo-Christian churches, completely overlook the Scripture warning of 2 Chronicles 19:2 - "...Shouldest thou help the ungodly, and love them that hate the LORD? therefore is wrath upon thee from before the LORD."

There were no people named Jews on this planet when God made His promise to Abraham and if you look at it very closely and objectively, it says nothing about these blessings and curses being handed down to his descendants. The people we know as Jews are first mentioned in the Bible, in 2 Kings 16:6, almost 1200 years after the time of Abraham, where we find them fighting against Israel.

The theory of a worldwide Jewish conspiracy, supported by Freemasonry, does not rest on the evidence of such question able documents as Protocols (although world Jewry is following them like a "blueprint"). In Protocol IX, we read:

The words of the liberal, are in effect our watchword - Liberty! Equality! Fraternity! (Strangely enough they are the "watchword" of world Freemasonry too). When we (Jews) come into our kingdom, we will change these words, not into a watchword, but an expression of our idealism. The right to liberty! the duty of equality! the ideal of brotherhood! That is how we shall put it! De facto (actually) we have wiped out every role but our own, although de jure (by rights) there remain a good many of them.

By being introduced to this doctrine of "broad-mindedness," under the guise of Jewish liberality, we have given the Jews "carte blanche" (discretionary powers) to attack liberty and Christianity. What Christian Americans and Canadians, including the members of the Lodges of Freemasonry, have been taught, is

to "tolerate the intolerances" of Judaism, since there are no more intolerant and prejudicial people anywhere on earth, than the Zionist Jews.

Again, in Protocol IX,

"At the proper time, we (Jews), the lawgivers, (to all intents and purposes they now control the Judicial systems of both Canada and the U.S.) shall exercise judgment and sentence. We shall slay and we shall spare... We will rule by force... (as they are doing now in Palestine, as they have in Russia since 1918). The weapons in our hands will be limitless ambition, burning greediness, merciless vengeance, hatred and malice." (How would you like to live under the control of such? This will happen, unless Christian people wake up and stop it!)

I am inclined to agree with Henry Ford, Sr. the great Christian industrialist of the early 1900's when he wrote:

To recognize the Jewish and Masonic question does not mean we have gone to a national campaign of hatred against Jews and Masons. It means we must see the stream which has been flowing through our civilization for years, which has at last accumulated the bulk and power to be a danger to us all.

Unfortunately, there are Christians within the Identity Movement, whose hatred for anyone who differs from them, reaches to all people, not just those who are a danger to us. I do not support this thesis in any way!

Personally, I am "fed up" with the Jewish and Judeo-Christian allegations that even to discuss the Jewish question is unfair and will be punished by God. Jews do not hesitate to criticize Christians, even those who support them. In fact, they often speak with sarcasm regarding the "Christian sheeple," they have so blatantly "hoodwinked," and who they lead around by the nose.

If you will attempt to read books written by Jewish authors, for "Jewish eyes only," you will see even more clearly what I am trying to say. I get angry when the Jewish controlled media lie

about me and my people and paint us in the most unfavorable terms imaginable. I am not being anti-Semitic when I tell you the truth about self-announced Jewish plans to destroy you, any more than I was anti-German, when I fought against the Nazi during World War II, fooled as I was by the Jewish propaganda of World War II, just as were 95% of the veterans who fought that war; but we were not "anti-German."

Here is a "fact of life" that Freemasons around the world need to take into account; it is found in Protocol XV:

When we (Jews) come into our kingdom through coups de'etat (violent overthrow of existing governments), we will make it our task to destroy every institution of secret societies, whose members will be punished by death. Most of them are known to us, since they have worked for us.

In every country on this earth, where Talmudic Communism has taken control, this has been their pattern of action. The "goyim" prostitutes (preachers, politicians, bankers, business men, Lodge members) who have helped them into power, have been eliminated; no matter how much you may have helped them, you are on their list for elimination. They tell you so!

While the Jewish controlled press of America, aided by their Masonic cohorts, wants us to believe that Jewish terrorist organizations are on the wane in Canada and the United States, Zionist leaders such as Irv Rubin of the Jewish Defense League, state that bombings of synagogues, by members of the JDL, "are for the purpose of busting up the Jews a little bit!" He says the JDL is trying to head off a "holocaust" in the United States and Canada by "eliminating all the white supremacist activities in the United States." (That means anyone who disagrees with them). This same Jew, who a few years ago offered a public reward of \$500.00 for anyone who would kill a Nazi and \$1000.00 if they would bring him their ears, has been above the law. You can imagine what would happen to an Identity Christian, who would be stupid enough to make a similar remark in public. He would have the Federal Government on his back, "like a hawk on a June

bug." The California District attorney who attempted to prosecute this case, in which Rubin was released, said: "The framers of the American Constitution would turn over in their graves if they could see the manner in which the First Amendment is being used to protect people who offer 'blood money' for the elimination of those they don't like."

Recent police reports from the East, show that in at least 2/3 of all cases where vandalism of synagogues or Jewish cemeteries occur, there are Jews involved. The JDL delights in efforts such as this, since it keeps their people "stirred up; full of hate, and ready to contribute to any cause the JDL desires." This is identical to the process used in Freemasonry, where the lower degrees obey, because of fear and ignorance.

We know from documented facts, that Grand Orient Masonry has exerted profound influence in politics, of all the nations of Christendom. We are not dealing with suppositions here, but with proven facts. There are many cases where the leadership of Freemasons in revolutionary causes can be pinpointed. We know their aims, because they have declared them in books such as Pike's *Morals And Dogma*. We know that Jewish power, which backs them and is shrouded in secrecy, has fooled millions of Masons into believing that they are members of an organization which is completely different from what they claim it is.

It is extremely difficult to convince anyone about the ulterior motives of Freemasonry, since a mother and father whose child has just been "saved" by the help of some Shrine Hospital, will not want to know the truth about those who have helped them. In this manner, Masonry, like International Zionism, has existed under a shroud of Mystery. That Jews have played a major role in Grand Orient Masonry, is a known fact. The Jewish Encyclopedia, in its article under the heading, Freemasonry states:

The technical language, symbolism, and rites of freemasonry are full of Jewish ideas and terms . . .
Jews have been most conspicuous in their connection with Freemasonry . . . since the French Revolution.

Chapter 17:

Zionist Capital and Masonic Influence Generate Genocide!

Most of the information in this chapter will be taken from Counterbias No. 5, published by the Sacred Survivors Of The Jewish Holocaust, P.O. Box 381, Waterloo, NSW 2017, Australia (Everything you wanted to know about the Zionists but were afraid to ask!)

Whether directly or indirectly, the Khazar tribesmen who falsely call themselves "Jews" are collectively guilty of over one hundred million wilfully committed murders during the Judeo-Communist rule of terror, the Judeo-Masonic World Wars and the present Zionist occupation of Palestine. (For the Bible definition of "pseudo-Jews" see Rev. 2:9; 3:9).

Falsified history books which are peddled far and wide by Mossad agents and the prostitute-historians in their employ, "war action thrillers" and so-called "War documentaries," in the movies and on TV have all churned out dozens of Judeo-Masonic fantasies. They would have the gullible American public believe that we won World War II, just as the Zionist Jew, Henry Kissinger, called our withdrawal from Viet Nam, a "victory with honor." The truth of the matter is that we, the Anglo-Saxon, Celtic, Scandinavian peoples, lost both World Wars, which were fought with brother Israel nations, and have lost every "brush fire" war into which we have been sucked by the Jew-Mason dominated United Nations.

While Stalin's "red horde" was conquering Eastern Europe, with

the help of men such as Winston Churchill, Franklin D. Roosevelt, and Gen. Dwight Eisenhower, the Zionist-Masonic shysters were reclaiming with a vengeance the western part of the continent, not merely reestablishing, but multiplying a hundred fold their ownership and control of commerce, industries, education, the media, and the "goyim" governments. The truth is that World War II was prolonged for two years, with the loss of millions of extra lives, while the Jew internationalists hoarded billions more of Christian money. Both General Patton, and British General Montgomery wanted to invade Europe in 1944, through the "soft underbelly of Europe." This would have liberated all the Eastern European countries which are now under Communist Control. But Gen. Eisenhower, egged on by his boss, Franklin Roosevelt, and Winston Churchill, the drunken Premier of Great Britain, backed the "red murderer" Stalin and the war was extended for two more years, while Stalin consolidated his hold on all of Eastern Europe; a hold which has not been relinquished to this day. It was fear of Patton's exposure of this plot, which led to his assassination, although the official version of his death will not admit this.

World War II was provoked by the International Jewish-Masonic shysters in the first place, solely out of pathological greed and plain racial spite, not because of their "love for dear little Poland." The National Socialist regime of Adolf Hitler, whatever may be said against it, had practically eliminated crime and corruption, and had brought about economic and social reforms, which provided jobs and low-interest loans for all. This had practically put the "usurers, stock exchange speculators, all manner of pimps, all slumlords and other parasites completely out of business."

No one in the West denies that the Soviets either annexed or colonized nearly a dozen independent European countries, which they had liberated during World War II, and then proceeded to introduce them to a "blood bath, ala Stalin style," a class struggle with its obligatory "liquidation of all hostile elements," which meant principally Christians and near starvation for the rest. How can this be described as a "victory for Democracy?"

Hitler's invasion of Poland was used as a pretext for the war in Europe, which the International Judeo-Masonic leaders had been planning since 1918. Curiously enough, when Stalin invaded the Baltic states, the western press did not consider this as an invasion, it was called "liberation of Western Ukraine." (West Ukrainians have yet to be convinced of this). At the Yalta Conference, a dying American President, controlled by his Communist advisor Alger Hiss, and a vacillating drunkard of a British Prime Minister, Winston Churchill, sold out all of Eastern Europe to the murderer from Russia. In fact, they handed this area to Stalin "on a platter," possibly as a reward for his having exterminated 15,000 Polish officers at the Katyn Forest Massacre.

While attending the Yalta Conference, Winston Churchill, accompanied by his equally alcoholic daughter, was treated to frequent excursions of the numerous Crimean wineries liberated by the KGB. He was hardly ever sober, according to eye witness accounts. Having prostituted himself at Yalta, he later went on to speechify, with great "crocodile tears" in his bloodshot eyes, about the "Iron Curtain" which had descended over Eastern Europe.

Being a Freemason, as well as an agent of the richest Jewish financiers, Churchill, like Franklin Roosevelt, did everything possible to instigate the world war, and drag the United States into it and later on, to arm Stalin's legions to the teeth to assure victory. It was during the early days of 1942-43, when American troops were dying on the atolls of the Pacific for lack of military supplies, that we were sending the Russians \$11-billion in Lend Lease, with priority of shipment to the Communists. This was one of the reasons that Rudolf Hess, who was I believe a sincere messenger for peace, was kept incommunicado for the duration of the war. If the British people had been allowed to hear what Hess had to say, the war could have been over by the end of 1943. It is strange to see how Churchill vacillated in his intentions towards Germany. In 1933, on the wake of Hitler's being appointed Chancellor of the Reich, Churchill spoke with admiration of "Germany's splendid clear-eyed youth, burning to

die for their fatherland." At that time his interests lay with Germany. But when he was hired secretly, as an agent of influence for the Board of Deputies of British Zionists, he started going on about the "Huns" and the "Barbarians" who were ruling Germany. He was a perfect example of a "double-minded man," and the Apostle James says of such: "A double-minded man is unstable in all his ways" (James 1:8).

Having stormed into the Judeo-Masonic trap of the Anglo-French "guarantees" to Poland, which were laid for him in 1939, Hitler would have certainly crashed through, if it had not been for the machinations of this Masonic drunkard from England.

Hitler soon found himself at war, not only with his old enemy from Russia, but with Britain, the old bastion of the Grand Orient Lodge of Freemasonry and with the United States which had become the Judeo-Masonic "arsenal of democracy."

In the late 1930's the Soviet Union was described by many noted historians as the "colossus on feet of clay." Most of its infantry soldiers had never seen a semi-automatic rifle. All of its plywood and canvas covered aircraft were almost as useless in the air as they were on the ground - it was on the ground where the Soviet Air force was almost wiped out on the opening day of the war. Most of their tanks would not move and the mechanics knew little about their upkeep. It was only the Russian winter, which kept Hitler from overrunning Moscow and ending once and for all, for all time, the Communist-Masonic danger to the world. But it was not to be. This is when the "Evil Empire" was at its weakest, and when the Judeo-Masonic forces set out to bolster her. One wonders where the "latter day fire-and-brimstone" anti-communists were in those days. Ronald Reagan, for example, was a class B movie player in Jew-run Hollywood, and a registered Democrat no less.

Hitler, who was a self-confessed admirer of Great Britain, never sought a war with the West. That is why he allowed the defeated British Expeditionary Force at Dunkirk to slip across the channel. Instead of subjecting them to humiliating surrender, or hopeless massacre, Hitler's naive racial sentiments concerning "Aryan

Brotherhood" made him blind to the fact that its destruction would have possibly saved the war for Germany. Of course the Judeo-Masonic rulers of Britain - its mercenary middle-class, its tainted low-degree Masons included, were always "replaceable resources," for the alcoholic Churchill and his ambitions to please his Zionist masters.

The drunkard prime minister of England, became the greatest undertaker of all times, as he sacrificed millions of his people, in order to win the praise and backing of his Jewish masters.

He was undoubtedly the most boisterous political prostitute of the Twentieth Century, exceeding even Franklin Delano Roosevelt, and that's saying a lot. As a member of the British Parliament and a paid agent of the Jewish Board of Deputies, he went in for a great deal of anti-German war mongering, readily forgetting about the "international Jewish Bolsheviks" he used to rail against. His Zionist paymasters finally "hit the jackpot" when Churchill finally bullied his way into 10 Downing Street in 1940. Every pound of "human flesh" sacrificed by the British Commonwealth of Nations and the United States, was at the disposal of the "Shylocks" of International Zionism. About to begin was the most sacred and mysterious Kabbalistic ritual; a miraculous transfiguration of tens of millions of "goyim" corpses into giant piles of Jewish dead, which led to more money for the Zionists and wider avenues of Zionist world power.

Here is what Churchill said about the Zionists in 1920, as reported in a Feb. 8, 1920 issue of the Illustrated Sunday Herald:

There is no need to exaggerate the part played in the creation of Bolshevism ... by these international and... atheistical Jews ... the majority of the leading figures are Jews ... the principle inspiration and driving power comes from the Jews. The predominance of the Jews in the Soviet institutions is even more astonishing. And, ...the principal part of the system of terrorism applied by the CHEKA (KGB) has been taken by the Jews... The same evil prominence was obtained by Jews during the period of terror during which Bela

Kuhn ruled Hungary. The same phenomenon has been allowed to prey upon the temporary prostration of the German people... The fact that in many cases Jewish interests and Jewish places of worship are expected by the Bolsheviks from their hostility, has tended more and more to associate the Jewish race ... with the villainies which are being perpetrated.

Not unlike Churchill, and, indeed, not unlike almost all the American Presidents from George Washington to George Bush, President Franklin Roosevelt was a Freemason whose prior allegiance was owed to that nefarious brotherhood, not to America. The Jewish "Usurer" Bernard Baruch, also a high-degree Mason, was an advisor to FIVE AMERICAN Presidents and was one of the close associates of FDR. The dissolution of Freemasonry, the expropriation of the parasitic Jewish finance capital in Germany by the National-Socialist government and the newly-won economic independence from the international usurers-bankers put the whole of Germany on the Judeo-Masonic "hit list."

The all too noticeable prosperity of the German people under the new populist government was bad news for the usurers; and President Roosevelt came from a long line of bankers and Stock Exchange crooks to whom a government "of the people, by the people, and for the people" was bad for business. As far back as September 1938, Harold L. Ickes, FDR's Secretary of the Interior asked Roosevelt: "Is this Munich crisis good or bad for us in the United States?" According to Ickes private diary, Sept. 13, 1938, Roosevelt replied: "Every European nation is going to have to buy guns and arms and ammunition from us! Already the gold of Europe is flooding across the Atlantic at a rate so fast we haven't got enough warships to bring it over! Any crisis in Europe can do only good." (Of course he was referring to "good for his Zionist masters.")

It has been pretty well established that Roosevelt willfully committed high treason and consented to premeditated murder of American citizens at Pearl Harbor. This moribund paraplegic

desperately sought "Casus belli." He was no doubt, ably advised by his Jewish financiers, Bernard Baruch and Henry Morgenthau. Sure enough, the planned sacrifice of thousands of American servicemen was the pound of flesh which was well invested with the international Judeo-Masonic bankers. If a common name for traitor in America is Benedict Arnold, since World War II it should have been Franklin Delano Roosevelt. Instead, he is held up to the praise of our people as one of our greatest presidents. If the argument is used that this treason was necessary to defeat "fascism," it might be well to recall that the worst kind of "fascism" ever known, was the Judeo-Masonic Stalinism of the Soviet Union.

The Churchill imposed war in Europe and the Roosevelt staged fiasco at Pearl Harbor, led to the fall of Singapore, the Pacific Islands, as well as the whole of South East Asia.

Thousands of Allied soldiers died in the fighting and millions of civilians were needlessly killed. Some 27-million Russian slaves were killed from 1939-45, as they saved the hides of their not-so-Russian slave drivers from extermination at the hands of the Nazis.

That was the real "New Deal" which the American people were never told about by their Judeo-Masonic media. There were many things which we were not told, which are just beginning to surface. As they do, more and more Americans are beginning to burn with "righteous indignation" against a government which has become so subservient to a foreign anti-Christ power, that it will abandon the welfare of its own people.

Although facts prove that the Nations of Christendom, betrayed by the Judeo-Masonic plutocrats lost the war in Europe, the prostitute-historians whose cushy appointments in academia are controlled by these same plutocrats, have remained conveniently silent, while the Judeo-homosexual Hollywood and Judeo-Masonic TV networks keep trumpeting, as if it happened yesterday, that it was Germany who started the war, that it was Germany who wanted to conquer the world, when all facts point otherwise. If the invasion of Poland was the real cause of World

War II, which of course it obviously wasn't, then both the National Socialist regime of Germany and the Judeo-Communist dictatorship of Russia, must be regarded as being equally responsible for this "holocaust,"

While we have heard a great deal about the plight of the poor Jew in the Soviet Union, the fact still remains that many of the Jews in the Soviet Union, still hold important, well-paying jobs and have standards of living and education, much higher than that of the ethnic Russian.

Of course, it is natural, that in the ongoing "superpower rivalry," a great deal of fuss is being made by the Jew megalomaniacs about the fact that the Jews in Russia are no longer in control of the Soviet Empire; but are instead in control of Russian natives, who were converted to their Judeo-Marxist dogma by the Jewish leaders in the first place. The Jews don't really mind, that the regime they set up in Russia, turned into something infinitely more repressive than anything under the Tsar. Gorbachev not excepted. What the Jews are really upset with, is that more and more native Russians are getting into positions of power and that they can no longer be considered High Priests of the Communist Cult. To their way of thinking, this is "anti-Semitism," although not one in ten of them has any claim to being a Semite. Menachem Begin put this thought into words a number of years ago, when speaking in New York to a group of Jewish millionaires, he said: "There would be nothing wrong with Communism, if we were still running it!" A few million dead "goyim" means nothing to this Judeo-Masonic crowd!

However, in spite of all those make-believe "anti-Soviet" wailings of the crypto-Communist New York Jews, the under-the-table dealings between the Zionists and the Soviets are just as cozy as those which once took place between the Zionists and the Nazis. If you don't want to accept this, then ask yourself why 50,000 Jews are being allowed to enter the United States, and receive hearty contributions from the largesse of the American people, while you hear nothing of Russian Christians being allowed to leave enmasse.

That the Jew-Masonic plutocrats are still in charge of the governments of Canada, England and the United States is a matter of fact. Hence the "Jewish immigration" is a "cherry on the pie" of every dealing we have with the Soviet Union. It has become an open invitation for the KGB and the MOSSAD, to send their finest agents to the United States as "poor, harassed immigrants." How many of you would like to make a bet, that a majority of the Jews who come to this country are not trained KGB agents for the not-so-Gentile Soviet Union?

The very subject of the "Jewish immigration" to the United States, is a classic example of the Zionist-Masonic controlled media's ability to exercise mass emotional blackmail on behalf of the MOSSAD and the KGB, in order to persuade the "suckers" of the Christian world, that we need those "poor Jews" here.

This media has become so clever in subterfuge, that they can now sell AIDS as a "new and wonderful human experience," since Rock Hudson had it and Elizabeth Taylor endorsed it - they have even made it sort of "quasi-respectable." When in God's name will we come to our senses?

Whether directly, or indirectly, the Khazar tribesmen who called themselves "Jews and are not, but are of the synagogue of Satan" (Rev. 2:9; 3:9), are collectively guilty of over 100-million murders, while they "scream and wail" over 6-million Jews who were supposed to have died during World War II, and who never existed. The role of these Judeo-Masonic gangsters in the economies of the West, is about the same as that of the New York Gypsy card-sharps and fortune-tellers, except that the scale of the Judeo-Masonic "ripoff" is astronomical.

There is little doubt that it is the Jewish financial capital that owns and controls the Western governments of England, Canada and the United States, and who are telling our people how to act and think. Even questioning the authority of Jewish financial and political power is a "horrible thought crime." We will never return to real freedom in America and Canada, until our "brainwashed" people, yes, most of them who go by the name of Christian, are willing to wake up, look facts in the face and

recognize who the real enemy is.

Karl Marx put it well when he said:

What is the real god of the Jews? The bill of exchange.
Money is the one jealous god of the Jews, beside which
no other god may stand!

What is the object of Jew worship? Usury! The
organization of society in such a way as to abolish the
possibility of usury, would make the Jew impossible.

Chapter 18:

Important Points of Connection Between Zionism and Freemasonry!

It appears as though we have strayed a bit "a field" in our major purpose of showing the "hidden power" behind Freemasonry. Here are a few more facts which you may find interesting and of importance in understanding the problems we face.

- 1.- The masonic coat-of-arms which is still used by the Grand Orient Lodges of England and Europe was Jewish designed.
- 2.- Some of the most important legends of Freemasonry come from Jewish sources. The legend of Hiram Abiff, for instance, on which Freemasonry is founded and on which many of its rites are based, is of Jewish origin.
- 3.- The technical language, symbolism and rites of Freemasonry are full of Jewish ideas and terms. In the Scottish Rite, the dates of all official documents are given according to the Hebrew months and the Jewish era: and use is often made of the older Hebrew alphabet. (See the Jewish Encyclopedia, under "Freemasonry," Vol. 5, p.503.

It may be of interest to note that it was Jews who introduced Freemasonry to the United States and who became a powerful force in American Freemasonry, (See Joudin, "Les Fideles De La Centre-Eglkise Macons, "pp. 37-45. Full documentation is given here).

The Masonic rite of Mizrain, with at least 90 degrees, is perhaps the most esoteric and elaborate rite in all of Masonry. It was

founded by Jews, as was the order of B'nai B'rith (Sons of the Alliance), which is an all-Jewish Lodge and the father of the infamous Anti-Defamation League.

The order of Mizrain is found mainly among the European Lodges, some of which are exclusively Jewish. The B'nai B'rith is mainly an American Jewish Lodge, although some do not formally recognize it as being Masonic. But its organization, intimate alliance with, and its intimate objects are the same as in Masonry. In the German Masonic Review Latonia, Feb. 28, 1928, the lodges of B'nai B'rith were explicitly referred to as being Masonic, in fact they were recognized as being the controlling Masonic power in Germany.

In the Jewish Chronicle,

Oct. 19, 1889, you can find these remarks on pp. 77, 78:

Masonry tolerates everything except a clericalism (Catholicism) and it possesses a special attraction for Jews. Clericalism has always persecuted Masonry everywhere. There exists between Jews and Freemasons an invisible but potent natural alliance against a common enemy... Together they fight . . . against religious fanaticism and racial antipathies.

Much of the present day liberalism in politics, which encourages interracial marriages; laws which discriminate against whites in employment, etc., are promulgated by legislators who are Freemasons. It is all part of their heritage as Lodge members. It might be of further interest to note, that the International Bankers who dominate international finance and who were responsible for the Federal Reserve Act of 1913, which now controls American economics, were Jewish Masons.

In a remarkable study, done over a hundred years ago, a French writer, Gougenot de Mousseauz, collected large numbers of documents which proved beyond the shadow of a doubt, that Jews ran the inner circles of Freemasonry in Europe. On pg. 340 of his book *Lejuif, Lajudaisme. el la Judaisarion des Peoyles Chretiens*, published in Paris in 1869, he said:

The real chiefs of this immense association (Freemasonry) are mostly Jews, and live in close and intimate relationship with the militant members of Judaism, those namely, who are leaders of the Cabalist section. This is known to only an intimate few in Masonry.

M. Daniel, another French writer, quotes from Mons Barbier's *Infiltrations Maconiques*, p.99:

I have often heard French Masons lament the dominance of Jews... Ever since the revolution, Jews have taken possession of Masonic rites. The Cabala rules its mistress in the inner-circle of the Lodge and the Jewish spirit dominates the lower grades... In the mind of Satan, the synagogue has an all-important part to play... The greatest enemy counts on the Jews to control Masonry, as he counts on Masonry to destroy the Christian faith.

So, as you can see, the infiltration of Masonry by Judaists, is not something which has happened just recently. The professed aims of the Universal Israelite Alliance, founded in 1860, with its headquarters in Paris, runs parallel to the professed aims of Freemasonry and its founder, the Jew Adolf Cremeieux. For years he was the Grand Master of the Supreme Council of the Ancient Scottish Rite of Freemasonry. (For a list of the governing committees of this Jewish Alliance, see the *Jewish Who's Who*, published in New York City)

In France, the Jews were refranchised in 1790, under the influence of the Jacobins, who were the most aggressive and militant of the anti-christ forces which plagued France at this time. Since then, with the possible exception of the early Napoleonic era, Masonic Jews and Masonic societies have dominated the public and political life of France. Today, Christian Countries such as Canada, Germany, England, the United States, Australia, Sweden, Norway, etc., have fallen under an almost complete Judeo-Masonic yoke.

While most Masons will aggressively deny this, the anti-Christian character of Freemasonry is kept in the dark, and the inner circles of the Lodge are defended with fanaticism.

To give you an example, the following is part of a speech, delivered Sept. 20, 1902, by Senator Gelpech, President of the French Grand Orient:

The triumph of the Galilean (Christ) has lasted for many centuries, but now he dies in turn. The mysterious voice announcing the death of the impostor god (Jesus), who promised an era of justice and peace to them who believed him. The illusion has lasted for a long time. The mendacious (false) god is now disappearing in his turn. Brother Masons, we rejoice to state that we are not without our share in the overthrow of this false prophet. The Roman Church, founded on this Galilean myth, began to decay rapidly in the day in which the Masonic Association was established.
(UNQ).

There are many other such anti-Christ statements which have come from the lips of the leader's of Freemasonry. (See Albert Pike's *Morals And Dogma*). On pg. 582 of this 861 page book (plus a 218 page annex), Pike says:

Man was created pure; and God gave him truth, as he gave him light. He has lost the truth and found error... The soul that is impure and sinful, and defiled with earthly stains, cannot again unite with God, until, by long trials and many purifications, it is finally delivered from the old calamity and Light overcomes Darkness and dethrones it, in the soul.

This is Oriental Mysticism, chapter and verse. But what does the Bible say about this? In Romans 6:23, we read; "For the wages of sin (disobedience of God's law, 1 John 3:4) is death; but the gift of God is eternal life, through Jesus Christ our Lord." And in Ephesians 2:8

- "For by grace (the unmerited favor of God) are ye saved

through faith; and that not of itself; it is a gift of God, not of works, lest any man should boast." Men and women do not obtain personal salvation through "long trials and many purifications," as Pike avers.

On pg. 625, Pike again states:

The Kabalistic doctrine has long been the religion of the Sage and Savant (eminent scholar); because like Freemasonry, it incessantly tends towards spiritual perfection, and the fusing of the creeds (religions) and nationalities of mankind. (Here he is referring to "miscegenation," the sexual union between different races, which is forbidden by God's command).

Page 643:

A man who has a higher concept of God than those about him, is very likely to be called an atheist by men who are really far less believers in god than he. These Christians, who say heathen idols are not gods, were accounted atheists by the people, who accordingly put them to death. Jesus Christ was crucified as an unbelieving blasphemer, by the Jews.

There is a formal atheism, which is a denial of God in terms, but not in reality . . . this absolute denial of God is only formal and not real.

On pg. 718 Pike states:

No dispensations of God's providence, no suffering or bereavement, is a messenger of wrath: none of its circumstances are indications of God's anger.

I wonder which Bible Pike read, for in Psalm 7:11, it is clearly written - "God judgeth the righteous and God is ANGRY with the wicked every day." (Emphasis mine).

Psalm 76:7 - "Thou, even Thou (God) art to be FEARED: and who can stand in Thy sight when Thou art ANGRY?"

Isaiah 1:4 - "...they (Israel) have forsaken the LORD, they have provoked the Holy One of Israel into ANGER..."

Deut. 13:17 - "...that the LORD may turn from the FIERCENESS OF HIS ANGER and shew mercy, and have compassion upon thee . . ."

Dent 29:24 - "...wherefore hath the LORD done this unto this land? (destroyed it) what meaneth the HEAT OF THIS GREAT ANGER?"

1 Kings 16:2 - (Spoken to King Jehu of Israel): "...Thou hast made my people Israel to sin, to provoke me to ANGER with their sins."

Isaiah 12:1 - "...Lord, I will praise Thee: Thou wast ANGRY with me, Thine ANGER is turned away and Thou comfortest me."

Jeremiah 36:7 - "...For great is the ANGER AND FURY that the LORD hath pronounced against this people."

In Deuteronomy 28:1-14, we read where God will bless Israel (not the Jews), if they will obey Him, but in verses 15-68, He lists the curses which will deliberately disobey.

In the New Testament we read, "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness" (yes, even Masons!) (Romans 1:18).

Ephesians 5:6 - "Let no man deceive you with vain words: for because of these things cometh the WRATH of God upon the children of disobedience."

1 Thessalonians 2:16 - "...For the WRATH of God is come upon them to the uttermost."

Revelation 6:17 - "For the great day of His (God's) wrath is come."

Revelation 14:10 - "The same shall drink of the WRATH of God upon the earth."

Revelation 16:1 - "...pour out the vials of the WRATH of God upon the earth."

Revelation 19:15 - "...He (Jesus Christ) treadeth the winepress of the FIERCENESS AND WRATH OF ALMIGHTY GOD."

These are only a few of the many Scriptures relating to God's ANGER and His WRATH against evil doers in the New Testament. Who are you going to believe? The "guru" of Freemasonry who says that "God is incapable of anger," or the Word which says He is not only capable of it, but will exercise it against those who refuse to bow the knee to Him!

The immediate aim of the practical policy of Freemasonry is to make its "naturalistic principles" effective in the lives of men everywhere; and first of all, to enforce them in public life.

The Political and Social Program of Freemasonry, includes:

- 1.- The removal of Christianity from all departments of government and from all public institutions. (The policy of removing Christian symbols, such as Christmas trees and Easter signs of Christian significance, are carried out mainly through the Jewish Masons in the American Civil Liberties Union). To remove all religious emblems from legislative assemblies, courts of justice, public hospitals, schools, universities, and colleges, etc., even though this nation has been declared by the Supreme Court, to be a Christian nation.
- 2.- The secularization of marriage and making an easiness of divorce. These are also principles of Communism.
- 3.- The establishment of a State system of education which will avoid all Christian influence and will be based on the religion of "secular humanism."
- 4.- Complete freedom for worship for everyone, including Satanists, and,

5.- Unrestrained liberty of the press, even to promoting anti-Christian doctrines and principles subversive to Christian and American standards. Similar freedom is to be granted on stage, television and movies. To promote public activities such as betting, gambling, consumption of alcohol, use of drugs, etc.

This Masonic program favors a "democratic" form of government, with indiscriminate universal suffrage and the centralization of bureaucratic power. (In other words, what we are speaking of is a "socialist dictatorship," with them in control.) It opposes Christian patriotism, the idea of a strong Christian family, and finally seeks to organize society into classes which are bound together with common interests. Its overall policy is towards commercialism, a false internationalism, a lack of individualism, and Socialist slavery in the end.

One of the worst features of the present day Lodge is the tyranny of the moneyed interests which control its top echelons. These men, working hand-in-glove with the International Jewish Bankers, dominate high finance and exercise control over the credit of the nation in every phase of our national life. The number of these elite, who control the nation from behind the secrecy of the Lodge, is small indeed, but extremely powerful due to the "power of the purse." For it has long been known that he who controls the economics of a country, controls its politics. That is what Amsel Rothschild, many years ago, was able to say with truth: "Give me control of the economics of a country; and I care not who makes her laws."

Because of this evil trend, we have not had an American government in Washington in over fifty years, no matter whether Republicans or Democrats have been in power. The real power behind the throne has been the Internationalists, who adhere to the principles of Judaism and Freemasonry. (For further information on this, send for my book *The Great Conspiracy*.)

This is one reason we see little change in foreign or domestic policy, when there is a change of Administration. They speak completely different, but are controlled from the same source.

This is one reason they fight so fiercely against the rise of a Third Party, which might "throw a monkey wrench" into their process of control.

At the present time, the foreign policy of America is under the control of Jewish and Masonic interests, personified in the little German Jew, Henry Kissinger, who during World War II as a Master Sergeant in the American Army in Germany, was a "double-agent" for the Communists, and who still embraces their aims. This is the same cartel which control how Americans dress; what they read; what they see and hear on radio, TV, and in the movies. It determines what businesses will succeed and which will go bankrupt. Through their control of a nation's economics they have the power to destroy anyone who stands in their way of the One-World Zionist-Communist-Masonic government, which has been their ultimate goal from the very beginning.

The members of this financial ring, for over fifty years, have been identified in large part with Jewish-Masonic leadership.

When the great Christian Industrialist Henry Ford, Sr., kicked over the traces in the early 1920's and began to expose the Jewish-Masonic conspiracy, they set out by any means at hand, no matter how dirty or underhanded, to destroy him. After several attempts at assassination failed, they finally put so much pressure on him and his family, that he apologized to the Zionist faction he had fought so valiantly for so many years. Today, through the influences of the Ford Foundation, which went into the enemy camp on the death of the "grand old man," we find them building automobiles for the enemy, in a Ford plant in Russia.

The spread of "rationalism," "Humanism," and now the "New Age Movement," all of them virulently anti-Christian, have been successful mainly because of Jewish and Masonic efforts and cooperation.

Chapter 19:

Jewish and Masonic Control of the Media

It would take a full sized book to discuss in full, the Jewish and Masonic control over the media of the nations of Christendom. Whenever this control is brought to the attention of the American people, especially Christians, great cries of anguish go up from the enemy camp, and especially loud and plaintive is the cry of "anti-Semitism." While they love to control what the American people hear and see, they do not like to have this control discussed by the "bourgeoisie," and they are especially violent against anyone who exposes this control.

Today, in 1990, the great capitalistic presses of the United States, England, Canada, Germany, and France -presses which are referred to as "the Free Press," are almost 100% under the control of the great Jewish-Masonic financiers.

Let's look at some facts which cannot be disputed. In 1982, at least 909 major daily newspapers in the United States, with a daily readership of some 49-million, were Jewish owned and/or controlled. The majority of Jews who controlled these newspapers were high ranking Masons. These included the following:

WALL STREET JOURNAL - 1,406,192 - Warren Henry Philip, (Jew) President.

LOS ANGELES TIMES - 1,000,866 - Simon Ramo (Jew) Director.

NEW YORK TIMES - 906,498 - Arthur Ochs Sulzburger, (Jew) President.

CHICAGO TRIBUNE - 750,707 - Edward Engle,
(Jew) V.P.

DETROIT NEWS - 626,801 - B. Gingold (Jew) V.P.

CHICAGO SUN-TIMES - 554,334 - Howard Seitz,
(Jew) Dir.

DETROIT FREE PRESS - 623,846 - John Livingston
Weinberg (Jew) ,Dir.

WASHINGTON POST - 534,400 - Katherine Myer
Graham (Jew), Board Chairman.

In addition, the vast majority of daily newspapers with distribution between 250,000 and 500,000, are Jewish owned and/or controlled. These include the SAN FRANCISCO CHRONICLE; MIAMI HERALD; ATLANTA JOURNAL; INDIANAPOLIS STAR; BOSTON GLOBE; KANSAS CITY TIMES ST. LOUIS GLOBE-DEMOCRAT and the OMAHA WORLD HERALD.

Over 47 major weekly magazines, with an estimated readership over 78-million, are Jewish owned and/or controlled. These include:

TV GUIDE - 19,168,096 - Walter Annenberg (Jew),
President.

McCALL'S MAGAZINE - 6,801,287 - Robert Stein
(Jew), Editor.

GOOD HOUSEKEEPING - 5,250,597 - Harrison
Aaron Mitnich (Jew), Treasurer.

TIME MAGAZINE - 4,425,270 - Arthur Heiskell
(Jew), Chairman of the Board.

SPORTS ILLUSTRATED - 2,267,547 - Katherine M.
Graham (Jew), Board Chairman.

U.S. NEWS & WORLD REP. 2,036,140 - Lester Tanzer (Jew), Ed.

All of the major TV networks are controlled by this Jewish-Masonic cabal:

ABC Network - Leonard Goldenson (Jew), Chairman.

CBS Network - William Paley (Jew), Chairman.

NBC Network - Robert Sarnoff (Jew), Chairman.

Metro-Media Network - Herbert Klein (Jew), V.P. & Director.

Do you wonder now, why there is so much pro-Zionist slant in our news. (For more details, send for my booklet, Satan's Kids.)

Even many privately owned newspapers, which are not Jewish owned, have a great deal of control exerted over them because Jews and Masons control the nations advertising, which is necessary for a newspaper or magazine to be successful.

The great world news agencies such as United Press and Associated Press are Jewish controlled, as are Reuters and Wolff in England and Germany.

This is one of the major reasons that the Christian Patriotic Movement in Canada and the United States will never receive fair coverage. It is the nature of the Jewish-Masonic beast to "lie."

In his book Antisemitism, Jewish apologist Bernard Lazare says:

The Jew is not content to dechristianize, he Judaizes; he destroys Christian beliefs; he provokes religious indifference, but he also imposes on those whose faith he destroys, his own concept of the world, of morality, and of human life; he labors at the age-old task - the destruction of the religion of Christ.

This was not meant as an expose, but was a boast regarding

Jewish power.

The whole Socialist World Movement, from its beginning, was a Jewish-Masonic operation. It has only been within the last hundred years, that the objective of a world controlled state, controlled by Jewish-Masonic power using gold and international money power as its principle instrument of control, has come to the forefront,

In spite of its claims to the contrary, International Freemasonry has proven itself to be essentially materialistic, naturalistic and selfish. The aims of Freemasonry must always be placed first in the life of a member, before that of God, country, or family.

As far back as 1917, the objective of World Masonry has been openly declared by its leaders. At a conference of Masonic leaders from the Allied Powers (France, England, Italy, etc.), held in Paris, January 14, 15, 1917, it was decided to convene a Congress of Freemasons in June 1918. This would include Masonic leaders from all the Allied and Neutral Powers. This Congress was for the primary purpose of making the following declaration:

To prepare the way for the United States of Europe; to set up a supra-national (above all nations) authority, whose purpose would be to settle disputes between nations. Freemasons were to be the propaganda agents of this venture, which it was said would bring universal peace and happiness to mankind, viz., this was to be The League Of Nations.

In the Protestant churches of the early 20th Century the nature of Freemasonry was clearly understood and openly condemned. At a conference of English Methodist ministers, held at Bradford, England, June 22, 1927, the following resolution was passed: "Freemasonry in its ritual and official language is of a theistic nature... The distinctive faith of Christianity and the Christian message of salvation through faith in Jesus Christ is wholly incompatible with the claims put forth by Freemasonry in writing and speech."

This Methodist Conference recommended that Methodist ministers have nothing to do with Freemasonry. During recent months, the Protestant clergy of England, have condemned Freemasonry as being anti-Christian.

Chapter 20:

The Ethics of Freemasonry

The foundation of Masonic morality or ethics, is not founded on the religion of Jesus Christ, the "faith once delivered unto the saints," (Jude 3). It is founded on the false, man-made religion of Freemasonry, which is "Secular Humanism."

Masonic ethics define the duty of a Mason to his "fellow Masons," not to mankind as a whole. In this they follow the example of the Jews, whose code of ethics concerns only the Jews, not the "goyim animals" they rub shoulders with.

In Freemasonry, the ultimate standard of what is right and wrong, is wrapped up in what is good for Masonry, not in what the Bible says about it. They do not follow the Law of God, as given to Israel on Mt. Sinai, universally known as the Ten Commandments. They follow what Masons call "the law of nature and nature's god." This, they teach, is the operation of the Divine nature in man, as discerned by human reason and experience. The Mason is not taught the Scriptural truth, that the "heart Jewan is desperately wicked and deceitful above all things" (Jer. 17:12); instead they are taught that through the "innate goodness" of man, he can become like God. The moral aspects of the "law of nature," cannot be found in Scripture, but in the "lectures, obligatory oaths, and geometrical figures and terms of Freemasonry."

These moral obligations are veiled to the lower ranks of the Lodge, under symbolism known only to the higher initiates.

The Ten Commandments, as explained by Jesus Christ, are rejected and repudiated by Freemasonry, though their retention of what they call "moral law." The law given to Israel on Mt. Sinai,

is considered to be "too narrow" for the higher intelligentsia of the Lodge to accept. So they substitute the GREAT ARCHITECT OF THE UNIVERSE, for GOD ALMIGHTY, while they substitute their "natural law," for the "immutable (unchangeable) law of God,"

In Mackey's Jurisprudence, p.205, Mackey states:

The Ten Commandments are not obligatory upon a Mason as a Mason, because the institution is tolerant and cosmopolite (a citizen of the world), and cannot require its members to give their adhesion to any religious dogmas or precepts, excepting those which express belief in God and the immortality of the soul.

Masonic law, had its roots in "Deism." It was "deism" which transformed the Masonic guilds in Europe from an operative into a speculative fraternity. The Masonic Lodges, under the influence of the Jewish Humanist-Intelligentsia Movement, adopted "natural law" as its moral law. It is a law which appeals to the carnal nature of man, because there is no Superior Being to whom one is responsible. In reality, in Freemasonry, as in Judaism, man becomes his own god.

Findel, a high ranking Mason said:

The decisive agent in accomplishing the transformation of Masonry was that intellectual movement under the name of 'deism,' which boldly rejected all revelation and religious dogma, under the banner of 'Reason,' and 'Higher Criticism!'

Early Masonic leaders such Lord Herbert Hobbes, Lord Bolingbroke, Dr. Tindal, David Hume and others, taught that the indulgence of lust and anger, self-love, ambition, lust for power, could all be gratified. In other words, it was to become man's chief duty to gratify all. His appetites and inclinations. The end result can be seen in the moral debacle which has overtaken the world and in the plaintive cry of American youth: "We are only trying to do our own thing!"

Of course, it does not take a brilliant mind to see that this teaching is diametrically opposed to Scripture, which teaches us to "Flee fornication ... he that committeth fornication, sinneth against his own body" (1 Cor. 6:18). And: "Let us not sin (break God's law, see 1 John 3:4) therefore reign in your mortal body, that ye should obey the lusts thereof" (Gal. 6:12). Also: "Flee also youthful lusts (greed for material and fleshly things): but follow righteousness, faith, love, peace, with them that call on the Lord from a pure heart" (2 Tim. 2:22).

Masonry does not believe in, or teach this Scriptural restraint of natural desires. Their motto is: "If it makes you feel good; do it!"

Both the Jewish atheist Voltaire and Helvetius who were early French Deists and Freemasons, advocated unlimited gratification of carnal appetites. Rosseau made men's feelings the basic for Masonic standards.

Freemasonry can never be brought into accord with the teachings of Jesus Christ, for He said without equivocation:

"Whoso putteth away (divorces) his wife, and marries another, committeth adultery," (Luke 16:18). That's a harsh, uncompromising statement which few Masons will accept.

It was Christ who also said: ". . . whosoever looketh on a woman to lust after her, hath committed adultery with her already in his heart," (Matt. 5:28). This statement was made famous by then President Jimmy Carter, a Mason, when he admitted freely, and with the idea that it was a joke, "that he had lusted after many women in his heart." The media seemed to think this was "funny."

The ritual of Freemasonry was based on incestuous acts, the deceptions and frauds of Zeus, which he practiced on his mother Demeter, and upon his daughter. These acts are re-enacted before the initiate to impress him with the moral teachings of the "mysteries."

The "natural law," once practiced by mankind, before the codified law was given at Mt. Sinai, had become obscured by men's sins; it was no longer a clear guide to human behavior. The

idea of "Let your conscience be your guide," has never proved workable, because natural man is sinful. The Bible says that even the very imagination of his heart are "only evil continually."
(Gen. 6:5).

To the savage in the heartlands of Africa, who has never heard of God's law concerning murder, he still knows instinctively that murder is wrong. But his conscience allows him to go against this natural law and not only kill his enemy, but relish eating him.

Masonic teachings negate the Christian viewpoint concerning family ties and Christian standards of marriage. Masonry teaches that a woman who yields to the impulses of her nature, is absolved from all shame and that a Freemason should renounce the "narrow minded standards" set up for the Christian by the Scripture.

You get a much better understanding of Freemasonry, when you look at the oaths and covenants which make a man a Mason. They are the central ceremony of his initiation into the "brotherhood." They are his formal declaration of loyalty to the Masonic religion. When the initiate kneels at the Masonic altar, and places one hand under the Bible and the other on the "compass and square" which rests on the book, he evokes the deity to help him in his purpose. Only, unfortunately, this deity is not the God of Christianity.

Throughout the entire ceremony there is an outward semblance of great loyalty towards the Bible and God. But the question we must ask is this? What is the meaning of all this pageantry? An honest look at the rituals of Freemasonry will show you that this ceremony is symbolic and allegorical (the description of one thing, under another name), and does not mean what it so solemnly expresses.

The Bible, the Square and Compass, the Alter, are all Masonic symbols which stand for other things. They are substitutes, if you will, for the real objects venerated by Freemasonry. They have a secret, hidden meaning which very probably the initiate does not understand, since its meaning is known only to those of higher

rank. The real Masonic moral ideas are concealed in the allegorical acts of the candidate.

A study of Freemasonry will show that the Masonic candidate is not bound by his solemn oath, but by the meaning of the symbolism behind them. It is not reverence for the Bible, that he shows, as he takes his oath with one hand under the Book, but reverence to what the Bible symbolizes to the Mason and what the Bible on the Masonic altar really means to him. He does not swear on the "square and compass," but on what they symbolically stand for. It is not the name of the Lord God Jehovah, which he invokes, but what the term 'God' means to the Mason.

When a Mason uses the term "In the name of God," it means by the authority of the god of Freemasonry, the Great Architect Of The Universe, who is not the Christian God by any stretch of the imagination. The candidate is bound to faithfulness by the horrible oaths he takes, which show his condemnation if he is unfaithful. These are not the moral ethics one expects to find in Christianity. They contradict the Scripture found in Romans 8:1, which tell the Christian: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit."

Chapter 21:

Truth from the Masonic Standpoint

The moral law makes it the duty of every person to speak the truth. We are told in Proverbs 13:5 - "a righteous man hateth lying." In Proverbs 12:22 - "Lying lips are an abomination unto the Lord." (Some thing that makes Him want to "throw up.") The moral law forbids lying, deceit and "dissembling" (disguising things), concealing them under false pretenses whether by words or actions. No class of men are exempt from this obligation.

But in Masonry, as in Judaism, their followers do not follow the same law as that laid down for Christians. As a result, a Mason is allowed to lie, if it will help a fellow

Mason; just as a Jew is allowed to lie in order to cheat a hated "goyim." The very fact that Freemasonry is so secret, fosters the desire to deceive others. The whole international organization is based on a lie, teaches it, and encourages its disciples to lie also. The entire system of Masonic rites, lectures and symbolism is for the purpose of deceiving others as to their true meaning.

The candidate solemnly swears that he will "forever conceal and never reveal the (false) secrets of Masonry." He swears never to reveal the secrets of a brother Mason which are entrusted to him, even though by this act, he may become implicated in a crime. In the case of murder or treason, he may act at his discretion, but in the higher degrees, even murder and treason are not revealed.

Logically, this means, that in order to be a Mason, and keep your promise to Masonry, you must be willing to lie, deceive and dissemble if it is for the good of Masonry.

Sickle says: "Temperance is enjoined, not for its own sake, but

for the reason that when a Mason is intoxicated, he might reveal unwittingly, the secrets of Masonry."

The Masonic fraternity teaches and encourages its members to perjure themselves as to their civil oaths, if this becomes necessary for the honor and protection of the Lodge.

The oath of a Mason takes precedence over everything else in his life. It teaches him that violations of this oath as a witness or as a citizen, is not perjury, as long as it is for the good of the Lodge. So just as a Jew may lie, to convict a Gentile, so a Mason may lie 'with impunity, to protect another Mason or his Lodge. The moral standards of Judaism and Freemasonry are so similar, because they come from the same un-Godly source.

One of the best examples I can think of to show how Jews will lie to convict Christians, can be seen in the recent Canadian trial of Ernst Zundel, a Canadian of German descent, who has been on trial in Canadian courts, under their infamous "hate law." They have accused Zundel of deliberately lying, when he wrote a booklet questioning whether 6-million Jews really died in Germany during World War II.

Many Jewish witnesses brought by the prosecution, who were supposed to be victims of German concentration camps, so obviously lied, that their stories could only be called absurd. For instance, a Polish Jew, who was an atheist, testified for the defense of Mr. Zundel. He told the court that if the Jewish witnesses who were testifying against Zundel, were required to take the oath before a Jewish Rabbi, rather than a "Gentile" judge, every one would be required to change their story. But because their oath had been taken before a non-Jew judge, they were free to lie. This is the plain teaching of the Talmud. In Volume Baba Kama (1 13a) we read: "Jews must always try and deceive Christians." In Volume ZOHAR (I,106a) it says: "A Jew may lie and perjure himself to condemn a Christian." Again in Volume Baba Kama (I 13a) it says: "a Jew may lie in court to condemn a Christian."

This is the same type of deception practiced by Freemasonry. If a Mason is required to testify in court, and his testimony conflicts

with his duty as a Mason, his Masonic Duty Must Always Come First! When we see the truth of this, then we need to ask a very important question: "How can we trust any Jewish or Freemasonic judge or lawyer, to tell the truth, even when they are under oath?"

The statements of Freemasonry pertaining to the "lambskin apron;" the "middle chamber of King Solomon's Temple;" of "Hiram Abiff;" of the "pillars" and a host of other things, are all falsehoods, palmed off on the unsuspecting initiate.

Freemasonry, just as Judaism, is based on a foundation of lies.

Freemasonry binds its members to be true to each other, even while it lies to them in its innermost secrets. The exotic language it employs is for the purpose of deception, but the candidate does not know this, and so is deceived.

Masons say that to expose the secrets of Masonry, is perjury, while at the same time say that these exposures are not Masonic secrets. It is similar to the Zionists, who rage and scream against the PROTOCOLS OF THE LEARNED ELDERS OF ZION, while they follow them like a "blueprint."

Something seems to be lacking, when an organization constantly contradicts itself. If from the Masonic viewpoint, those who secede from and expose the Masonic ritual are perjurers, then what they publish about Masonry must of necessity be fact.

Much of what you have read in this book, comes from men who have held high positions in Freemasonry. They have no bone to pick with their fellow Masons, other than the deception which is being perpetrated on millions of men, by their leaders. My heart goes out to the millions of men in the Blue Lodge, who have been completely "hoodwinked" by the hierarchy of Freemasonry, so that "they believe Masonic lies."

Hectethorn, in his (Vol. 2:17) says: "Since the objects that modern Masonry professes to pursue, are brotherly love, relief and truth, surely the pursuits of these objects cannot need secret rites, traditions and ceremonies." In (Vol. 2:18), he goes on to say: "The true regeneration of mankind needs neither secret signs nor passwords to recognize each other. True liberty consists in

publicity." In (Vol. 2:109), he states: "Masons have been very indignant with me for making these statements, but honest members of the craft know, and occasionally admit, that I am right." In (Vol. 2:106): "The more I study Freemasonry, the more I am repelled by its pretenses. Are not all its pretenses groundless? Is not its present existence a delusion and the imposition of childish oaths a farce?"

This is what can be termed the "morality of language." To use names and words which do not convey their true meaning, is dishonest in itself. It is the same underhanded essence we see used by the KGB, the CIA, and the Israeli MOSSAD in international intrigue.

It is because of this trickery, that Freemasons and Jews have been able to insinuate themselves into, and practically control, the Lawyers Guild of this country. They control the laws of America, through their control in Congress, on the President's Cabinet, as members of the Supreme Court. In other words, what I am trying to tell you, is that Canada and the United States are controlled by Jews and Freemasons, both working for the same purpose, to cause us to give up our sovereignty, and merge our countries into a One-World system, controlled by Jews and Freemasons. These men, have an absolute hatred for those in America and Canada who can honestly be termed as "Christian Patriots," and are doing everything in their power to destroy them.

I can give one example with which I am familiar. A few years ago, a man I knew rather well, shot and killed a State trooper, after he had received merciless harassment at the hands of the police, not because of criminal activities, but because he was speaking up against government injustices and had to be silenced. When the local sheriff investigated the incident, he contacted the man's wife and said: "Mrs. _____ before I begin this investigation, there is something which is absolutely essential that I know. Was your husband a Mason?" Why do you suppose he would ask a question such as this, unless if this man had been a Mason, he might have been spared much of the grief that the law brought on him and his family. This is not an isolated incident by any means!

Masons are urged by their superiors, to perjure themselves in court in order to protect their fellow Masons. It is all part of the oath they take, when they join.

Many Masons, and most non-Masons, do not realize that Masonry uses a special language to convey Masonic values. It often calls things by their opposites. It substitutes Masonic legends for facts, and palms them off as being true historical events. It expresses its pagan ideals and legendary lore in Scriptural terminology in order to fool the unsuspecting public as well as its own members.

It calls heathen deities by the Biblical name of God, and heathen rites by their Christian phrases. It couches its Masonic doctrine in the terms of Christian theology. This deception in itself should turn honest men against it.

Its entire system is based on pretense, delusion and fraud. It hides its pagan moral and religious ideas under the veil of artful speech, emblems and types. It inculcates in its members moral and religious ideals which are completely contrary to the Christian viewpoint and which are actually viciously immoral. It enjoins practices, which from a Scriptural standpoint are damnable. It makes the crime, the vice, and the sin inherent in Freemasonry, not in the act of being exposed.

What can be more immoral than the pretense that membership in this international order, gives one the license to live his life as a lie? From the viewpoint of Biblical Christian ethics, Freemasonry must be looked on as a stupendous organized falsehood.

Over against the undisputed facts of its falsehood, the Lodge solemnly professes to be guided solely by truth, even as it admits that it lies to its disciples.

When a charge of deception is brought against the Lodge, its defenders often reply: "Our statements cannot be understood by the profane (those outside the Lodge); there is a secret meaning conveyed by our expressions that only the craftsmen can discern." So it attempts to evade the charges of falsehood, by hiding under an esoteric smoke screen.

One of the greatest prophets of Freemasonry, a man named Pythagoras, instituted an esoteric system of outright deceit and taught his disciples that "it was not only lawful, but praiseworthy to deceive, and use the expedient lie to further the cause of truth and piety."

The sacred books of Buddha, a religion which is welcomed in Freemasonry, defines falsehood as: "A statement consists of a lie when discovered by the person to whom it is told as being untrue." In other words, it is not a falsehood, as long as this fact is not discovered.

So statements made by the hierarchy of Masonry are to be considered true, until someone discovers they are lies. This idea keeps the lower degree Mason from prying into the esoteric secrets of the higher degrees.

Most decent people see the need of honesty in dealing with others. In the Christian life, it is an absolute necessity and an important part of his religion. But to the Jew and the Mason, it becomes a means of deceiving and cheating those who disagree with them. In the Jew, this pertains mainly to the "goyim, non-Jew animal he calls a Gentile."

The well-known Jewish businessman and author, Samuel Roth, in his startling book, *Jews Must Live (Secrets of Sharp Jewish Business Practices Revealed)*, Chap. VI, p.63, says:

It is my honest belief that nothing the Jew does is subversive to America's best interests. Like his creature JEHOVAH, a teacher he never tires of imitating, the Jew is forever engaged in the fascinating pursuit of creating everything he needs out of nothing. He is actually a parasite who could not exist without a Gentile host on which to feed.

The present Jewish State of the Israeli in Palestine is an excellent example of this. According to Israeli leaders, their country would collapse within six months, if it were not for the largesse of the American people, especially its "brainwashed" Judeo-Christian population.

The Jew is taught from youth that it is ethical to "skin the goyim; to cheat him and steal from him." After all, he is told, only Jews are human and the world belongs to them.

Every year on the Day of Atonement (a day which is now being celebrated in many Christian churches with the ringing of their church bells), Jews around the world gather to recite the KOL NIDRE. In English this means "All Vows Prayer." It is recited three times in the Jewish synagogue with the congregation standing, while the Rabbis chant from the altar. Immediately following the recital of this Vow, the religious ceremonies of the Day of Atonement begin. This is the holiest "holy day" of the Jewish year and is celebrated by Jews, worldwide. Even liberal and atheistic Jews, who rarely if ever attend the synagogue services, make it a point to attend on this day. Why is this Kol Nidre Oath so important to Jews, worldwide? Look at the translation and see. Here is the official English translation of the Kol Nidre:

"All vows, obligations, oaths, anathemas, whether called 'kona' or 'konas,' or by any other name which we may vow, or swear, or pledge, or whereby we may be bound from this Day Of Atonement until the next, whose happy coming we await, we do repent! May they be deemed absolved, forgiven, annulled and void, and made of none effect. They shall not bind us nor have any power over us. The vows shall not be reckoned as vows; the obligations as obligations, nor the oaths as oaths."

By taking this oath, the Jew is absolved from any agreement he makes under oath, even if it is taken in a court of law. He is not obliged by his god, (who by the way, is not the God of Abraham, he claims to serve) to keep his sworn word, especially to a "Gentile." None of his vows are valid.

With this in mind, how can we expect a Jewish Congressman, who takes this Kol Nidre oath, to fulfill his sworn duty to protect the Constitution of the United States from all enemies foreign and domestic? How can we expect a Jewish judge or lawyer to fulfill his sworn duty, when we know his oath is no good? We cannot! Neither can we expect honesty from a Mason, for they

too are absolved from telling the truth, if it is to the detriment of the Lodge.

Having shown the foundation of Freemasonry in Judaism, do you suppose that some of the Jewish deceit used by Jews against "gentiles," may have rubbed off on Masons? I think it is very possible. Notice this oath, taken by the Master Mason (Rit. 149):

I solemnly promise and swear that I will not cheat, wrong, or defraud a Lodge of Masons, or a brother of this rank, knowing them to be such, but will give them due and timely notice that they may ward off all approaching danger.

This simply means that a Master Mason may not only cheat non-Masons with impunity, but that he can also cheat Masons who are of a lower rank than himself. All others are lawful prey to him. This is almost identical to the Jewish KOL NIDRE and has the same effect.

When we look at the Ninth Commandment (see Exodus 20), which reads: "Thou shalt not bear false witness against thy neighbor," and Number Eight which says: "Thou shalt not steal!", it would appear that we are to so fear and love God, that we would never defraud our fellowmen, whether they are members of our Lodge or not. But a Master Mason, by reason of his oath, may use any unfair, unscrupulous, fraudulent means to gain advantage and wealth, so long as he does not hurt members of his own, or higher ranks in Freemasonry. The sin is not in the sinning, in Masonry, but in being caught and bringing disgrace to the Lodge!

Chapter 22:

Masonry's Ideas Concerning Chastity

The Seventh Commandment clearly states: "Thou shalt not commit adultery!" There is no equivocation here, there is no way we who love God can by-pass this with impunity. It means that if we fear and love God, we will remain chaste and pure in our thoughts, words and deeds, each man honoring his own wife, and that of his fellowman. Being a man, I know that it is not always easy to avoid impure thoughts, but our Lord taught that "adultery lies in the heart of men, rather than in the outward act itself." Men are prone to look on the outward act, while God judges the heart. The Christian system strives to purify the hearts and thoughts of both men and women. There is no way a man or woman who loves God, can escape the finality of this Commandment. But it is quite different in the Masonic system. Instead of aiming at purifying the thoughts of a man's heart, Masonry aims to legalize the sin of lust and find accommodation for the indulgence of the individual within the framework of the Lodge. No wonder Freemasonry is so popular with so many men.

The essence of vice in the Masonic system is not in the indulgence itself, but in failing to keep it concealed from the profane (non-member). As long as the indulgence is concealed, to the Mason it is a virtue. It is a vice only to the Christians, whom they claim are too stupid to realize all the fun they are missing.

What makes things "vices" in the estimation of the Christian, is their erroneous position on morals, according to Freemasonry. This makes the ethics of Masonry irreconcilable with those of Christianity. This is why a Christian, who professes to have

turned his life over to the Lordship of Jesus Christ, has no business being a Lodge member. (Now I realize I will be stepping on a lot of toes by making this statement, since there are many professing Christians in the Lodge. In fact many of the clergy of the Southern Baptist Church are Masons. Once they see the inner workings of the Lodge, they should know better. But whether they like it or not, this does not change the truth).

Perhaps, it might be well for me to quote to these brethren, the words of the Apostle Paul to the church at Galatia: "Am I therefore become your enemy, because I tell you the truth?" (Galatians 4:16).

To find the truth regarding Masonic ideas of chastity, we need to go to the Masonic Covenant, since this in essence is what makes a Mason. There is something in that Covenant which when taken, or entered into, changes a man into a different "moral order," and marks him as guided by a system of ethical principles and precepts which are not found in the Christian system. The Mason becomes a "different order of man," bound by his covenant to Freemasonry and a different system of ethics. He now has, in the eyes of the Lodge, certain rights and liberties, which the Law of God does not give him.

The Masonic devotee enters into a new and unique religious and moral realm, by having renounced the God of revelation, to covenant and make the "generative principle," under the name of The Great Architect Of The Universe, his god, and the "law of nature," his ethical standard!

As we examine the Masonic teachings concerning chastity, we need to look at the Master Mason's Oath relating to virtue (Rit. 149) - "I solemnly promise and swear that I will not violate the chastity of a Master Mason's wife, mother, sister or daughter, knowing her as such."

God's law says: "Thou shalt not commit adultery!" It speaks to all men and women, married and single. It speaks to the Mason and it does not say: "You may violate this law, as long as you do not violate it with a Master Mason's females."

But this is a "narrow moral code" which the natural man does not

like. It was given by Almighty God for our protection. In Matthew 7:13, 14 we read where two roads are open to mankind, one is broad and easy and leads to destruction. The majority opt to follow this road. The Christian way is narrow and difficult to follow, because it means we MUST control our illicit desires. Therefore few people want to follow it, even though it leads to "Eternal Life."

The Masonic teaching follows the "broad road to destruction," because men would have it so. The Masonic oath insists on chastity within the rank of Master Mason, but it hedges and "beats around the bush," as far as the major question goes. It even allows him to have illicit relations with the females of a fellow Master Mason, as long as he does not know they belong to him.

Note:

1.- It forbids adultery with the chaste female members of another Master Mason's family.

2.- Since even this prohibition is "too narrow" for Masonic liberalism, a qualifying phrase is added: "knowing her to be such." "Ignorance is bliss," according to the Masonic way of thinking and the Seventh Commandment should really be interpreted to read: "Thou, a Master Mason, shall not commit adultery with a female member of a Master Mason's family, as long as you know she is chaste."

3.- Assuming the Master Mason respects his Covenant, is it because of his respect for chastity or because the "holiness" of Masonry demands it? To all these questions we must give a resounding "NO!" answer.

The Master Mason respects the chastity of a female relative of his brother Master Mason, because his oath tells him he must. Here again we see the Jewish influence in Freemasonry, for in Judaism, according to the Talmud, a Jewish man may violate a Gentile woman, because she is looked on as a "piece of fresh

meat." This same spiritual authority (Talmud) gives him the right to violate a baby girl under the age of three and to sodomize a boy under the age of nine. You don't have to go very far in Freemasonry, to see the evil influence of Judaism in their morals. In Masonry, as in Judaism, fear, love and trust in God has nothing to do with their moral standards.

If there is virtue in obedience to a man-made covenant, it is the same virtue and honor known among thieves and cut throats, when they swear to be true to their fellows, for fear of the punishment which may befall them, if they break their contract.

This is the same kind of "virtue" King Herod showed in Matthew 14:6-11, when for the sake of a stupid promise he made to a prostitute, and for public appearance sake, he had John the Baptist executed.

Christians believe in obeying God's Law because it proves their fear of His majesty, and their love for His mercy and love. Christ said: "if ye love me, keep my commandments." We show our love for Him, by the way we obey Him (John 14:15). The Mason obeys the Masonic laws, even when they conflict with those of God, because that is the nature of the "Masonic beast." They view the Ten Commandments as another form of "moral law," which is too narrow for them to keep.

Chapter 23:

What Masonry Permits!

With this kind of obtuse (dull and insensitive) thinking, we find things permitted within the Lodge which are strictly forbidden in the Christians life. Notice some of these practices and ask yourself whether they are moral or not:

- a. -Notice that the Oath of the Master Mason allows him to commit adultery with any unchaste female related to a fellow Mason, or with any other woman if he so desires.
- b. - It permits him to conceal his adultery, if he does not know the female concerned is related to a fellow Master Mason. There is no evidence anywhere, that he is expected to try and find out if this relationship exists.
- c. - A Masonic Oath is not retroactive, so this feature stimulates lower degrees to work into the higher degrees where they have more protection while "doing their own thing."
- d. - Their Oath permits the Master Mason to commit adultery with any female who does not belong to the restricted group.
- e. - This Oath permits the Master Mason to be an adulterer as long as he follows the restrictions laid down by his order, or as long as he keeps his indiscretions secret.
- f. - While this Masonic covenant seems to protect

female virtue, it actually undermines it. It makes the guilt for adultery committed, the fault of the woman, rather than of her Masonic seducer. In all cases where the Master Mason does not know she is related to another Master Mason, or when she is not, the Master Mason is considered innocent, even if his act is an act of rape against her will. To him, she is "nothing but a piece of meat," to be used anyway the Mason desires.

What a travesty of decency and justice this is; what a contravention of Christian morality. Yet it is considered the sacred right by many men, who live under the protective screen of Freemasonry.

In all cases of immorality, not covered by his oath, the Mason is absolved of guilt, since he is only following the dictates and inclination of his "natural self," which is the deity he worships. Matthew 6:24 tells us:

"NO man can serve two masters: for either he will hate the one and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and Mammon."

(MAMMON is "materialism," "love of the flesh," "Naturalism.")
A man cannot be a Mason and still serve and love the true God!

Chapter 24:

What Does the Masonic Covenant Assume?

1. - It assumes that females in general have a high opinion of Masonic honor and dignity. I believe this to be true. This is one reason a Mason may be more successful in his seduction of an unwary woman, than other men.
2. - It assumes that somehow or other, the Master Mason is a sanctified (saintly, inviolable being), somehow or other holy, and that he hallows anything he touches. In plain terms, that a woman should feel honored to be seduced by a Master Mason.
3. - It assumes that womanly chastity is a joke and that women will gladly sacrifice their virtue and honor for the privilege of being with a Master Mason. (It's no wonder, that women who have studied Masonry, feel it is an insult to womanhood, because it definitely is).
4. - It sets no restriction on the chastity and morality of the Master Mason. He is free to debauch womanhood outside of the restrictions of his Order and still consider himself to be a good, moral man. It is a filthy "double standard" of living. Anyone who understands the least bit about Christian standards, should be able to see the evil in such a system.

Since the Ten Commandments do not apply to a Master Mason, he becomes a "law unto himself," and this morality carries over

into his business and political dealings. (I would call your attention to the large number of politicians, who have been Masons, whose shady deals have walked the thin edge of treason, according to the Constitutional definition, Article III, Sect. 3: "Treason shall consist only in levying war against them (the United States); adhering to their enemies; giving them aid and comfort." Any Fifth Grader should be able to understand the meaning of this. I dare you to check out those Senators who voted to give away our canal in Panama and see for yourself, how many were Masons I dare you to check and see how many of those Congressmen who have voted to give Foreign Aid, to countries which are our enemies, are Masons, Jews or both. If after you have seen this and do not believe this is a reflection on their Masonic training, then it is because you have deliberately closed your eyes to the truth.

Could it be possible that this is one of the reasons that so many politicians who claim to be Christian, are also Masons? They show very little of the "Christian fruits" in their politics, which reeks of Masonic intrigue. The old Duck Theory applies here I believe: "When you see something that looks like a duck, waddles like a duck, has feathers like a duck, and runs around with other ducks, chances are you are looking at a duck." So when you see a political figure, who claims to be a Christian, yet he runs around with an un-Christian crowd and votes for anti-Christ measures, you can almost bet that he is a member of a Masonic Lodge, and very possibly a very high ranking member.

When a man takes the oath of Freemasonry, he is required to step out of obedience to Almighty God and give his loyalty to the Lodge. He then places himself under a completely different moral government, bound by a different set of moral ethics. These are diametrically opposed to Christianity.

Masonic writers boast: "It is the covenant that makes a Mason; and once a Mason, always a Mason. Once you have taken the Masonic oath, you cannot repudiate it."

These remarks make it crystal clear that the Mason becomes a "different order of man," governed by a different code, which

sets him at variance with the laws of God Almighty. Things which are "unlawful" to the "profane" (those outside the Lodge), become lawful to the Lodge member, providing he does his sinning in such a way that it does not bring disgrace to the Lodge or his fellow Masons.

Masonry legalizes "lustful sinning" in every sphere, save the one where he is limited in his wanton acts from violating a female member of a Master Mason's family. (Even then, he has an excuse, if he does not know they belong to a fellow Master Mason). This gives a man a lot of leeway in which to fulfill his illicit desires.

If Masonry never changes, as its leaders proudly aver, then men can never become better by joining it. If it allows its members to sin, by putting a Masonic label of approval on sin, whether it is committed by a Master Mason, one of the 33^o, or a member of the Blue Lodge, it is still evil in the sight of God and will earn the death penalty. "The wages of sin is death," (Romans 6:23). Sin, no matter whether it is committed by the "mighty" or the "lowly," produces the bitter fruit of Sodom and Gomorrah, for anything which encourages dishonesty, deception and unchastity is wrong in the eyes of God. We have His Holy Word to confirm this!

Yet, unfortunately, in spite of the anti-Christ character of this immoral system, we find thousands of good men who belong to it and defend it. Many of these claim to be Christian. Can this be a measure of their apostasy?

Timothy 4 says:

1 Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;

2 Speaking lies in hypocrisy; having their conscience seared with a hot iron.

7 But refuse profane and old wives' fables, and exercise thyself rather unto Godliness.

Because of these apostates, many of them Christian ministers who support Freemasonry, we find ourselves in the "perilous times" predicted in 2 Timothy 3:1 - 5

1 This know also, that in the last days perilous times shall come.

2 For men will be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

4 Traitors, beady, high-minded, lovers of pleasure more than lovers of God;

5 Having a form of Godliness, but denying the power thereof: from such turn away.

This is a pretty good "word description" of the Masonic Lodge, and certainly of any Christian pastors who belongs to it. It is no wonder our churches have lost their power, with these "wolves in sheep's clothing" standing behind the pulpits of our churches. Can a true, "born from above" Christian have fellowship with such a strange and immoral institution? I think not! It doesn't make much sense!

In 1 John 2:23, we are given a very clear definition of an anti-Christ. It is anyone who denies the Divinity of Jesus Christ; who denies Him as Savior. This fits any man, whether he is Jew, a Mason, a Heathen, a Baptist, or whatever. In 2 John 10, 11, we are told how Christians should act towards these anti-Christ:

"If any come unto you and bring not this gospel (that Jesus is the Son of God, the Savior of the world), receive him not into your house, neither bid him God Speed; For he that biddeth him God speed, becomes partakers of his evil deeds."

According to Masonic tradition, the Mason is a builder, who is free to go anywhere in pursuit of his avocation. To the Mason, this means he is free from the moral and spiritual restraints organized society imposes on its members; he is a "jaw unto himself," doing what makes him feel good.

Chapter 25:

Masonry's Relation to Marriage

The Bible teaches that marriage is a union between man and woman for life, when it is sanctified in the eyes of God. The very essence of Christian marriage is in the consent of both parties, who join together before God and publicly acknowledge their troth (faithfulness; loyalty) to each other. This act, according to the Bible, makes them "one flesh." (See Gen. 2:23; Matt. 19:5,6; Mark 10:8; 1 Cor. 6:16; Eph. 5:31). This covenant between man and wife can only be broken by the unfaithfulness of one or the other, or by death. The marriage bond may only be broken through the "adultery" of one party or the other, never for incompatibility." No man has the authority to break this marriage bond; no judge, no preacher.

The marriage ceremony is a covenant, which imposes on both parties, certain mutual duties and invests both with certain inalienable, God-given rights. These rights must be jealously guarded by both parties. By becoming "one flesh," they have become something special in the eyes of God. The mutual duty of husband and wife is to remain pure and chaste, honoring and loving each other. Neither may lawfully (God's law) join in covenants with others, which will infringe on these conjugal rights.

This Christian Covenant comes into immediate conflict with the Masonic and Judaic Covenants, since both of these protect the man's right to commit adultery. If either of these covenants are accepted in lieu of Christianity, it will doom Christian marriage and the Christian family. Of course, this is the purpose of both Masonry and Judaism.

The wife in a Christian marriage covenant has the inalienable right to know the nature of any contract her husband may enter into with others, especially if this contract might weaken or annul his duty to remain chaste and pure. There is a Divine law involved here, which neither the man nor woman may evade with impunity. Their agreement is a matter of written record and neither has the moral nor spiritual right to overstep the bounds of this contract.

The husband is bound to respect the law of God and follow it, just as he should expect his wife to do. There can be no such thing as a "double-standard" for either of them, as has been so common in both Masonry and Judaism.

In the Masonic contract, the wife is not consulted on the matter of the man's morals, neither by the Lodge, or by her husband. Even if she agrees with him becoming a Mason, she knows nothing about the nature of the covenant he has made with the Lodge and how it may effect her marriage. To all intents and purposes, she has become a "chattel." The Masonic Covenant supersedes any other covenant the Mason may make with God or his fellowmen. He must subordinate everything, even his family, to his Masonic belief.

Chapter 26:

The Penal Features of Freemasonry

When Freemasonry is traced back to its source, we discover three ideas which are common to most oriental cults:

1. The initiation process;
2. The Lodge secrets, and;
3. The penal features dealing with punishment of recalcitrant Lodge members.

From the very beginning of our search for truth, we will discover that the character of Freemasonry and Christianity are diametrically opposed.

Where Christianity wins followers by propagating the truth, taught by its founder, Jesus Christ, Masonry aims to preserve and propagate its faith by keeping secret. It does not rely on the power of its doctrines to do this, since it does not present its claims openly and honestly, nor does it meet its opponents in an open and fair discussion. Like Judaism, from which it sprang, it instead attacks its opponents secretly, through institutions it controls, such as the media. On the basis of its own confusion, it cannot stand the light of truth and exposure. The Christian, on the other hand, is told to "Let your speech be always with grace, seasoned with salt, that ye may know how ye ought to answer every man", (Col. 4:6).

To protect its secrecy, Masonry found it necessary to install a catalog of oaths and terrible covenants, which were set up for the purpose of destroying those who sought to expose their nefarious activities and terrify its own members into a strict and total

obedience to the Masters of the Lodge.

According to their own admissions, which can be found in the Masonic oaths, they employ any means of discrediting or destroying their opponents. They may with impunity, through false testimony, discredit or completely destroy an opponent's reputation, may discomfort, or even completely annihilate them. This extends to the point of committing murder, if that is deemed necessary for the protection of the Lodge, as was the case in the murder of William Morgan in the 1820's. He was assassinated on order of the Lodge authorities, when he sought to expose them.

Masons infer that they are rendering service to the GREAT ARCHITECT OF THE UNIVERSE, when they destroy any one who seeks to expose them. This is a murderous spirit. These go back into the Old Testament, seeking excuses from God, to annihilate anyone who disagrees with their way of doing things. They completely disregard the Law as laid down by Jesus Christ in the New Covenant.

Masons are willing, according to their oaths, to inflict barbarous and horrible penalties on any brother Mason who strays from their way and exposes them. This reveals the true spirit which pervades Freemasonry and which most certainly does not exhibit the "fruits of the Spirit," which are the attributes of true Christians (See Gal. 5:22, 23).

When it becomes necessary to enforce obedience to an idea, in order to promulgate it, you can automatically know that idea is wrong. If, as some members of Masonry aver, Masonry does not have this cruel, vindictive spirit, then why do they exhibit it in their oaths which cause them to become members? That most Masons believe these oaths, is an established fact, for very few leave the Order, once they become members. This is not because they know their way is true, but because they fear the consequences. It takes an extremely brave man to leave Freemasonry, and then expose it!

That the threats implied in the Masonic oaths are made in good faith, can be ascertained from the past. French, Italian and Spanish Masons cited before their Masonic tribunals for breaking

their oaths, were the Emperor Napoleon III; the Emperor of Germany; the Crown Prince of Germany; a Pope and Marshall Prim. of France. These men paid no attention to the citations made against them by the Lodge and all were marked for assassination. (See Hecthorn, Vol. II, p. 108).

The murder of William Morgan, in obedience to a Masonic decree, almost destroyed Masonry in America in 1826. Judge Whitney of the Belvedere Lodge in Illinois, escaped assassination at the hands of Master Masons, only because they feared public vengeance if they killed this popular man.

The very initiation into the Third Degree, is a dramatic "acting out" of a symbolic murder. The candidate for all intents and purposes is murdered by these ruffians, who inflict on him the horrible penalties inherent in the first three degrees. When these are apprehended, they are theoretically executed by having the penalties of the first three degrees inflicted on them. This is done to impress the Masonic candidate with the seriousness of his pledge and the vengeance which will follow if he breaks his oath. The Knights of Kadash deliberately promise to commit murder on any traitor to Freemasonry.

Judge Whitney, who was mentioned earlier, testified in the case of a Miss Ellen Slade, who had been murdered in Boone County Illinois for resisting the law laid down by the Grand Lodge of Illinois. In his testimony, Whitney said:

The resistance of the law by Masons, in the case of the death of Miss Slade, was well known to the Grand Lodge and their committees, who approved it and this Lodge (Belvedere #6, F.A.M.) has quietly acquiesced; and having their charter restored by the present Grand Master, several of the most culpable of its members have been elected to the most important positions in the Lodge.

This action was taken by Master Masons who had full knowledge of the crime they were covering up, as well adequately proven in court. These murderers resisted the law of the State of Illinois and escaped its consequences through the machinations of high

ranking Masons in the Judicial system.

Pres. C. G. Finney, himself a Mason, characterized Masonry as follows:

Freemasonry has no mercy, but swears candidates to avenge violations of Masonic obligations, the most unlawful and un-Christian deeds; to deliver each other from difficulty, whether right or wrong; to unduly favor Masons in business transactions. Its members are sworn to retaliate, and persecute unto death, the violators of Masonic obligations. (Wagner's Freemasonry -An Interpretation- p.554).

Because of the Masonic murder of William Morgan, facts came to light by testimony of witnesses before the courts; by action of the New York State Legislature, and the defense of Morgan's assassins by the Grand Lodge of Rhode Island. All this was led by John Quincy Adams initiating an investigation of Masonry, from a purely patriotic viewpoint. Here are his views as expressed in his Address To The People Of Massachusetts. This is only part of his address:

I saw a code of Masonic legislation adopted to prostrate every principle of justice and to corrupt every sentiment of virtuous feeling in the soul of him who bound his allegiance to it. I saw the practice of common honesty, of Christian benevolence, even the abstinence of atrocious crimes, limited exclusively by lawless oaths and barbarous penalties to the sacred relations between the brotherhood of the craft. I saw slander organized into a secret widespread and affiliated agency, fixing its invisible fangs into the hearts of its victims, sheltered by the darkness of the Lodge room, and armed with never ceasing penalties of death. I saw self-invoked imprecations of throats cut from ear to ear; of hearts and vitals torn out and cast off . . .

I saw wine drunk from a human skull with solemn

invocations of all the sins of its owner upon the head of him who drank it. I saw a wretched human man damning himself to eternal punishment when the last trump shall sound, as a guarantee for idle and ridiculous promises. Such are the laws of Masonry; such are their indelible character . . . a conspiracy of the few, against the equal rights of many! Anti-republican in its sap from the first blushing of the summit of the plant to the deepest fiber of its roots.

The experience of Elder David Vernard, an influential and well-esteemed minister of the Baptist Church is a confirmation of what I have been trying to say. As a Master Mason, he was required by the Master to attend a meeting where he was charged with making derogatory remarks against the Lodge. For several hours he was harangued, harassed and insulted. When he was finally allowed to defend himself, he told how he had spoken against the Lodge, because he had the right of free opinion and freedom of speech and liberty of the press all of which were God-given rights which could not be controlled by the Lodge. He stated that these rights had been purchased by the blood of his fathers. Yet his request to defend himself was refused.

Soon after this he was expelled from the Lodge and a vicious campaign of vilification was launched against him. Professing ministers of the Gospel, joined with drunkards, infidels and prostitutes in a drive to destroy him. He was warned by his friends that he should go armed for his protection, since there was a plot afoot to murder him and so strong and dirty was the Masonic campaign against him, that his friends would not allow him to travel alone, even from the parsonage to the church.

Once again I repeat the words of Horace Mann: "It must be an evil project which will not allow for open discussion." This is the same means organized Jewry uses to stifle opposition. They act through their strong-arm KGB, the Anti-Defamation League, and its bully boys the Jewish Defense League.

A few years ago I was invited to speak at the LaPorte, Colorado, Church of Christ, by a young pastor, Pete Peters, who was just

becoming acquainted with the Identity message and the Jewish problem. We were subjected to unbelievable harassment, most of it coming from the Fort Collins Ministerial Alliance and the Denver A.D.L. The Alliance threatened Pastor Peters with dire trouble unless he had me leave town at once. I was accused of being "anti-Semitic, a Fascist, a Neo-Nazi, and a Hate Monger." However, no one from the Ministerial Alliance or the ADL had ever bothered to come and hear me speak. It was all hearsay.

My first message, on Sunday night was on my deliverance from a Communist prison in Korea in 1948. It was in this prison that I was "saved" and promised God to do everything within my power to see that the terrible things I had seen in South Korea would never happen here. I did not mention Jews, Jewry, or Zionism in this message. The meeting ended about 10 p.m.

The next morning, a Letter to the Editor appeared in the Denver Post, some 70 miles away. It was written by a Jewish lady in which she expressed shock at the terrible anti-Semitic language I used and said that my statements reminded her of Adolf Hitler. Now anyone with any common sense, would know that a letter written after 10 p.m. the night before, could never arrive in Denver in time for a midnight "deadline." It was quite obvious this letter had been written before I arrived in La Porte. Interestingly enough, there had been no Jewish lady at the Sunday night meeting.

Pastor Peters offered to allow the Alliance members to listen to the tapes of my messages, since none had been in attendance. None of them desired to do this, although all their complaints were based on hearsay. When I arrived home, I found a letter from the Denver Jewish Defense League in which they stated: "You Nazi S.O.B., if you ever come back to Denver we will blow you away!" Notification to the Denver police of this threat brought absolutely no action.

Pastor Peters, not to be intimidated, scheduled me for more meetings in the fall and took out advertisements in the Denver Post, stating when I would be there and the essence of my messages, which this time were definitely Zionist exposures. I

offered to host a breakfast for members of the Ministerial Alliance, where we could talk over our differences. None accepted. It became quite evident that they did not know what I preached, that they did not care what I preached, but that they were being led around by the nose by the ADL.

This is the Masonic mentality, which they learned from their Zionist mentors "for men love darkness rather than light, because their deeds are evil" (John 3:19).

Masonry, like Judaism, is a system of ethics and religion, in which there is some truth, but it is shrouded and mutilated by the evil it conceals. It is a system held and defended by men of learning; men of wealth and power; men of liberal tendencies; men who are pious "having a form of godliness, but denying the power thereof" (1 Tim. 3:5). The Apostle Paul, in 1 Corinthians 1:26, 27, said:

26 For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called:

27 For God hath chosen the foolish things of the world to confound the wise; and God hath chosen the weak things of the world to confound the mighty.

These men wallow around in the indulgences which Freemasonry allows them to enjoy, but which must never be spoken of in public. Any system of ethics may stand high in the eyes of men; it may even seem to be a thing of beauty to them. But if it repudiates the Law of God, no matter how charming it may seem to the beholder, it is a thing of hidden danger and evil. Any system which gives license to human lust, will ruin souls and kindle revolution against God. This is always fatal to the rebel!

Freemasonry is a danger to the freedom of America and to the welfare of the Christian community. As long as it maintains its ties with Zionism, it will be a danger to freedom and justice, for it is impossible for a people to have freedom and justice without having God's blessing

These blessings do not come when men set themselves in rebellion against God. In Psalm 2:1-4, we read:

1. Why do the heathen (nations) rage, and the people imagine a vain thing?
2. The kings of the earth set themselves, and the rulers (Masonic and Jewish alike) take counsel together, against the LORD, and against His Anointed, saying;
3. "Let us break their bands asunder, and cast away their cords from us."
4. He that sitteth in the heavens shall laugh: the Lord shall have them in derision (contempt).

Conclusion

I realize I have stuck my neck out by writing this book. I did not do it because of ulterior purposes, I have no "bone to pick with Masons." I wrote it to warn you of a very powerful organization, which is cooperating with our Zionist enemies, and which is fooling millions of its own members by its hidden motives. It is attempting to destroy "white Christian civilization," and the blessings it has brought to mankind. I may have placed myself in a position of danger. I do not fear, for God is still on the throne and He still rules in the affairs of men. If this book is instrumental in reaching the heart of one Mason and causing him to reconsider, it will have been worthwhile. For the freedom of America, the happiness and safety of our people, will be based on this slogan:

NO KING BUT JESUS!

The End
